15. Subject to regulations 14(2) and 25 in relation to hearings taking place in public and the right for the Chairman to ask a person attending the hearing to leave the room, a party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified to do so.

16. At the hearing, a party shall be entitled to:

- In response to a point upon which the Panel has given notice to a party that it will want clarification under regulation 7(1)(d), give further information in support of their application, representations or notice (as applicable).
- If given permission by the Panel, question any other party.
- Address the Panel.

17. Members of the Panel may ask any question of any party or other person appearing at the hearing.

18. In considering any representations or notice made by a party, the Panel may take into account documentary or other information produced by a party in support of their application, representations or Notice, (as applicable), either before the hearing or, with the consent of all the other parties at the hearing.

19. The Panel shall disregard any information given by a party or any other person to whom permission to appear at the hearing is given by the Panel which is not relevant to:

- their application, representations or notice, (as applicable); or in the case of another person, the application representations or notice of the party requesting their appearance, and
- The promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the crime prevention objective.
20. (1) If a party has informed the Authority that he does not intend to attend, or be represented at, a hearing, the hearing may proceed in his absence.

(2) If a party who has not so indicated fails to attend, or be represented, at a hearing, the Authority may:

(a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or

(b) hold the hearing in the party’s absence.

(3) Where the Authority holds the hearing in the absence of a party, the Authority shall consider at the hearing, the application, representations or Notice made by that party.

(4) Where the Authority adjourns the hearing to a specified date, it must, forthwith, notify the parties of the date, time and place to which the hearing has been adjourned.
The following document outlines the procedure for hearings considered by Licensing Panels.

1. INTRODUCTION

1.1 The Council has delegated power to determine applications for licences and consents to the Director of Environment & Leisure. The Director has in turn delegated such authority to the Assistant Director of Environment and Leisure.

1.2 Whilst the Director of Environment and Leisure has delegated authority to determine such applications, if the Authority receives a relevant representation from an interested party based on one of the four Licensing Objectives, which have not been withdrawn or resolved, the application will need to be determined by a Licensing Panel.

1.3 Where the application being considered is recommended for refusal, having exhausted all options for negotiating an acceptable solution, the Applicant is invited, should they so wish, to present their case to the Panel stating why they believe the Panel should grant a licence. This request must be made, in writing, within 21 days, following receipt of a letter from the Council offering the opportunity of a Hearing. If the Applicant fails to comply with this requirement, or declines the offer, the application will be refused under delegated authority.

1.4 Where an applicant has indicated their wish for the Panel to hear their application, the Authority will call a Hearing within the statutory period. The Applicant will be advised of the date by Democratic Services on receipt of the request. This notification will give details of the procedure to be followed at the hearing and shall advise applicants of their right to be represented.

1.5 Where an application is refused or a licence suspended or revoked by the Panel, the Applicant and interested parties have a right of appeal to the Magistrates Courts under the relevant provisions of the legislation.

2. REQUIREMENTS FOR THE HEARING

2.1 The Applicant will normally be required to attend the meeting in person. They will be entitled to be represented by a solicitor or counsel or by any other individual provided that the Council's Democratic Services Officer is advised of this 48 hours in advance of the hearing.

2.2 If a party has informed the Authority that he does not intend to attend or be represented at a hearing, the hearing may proceed in his absence. If a party who has not so indicated fails to attend or be represented at a hearing the Authority may –

(a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or

(b) hold the hearing in the party's absence.

Where the Authority holds the hearing in the absence of a party, the Authority shall consider at the hearing the application, representations or notice made by that party. If the Authority decides to adjourn the hearing to a specified date it must forthwith notify the parties of the date, time and place to which the hearing has been adjourned.

2.2 The papers for the hearing, submission form and documents to be produced at the hearing by the Director of Environment and Leisure's representative will be sent to the Applicant, Representatives and Members of the Panel not later than two to five clear
working days (depending upon the nature of the hearing) before the meeting. Included with the written notification shall be the Agenda for the meeting.

2.3 At the discretion of the Panel and other parties to the hearing, any of the requirements set out in paragraph 2.2 above may be waived, provided that all parties are satisfied that the interests of the Applicant or any Interested Party have not been prejudiced.

2.4 Financial costs incurred by either party in the hearing must be met in full by those parties and no awards for costs will be made to either party regardless of the outcome of the hearing.

2.5 The public will be allowed access to the hearing except where the Panel considers that the public interest in holding the meeting (or part of the meeting) in public outweighs the public interest in the hearing being held in private. A party and any person assisting or representing a party must be entitled to attend the whole of the hearing.

3. PROCESS OF THE HEARING

3.1 The Hearing will take the form of a discussion led by the Authority and cross examination shall not be permitted unless the Authority considers that cross-examination is required for it to consider the representations, application or notice as the case may require.

3.2 Hearings shall be conducted as follows:

(a) The Appellant, his or her representative (if appointed), and any other observers will be shown to the meeting room where they will be seated. Once seated, Members of the Panel will enter the meeting room to take their place at the table.

(b) It will be an aim of the procedure to sit spectators in a designated area of the room while the hearing takes place.

(c) The Panel Chairman will welcome all parties present. He or she will then introduce him or herself and the other Panel Members to those parties present. The Chairman will also introduce to those parties present, any officers and Responsible Authorities, if any, present.

(d) The Panel Chairman will advise members of the public who have representations that he/she reserves the right to request only one person to speak. However, additional comments from members of the public will be invited only by agreement of the Chairman.

(e) On confirming that all parties present have received and read all of the papers before them (and that no new information has been produced. Where new information has been produced, the Chairman will determine whether it will be considered as permissible), the Chairman will outline the procedures, and their order, to be followed throughout the hearing. The order of debate is as follows:

1. The Chairman will invite the Council’s Licensing Officer to set the scene for the hearing.

2. The Chairman will invite each interested party to speak. The Panel may seek clarification on any points raised.

3. The Chairman will invite the Appellant or his or her representative to speak. The Panel may seek clarification on any points raised.

4. Panel Members will be entitled to ask questions on what the Appellant has said.

5. The Panel may seek clarification on any points raised.
6. The Chairman invites each interested party to sum up. No new information is to be raised.

7. The Chairman invites the Appellant to sum up. No new information is to be raised.

8. Preliminary advice will be given to all parties by the Council’s Legal Advisor, before the Panel leaves the room to deliberate.

9. Panel Members will leave the room to deliberate. The Council’s Legal Advisor and the Clerk to the Panel will retire with the Panel. The purpose is to ensure that deliberations are conducted in a quasi-judicial manner. Any legal advice given to the Panel will be provision only and repeated back to all parties to comment upon prior to determination being made. All parties will be asked to remain in the room while the Panel deliberates.

10. The Panel, having deliberated and reached a decision will re-enter the meeting room. The Chairman will advise the Appellant of the Panel’s decision having heard all of the submissions made.

11. The Chairman will advise the Appellant and all parties to the hearing that the decision made will be formally sent by way of a letter, usually within two working days from the date of the hearing. The notification will include details of any further statutory rights of appeal for all parties, if appropriate.

4. ROLES OF THOSE AT THE HEARING

4.1 The Licensing Officer provides technical assistance on the application to the Panel.

4.2 Members of the Panel are present to consider and determine an application or to consider if a licence should be suspended or revoked.

4.4 The Borough Solicitor’s representative is present to provide legal and procedural advice to the Members of the Panel and to assist in the clarification of any issues which might arise in accordance with paragraph 3.2 (d) point 9.

4.5 The representative from Democratic Services is present to provide procedural advice to Members of the Panel and to record the decision.

4 ADDITIONAL CONDITIONS

4.1 The proposed conditions arising from the operating schedule, including additional conditions 11 to 15 which were offered during the mediation meeting, are attached at Annex AE of this report.

5. RELEVANT BRACKNELL FOREST BOROUGH COUNCIL POLICIES

5.1 In determining applications, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises, and on members of the public living, working or engaged in normal activity in the area concerned (p 1.24).

5.2 The Council, as Licensing Authority, recognises that conditions attached to licences will be focused on matters which are within the control of individual licensees (p 1.11).

5.3 When determining applications the Licensing Authority must be satisfied that the applicant's operating schedule seeks to promote the licensing objectives (p 1.13).

5.4 In appropriate cases, and where its discretion is engaged, the Licensing Authority may attach conditions in line with the achievement of the licensing objectives, as listed in the model conditions (p 2.12, 3.15, 4.8 and 5.18).

5.5 The Licensing Authority will apply a level of conditions proportionate to the individual style and characteristics of the premises concerned (p 6.9).

5.6 A map showing the location of the premises is attached at Annex AF of this report.

6. RELEVANT NATIONAL GUIDANCE

6.1 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Licensing Authority must give appropriate weight to the representations (including supporting information) provided by all the parties and the steps that are necessary to promote the licensing objectives (p 5.69).

6.2 The Licensing Authority may not impose any conditions unless its discretion has been engaged following the making of relevant representations and it has been satisfied at a hearing of the necessity to impose conditions due to the representations raised. It may then only impose such conditions as are necessary to promote the licensing objectives arising out of consideration of the representations (p. 7.5).

6.3 Licensing conditions should be tailored to the size, style, characteristics and activities taking place at the premises. It is important that conditions are proportionate (p 7.17).

7. RECOMMENDATION

7.1 The Licensing Authority must, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives, either:

(a) to grant the licence subject to the conditions as proposed; or
(b) to grant the licence subject to modified and/or additional conditions; or
(c) to grant the licence but exclude any of the licensable activities sought; or
(d) to reject the application.

Dear Sir,

**OBJECTION TO LICENCE APPLICATION**

I am writing on behalf of the above-named organisation to register an objection to the application made by Martins for a licence to sell alcohol from their premises in the Liscombe Shopping Centre.

Our objection is based on the following points:

- Whilst the Waitrose Store was open on this site there was a great deal of trouble caused by young persons obtaining drink by one means or another, mostly illegally, from the store. We fear that granting this licence could well result in a return of the problem;

- There is already an outlet in the shape of The Silver Birch for off-licence sales. Presumably there will eventually be a replacement for Waitrose in their vacated premises and whoever takes them over will in all probability apply to sell alcohol;

- The block in which the Martins Store is located has flats immediately above it, and the block is midway between two centres for the elderly. A granting of a licence would inevitably lead to disturbances that could affect all of these;

- We fail to see how anyone can justify the sale of alcohol from 6.00 a.m.

I trust that the above will receive earnest consideration when the decision as to whether or not to grant a licence is taken.

Yours faithfully,

[Signature]

Secretary.

Dear Sirs

I am writing to you in regard to Application No. WK/2007/20823 by Martins/McCall's Newsagent at Birch Hill for a licence to sell alcohol between the hours of 6 am and 10 pm.

We wish to log an objection. Living very close to the shop, it was bad enough when Waitrose sold alcohol. We would get up in the morning, and because our home is on the corner into Latimer, our garden would have empty beer cans and bottles thrown onto the garden. Unfortunately, we have a brick wall around the front of the property which local kids will insist on sitting on. You ask them politely to move and you get a load of filthy language. Let the shop have a liquor licence, and I hate to think what our lives will be like.

If they are old enough to drink, the Silver Birch Public House is close to the shop and they can purchase their alcohol there and drink it in comfort.

Please, please do not let a licence be granted.

Yours faithfully,

Carol and Neil Taylor

Dear Sir.

Ref: Application number WK/200720823

At a recent committee meeting an item was brought up regarding the above application by Martin McColl’s Convenience Store wanting to extend their opening hours to 2200 daily and to be allowed to sell alcohol from 0600 each day.

We have strong objections to both the extended hours and particularly the possible granting of a licence. We have users at the Centre each evening, some of whom are very young, and some who would be leaving the Centre at around 1000 who would be potential targets for people under the influence of alcohol or just generally gathering at the Birch Hill Neighbourhood Centre.

We have experienced anti-social behaviour in the past and have only just recently been able to enjoy relative peace and to be able to comfortably walk in the area without intimidation. Since Waitrose closed we are beginning to get unruly behaviour again – we have three windows smashed at the Centre only two weeks ago. We desperately need for Aldi to open up their store and bring life back to the area of the shops but we have to be very careful on how this is managed. How can we justify three licences in such a small area?

All our committee members and most of our user groups live in the close area and would have to live with the consequences of this extension (they are already opening until 2000) and if a licence is granted it would be a retrograde step in the neighbourhood.

Yours faithfully

John Nicholson

Dear Sir / Madam

Ref: WK/200720823

Martin’s Group have completed a refurbishment of their premises in the Neighbourhood Precinct at Birch Hill. They are already stating open two hours later than they used to to sell groceries etc. They have applied for an alcohol licence to sell from 0600 to 2200 every day. This would make three licences in a very small area. Why should people living in the local area be left to face the anti-social behaviour and drinking problems that will probably ensue. In view of the headlines in every newspaper government initiatives are trying to stop loutish behaviour not make things worse.

We have had problems enough in the past that has taken the Council, the Police and local groups all working together to bring under control. We have experienced significant anti-social behaviour, underage drinking and vandalism. At one point it was almost a no go area. People living in close proximity are all very concerned and worried that we will return to the bad times.

Thank you for taking my views into consideration. I do live in the area close by the shops and know what an impact the problems that will probably arise can have on normal family life.

Yours faithfully

Pat Kennewell
Dear Madam/ Sir.

I would like to register my disagreement in regards to McColls newsagents' application to sell alcohol for consumption off premises, reference number WK/200720823.

One only has to look at Crown Wood shops to see the effect of late alcohol sales, the place is a tip, litter and graffiti everywhere and a magnet for misbehaving youths and general antisocial behaviour, thus lowering the tone of the area.

Birch Hill has already lost Waitrose and most of us have got used to going up to Sainsbury's if we need to buy alcohol and they are open till 22:00h.

By allowing McColls to sell alcohol we are willingly inviting on the same problems that some other shopping centres that allow late sales of alcohol, as I have mentioned above. Problems that currently we do not have.

Yours sincerely

Luis Fernandes

There is no need to sell alcohol and will only attract trouble and underage drinking and I strongly disagree with this proposal.

I can be contacted on the above email address or by letter at 38 Evedon, Birch Hill, Bracknell, Berks RG12 7NF

Many thanks for your time.

My husband and I are writing to protest against the application by McColls at Liscombe for a license to sell alcohol. Over the past couple of years Waitrose worked hard in conjunction with the local police to make the Birch Hill shopping area a safer place to be than it had been previously. It has become apparent since Waitrose has moved on that the youths who intimidated shoppers in the past are now moving back into the area and I personally keep away from the area after about 5pm as I feel threatened.

We believe that if McColls is allowed to sell alcohol then problems in the area will rise not just for the public who are using the area but also for the individuals who work in McColls itself.

We would not have similar issues with a larger outlet being allowed to sell alcohol (as Waitrose did) as there would be sufficient people working in the shop to ensure their own and others safety.

In light of the current press attention to under age drinkers, binge drinkers etc I feel it would be irresponsible to allow the sale of alcohol from such a small and isolated shop such as McColls, Sainsburys is after all only a 15 minute walk up the road and at least in a shop of that size it is unlikely that the sales assistants would feel pressured and bullied into selling alcohol to underage drinkers.

Yours Sincerely

Mrs Julie and Mr Andrew Pask

Dear Sir or Madam,

As Headteacher of a local Primary School I have some concerns about our local newsagents McColl’s applying for a licence to sell alcohol.

I would imagine that when a new food retailer occupies the old Waitrose premises, this will sell alcohol and that one retailer is sufficient to service the neighbourhood. McColl’s is essentially a sweet shop and newsagent and as such is used by pupils at this school: sweets and alcohol do not really go together and in the current climate, I would hope that primary-aged children would not see such easy access to alcohol as the norm.

Another concern that I have is the part played by alcohol in anti-social behaviour. In the past the school has been subject to vandalism, with litter left behind indicating the involvement of alcohol.

Under the circumstances, I believe the application should be declined.

Yours faithfully,

Alan Harding  
Headteacher

Dear Sir or Madam,

It is with deep concern that I have heard of the application to sell alcohol on the premises of McColls (formerly Martin McColls) at Birch Hill Shopping Centre, to be sold off the premises.

Bracknell is already plagued with the scourge of young people who are often drunk in the evenings, the cause of much anti-social behaviour. The media are constantly telling us that our Police and local authorities must deal more strictly with this. The effects on the health of young men and women who binge drink is already having an effect on the N.H.S. and emergency services, trying to deal with the devastating long term illness that is in store for our young who overindulge constantly.

I live very close to this shop. Already I often see and hear drunken youths vandalising the bus shelters and litter bins.

Please, please no more licensed outlets!

Yours sincerely, H. M. Jones (Mrs)

Petition to challenge the application to sell alcohol from Martins premises at Birch Hill Neighbourhood Centre.

The shop has been refurbished to allow them to sell groceries and other goods. They have also applied for a license to sell alcohol from 0600 to 2200 each day. This would be greatly detrimental to the area and once again take it back to what it was like a year or so ago. It has been a long hard battle by all concerned to bring about the pleasant area we should expect from our Neighbourhood Centre.

It will probably increase underage drinking again - off sales bought by adults and given to the youngsters, rowdy behaviour and the area possibly becoming a 'no go.'

Dear Sir,

I am writing to express my concerns about the intention of the newsagents, Martins/McColls situated at Birch Hill, Bracknell, in opening until 10pm each night and also seeking a licence to sell alcohol from 6am in the morning to 10pm in the evening.

At present Birch Hill shops and the surrounding area is a pleasant place, free of any antisocial behaviour. Therefore, my reasons for objecting to this application are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance;
- The protection of children from harm.

Yours sincerely

Dear Sirs,

Application Reference WK/200720823

On behalf of all the doctors and staff at the Ringmead Medical Practice, Birch Hill, I wish to record a strong objection to the application by McColls at 94/95 Liscombe, in the Birch Hill Shopping Centre, for sale of alcohol for consumption off the premises.

Such a move will have a detrimental effect on the health of young and other adults in Birch Hill. The availability of alcohol between the hours of 06:00h and 22:00h, will encourage more drinking in the area, particular on pavements and car parks. This will lead to increase trouble in the area and vandalism that results from excessive drinking in the streets.

This risk is even greater now that there are less people visiting the shopping centre, since the closure of Waitrose. With less people around and individuals drinking off the McColls premises, it will be unsafe for anybody to attempt to approach the paper shop or the pharmacist. This will lead to further deterioration and desertion of the Birch Hill Shopping Centre. Such a licence, as the one applied for, will drive residents further away from Birch Hill, when we are all trying to revitalise the area.

I do hope you will not approve this unnecessary application.

Yours faithfully

Dear Sirs,

I am writing in relation to Martin's the Newsagent at Birch Hill shops that is seeking a licence to sell alcohol and its plan to open until 10:00 pm each night.

I am concerned that the sale of alcohol will cause antisocial behaviour which was experienced at Birch Hill a year or so ago. I feel that it will encourage the formation of gangs and therefore would like to state my objection to the selling of alcohol and hope that the application will be rejected.

Yours faithfully,

Dear Sir/Madam,

We are writing to contest the application for the sale of alcohol at McColl's news agents 94/95 Liscombe in Birch hill shopping centre.

As residents of the area we have personally observed a recent increase in alcohol related anti-social youths – and there are regularly broken beer bottles on route from the shopping centre and in the park between Melrose and Lydney. Obviously this alcohol will have been acquired by other means, but we believe that the sale of alcohol from the near by shops will only fuel this problem.

Although we are sure the proprietor will make every attempt to ensure alcohol is sold legally – there will undoubtedly be irresponsible adults who will make purchases for minors known or unknown to them.

It could be argued that Waitrose previously had an Alcohol Licence, however they had more limited opening hours and had more strict sales policies in place. The Mcolls store, in our opinion, is not suitably staffed to cope with the risks involved in the sale of alcohol and to manage the greater effect it will have on the nearby community including school, play area, scout group, community centre and parks. It will, of course, increase it's attractiveness to shoplifters as it is an easy target.

We take pride in being residents of Birch Hill for 6yrs and would say that it feels a safe and welcoming community, but it has been proven nationwide that the easy availability of alcohol increases anti-social behaviour.

We hope you take our comments seriously to reduce the risk to our community so that we can continue to be proud and not a national statistic.

Yours faithfully,

Rebecca Powell and Gary Hames

Dear Sirs

I would like to object to the application for a licence to sell alcohol made by McColls of 94/95 Liscombe Birch Hill.
I am a Beaver leader with 9th Bracknell Scout group based at the rear of the car park in Birch Hill and for many
years we have been plagued by youths, many of which have been drinking.
We have had many occasions when drunken youths have burst into the building or made a nuisance of themselves
upsetting our younger members. The police were regularly called and because they made a point of regularly
visiting the area the problem seems to have greatly decreased. Our great concern is that a newsagents selling
drink is wholly inappropriate for this area. The shop is staffed in the evenings and weekends mainly by young
members of staff and once their friends know which days they are working they will be turning up and hanging
around outside the shop. This is very intimidating. At the moment they are often hanging around asking people to
buy cigarettes for them and people often oblige. How will the people in the shop know who they are supplying
with drink?
There is also a playground at the rear of the shops which the youths gather at and there has often been broken
glass etc there.
I feel that adding alcohol to the equation is asking for trouble

Yours sincerely

Dear Sir or Madam,

I know that my wife Pauline has contacted you about the McColls Newsagent license application but I feel that I needed to add my bit.

We have been involved with the 9th Bracknell (South Hill) Scout Group for some 17 years and have seen and experienced many problems with youths / teens in and around our HQ in Leppington, most of which has been alcohol fuelled with some very scary moments at times.

To give you an idea of some of the things that have happened in the past here is a short list

Youths bursting into a Beaver (6 - 8 year olds) meeting shouting and swearing and obviously drunk.

Stones and bricks being thrown at the windows during a Cub (8 - 10.5 year olds) meeting, fortunately we found out very early on that glass was not a good idea so we have got shatterproof plastic fitted in the windows.

I got a call one evening from the female leaders who were holding a Beaver meeting, they had locked themselves and the Beavers in the building because of what was going on outside.

Five youths male and female on the Community Centre roof which is quite high, falling about as they were so drunk.

On finishing a meeting only to find that the gates have been tied together with clothes from the clothing bank so that nobody could get in or out.

We have seen the paperbank go up in flames many times.

It has seemed to be a quite a bit better just lately with not so many incidents, we got to a stage where we dreaded the summer months as this was when things would get a lot worse due to lighter evenings, the warmer weather and the location.

The thought of youths possibly being able to obtain alcohol in the evening hours just over the road from where we are based is very worrying, I know that there are laws that should prevent this from happening but you have only got to see or read the news to know that it often doesn’t work as well as it should.

We have to consider the safety of all of our members and going on past experiences I feel that allowing this license to be granted would put that into question, making us all very vulnerable.

Yours Sincerely

I live in Claverdon and my son was riding his bike to the Scout Hut (situated in old Waitrose car park). Since the rise in local youths (gangs) hanging around he feels unsafe cycling via these shops and instead I now have to drive him and my 2 other children to Scouts. I try to avoid cycling with my children via these shops if at all possible. They enjoy cycling however the increase in problems outweighs the environmental aspect.

So come on Bracknell - stop messing about with public amenities and lives, think of the little people the ones that pay to live quietly in the area, who don't cause any problems, never been in trouble with the authorities and allow them to enjoy the Birch Hill area without problems.

Dear Sirs

Since Waitrose closed the number of broken bottles etc in the general vicinity has declined.

Whilst we need a similar supplier in the now vacant building, I am against the likes of McColls supplying alcohol

The hours are outside what even Sainsbury by Bagshot Road sell alcohol. The shop has not been opening for those hours anyway

The shop as a newsagent employs younger adults under the age of 18 as temporary staff, there would be nothing for one of these to sell alcohol outside licencing regulations and to be able to do it easily.

If you have to grant them a licence then 9.00 am to 6.00 pm
There are several schools in the immediate vicinity plus an active & thriving scout group.
The shop there survived before without selling alcohol
Waitrose used to close at 7.00 pm anyway!

Dear sir/madam,

I am concerned that the extention and granting of a licence to what was
Martins Newsagents and is also the local Post Office will once again
cause antsocial behaviour in the area we experienced a year ago. It took

Dear Sirs

Re: Licence Application WK/200720823

As a resident of Birch Hill I would like to register my objection to the above licence application. The area is populated by mostly young families and also we have elderly residential homes in the immediate Area of the shop in question. As there is already a licensed pub (The Silver Birch) and Sainsburys just a mile away it seems unnecessary for another outlet to be supplying Liquor and it also raises the question of the age limit being disregarded in respect of sales.

Yours sincerely

Dear Bracknell Forest Borough Council,

App Ref : WK/200720823

We strongly object to the application made by McColls newsagents at 94/95 Liscombe, Birch Hill to sell alcohol for consumption off the premises. We already have to suffer the drunken behaviour of some of the drinkers of The Silver Birch Pub also in Liscombe. Our cars are regularly scratched and damaged by the drunken louts. We are not able to confront them because of the dangers that we face and the Police are next to useless. We already have a problem with teenagers drinking on the street and in the shopping precinct. In fact my wife and other neighbours that we know, will not venture over to the shops as darkness falls because of the trouble and intimidation which they face. God forbid that we have to deal with even more alcohol being readily available to the teenagers as well should McColls getting a licence to sell alcohol.

Yours faithfully,

Mark Young - 37 Liscombe, Birch Hill
Reference: WK/200720823 McColls newsagent's application to sell alcohol for consumption off the premises Monday to Sunday 06:00 hrs to 22:00 hrs.

We have the following concerns regarding this application:

* The licence holder does not have responsibility for the conduct of individuals once they have left the premises, it is therefore highly likely under the balance of probabilities that a percentage of individuals will consume alcohol in the vicinity of the parade of shops. This would lead to noise, litter and possibly anti-social behaviour.

* Will the staff have training to give them the confidence to challenge individuals who do not appear old enough to purchase alcohol? The problems widely reported in today's society are proof many retailers do not. How do you intend to allay the fears of local residents? Why do you feel the need to sell alcohol from what was essentially a local newsagent and Post Office? Are your profits more important than adding to a proven under-age drinking culture encouraged by outlets such as yours! You seemed perfectly happy with business prior to Waitrose's closure, what makes you feel you are catering to local demand?

Dear Sirs,

Licence Ref No: WK/200720823

I would like to make my argument against the licence application to supply alcohol by the local Newsagents, Monday to Sunday, from 06.00 to 22.00.

Birch Hill is one of the nicer estates in Bracknell, and I know a lot of work has been done by the police and other community groups to keep nuisance behaviour to a minimum around the shops. In my opinion having the newsagent (come supermarket) open late at night will encourage groups of youths to hang about like bees to a honey pot. If alcohol is purchased and consumed around the shops then the behaviour will become troublesome and the area will quickly decline.

Waitrose had a licence to sell alcohol, but they also had the store management and security to deal with problems which the Newsagents will not have. Litter could also become a problem, as will noise to the residents living above the shops.

Please consider turning this licence down for the sake of our community.

Regards

Karen Chatt

Dear Sir or Madam,

Application reference: WK/200720823
Application by Martin’s (now McColl’s) to sell alcohol from 06.00 – 22.00 hours

Further to my representation email of 18th March. I wish to submit data from CADIS (Community Nuisance And Disorder Information System) in support of my objection to the licence application.

The following reports indicate the problems of anti-social behaviour and alcohol related incidents which have been experienced by the community of residents and businesses within 300 metres of the Birch Hill shopping centre. The data indicates that the problems have reduced during the past 12 months although there has been a worrying growth of vandalism incidents in the past few weeks.

1. Alcohol Related Incidents at Birch Hill Shops (Appendix A)
   The chart produced from CADIS specifically shows reported incidents relating to alcohol as 1 to 7 per month between February 2005 and April 2007. In April 2007 the police started Operation Lion Cub every Friday and Saturday night. This is a visible policing operation to tackle anti-social behaviour across Bracknell at weekends. Since Lion Cub has been in operation, the number of reported incidents involving alcohol within 300 metres of the Birch Hill shops has reduced to 1 to 2 per month from May to December 2007. This is a clear indication that the policing policy has helped to reduce the number of monthly incidents in this location to date.

   My point is that this community has suffered from problems associated with drunkenness, purchase of alcohol underage and harrassment in the recent past. The police operations and stricter security in the Waitrose shop turned this around. This community is not prepared to accept a return to the unpleasant situation it was experiencing two years ago.

2. Anti-social Behaviour Incidents (Appendix B, C and D)
   The reports at Appendix B, C and D show CADIS figures for reported incidents of anti-social behaviour within 300 meters of Birch Hill shops between February 2005 and January 2008.

   These figures include incidents specifically relating to the type of behaviour considered to be a danger to the safety of members of the community and residents in the vicinity, i.e. assault, fights, harassment, broken glass, threat and vandalism. Looking at the figure for harassment in Liscombe, the address of the Birch Hill shops, the incidents total 41 from February 2005-
January 2006 and 31 from February 2006 to January 2007. This figure has reduced to 9 in Liscombe in February 2007 to January 2008, reflecting a significant improvement which is without doubt due to the success the local area policing policy and Operation Lion Cub.

Two CADIS maps of anti-social behaviour hotspots (Appendix E and Appendix F) show the reduction of incidents at the Birch Hill shops from February 2005 to January 2007.

I shall be grateful if the Licensing Section will consider the points I have raised with regard to the improvement in safety and security since 2007. This is a very serious issue for the Birch Hill shopping centre community and the prospect of McColl’s selling alcohol until 10pm with a knock-on effect of troublesome customers and behaviour is not a welcome one.

Yours faithfully,

Joanna Legg

Subject: Re: Martin - Birch Hill

Dear Sue

I would like to represent the residents of Birch Hill in the matter of giving a off sales alcohol license to Martin McColl newsagents with hours from 6 am to 2200 hours on a daily basis.

I am short of time today so will send a detailed submission tomorrow when I have more information.

Concerns are:

Vandalism has reduced dramatically since Waitrose has closed. The Cadis figures show this.

Waitrose had to employ a security guard to stop under-age people obtaining drink. The young people used to hang about outside Waitrose in groups in excess of 8-10 and intimidate people into buying drink and cigarettes for them (some of these were older friends). They targeted the elderly and many were afraid to go to the shops after 4pm.

I was dealing with one or two complaints a week about anti-social behaviour, vandalism, setting fire to the recycling bins (the fire service used to be called out at least once a week) and litter. The Cadis figures show how they have diminished.

I am looking at trends in other areas and will get back to you with more information.

Many residents have phoned and talked to me about their concerns and it is not supported by the businesses in the area as well.

Regards

Gil Birch

Councillor for Hanworth and Birch Hill

Memorandum

To: Sue Walker
From: Paul Evans, Trading Standards Enforcement Officer
Subject: Licensing Act 2003 – Martins, 94/95 Liscombe, Birch Hill, Bracknell, RG12 7DE
Date: 18 March 2008
Ext: 2585

Sue,

With reference to the above application dated 18 February 2008, Bracknell Forest Borough Council’s Trading Standards Service, wish to make a representation to the Licensing committee with regards to the protection of children from harm objective of the Licensing Act.

This service believes that there are two main issues.

i) Operating Schedule - Trading Standards feel that the protection of children from harm objective of the Licensing Act has not been adequately addressed, in that there are not sufficient conditions to have an effective policy for the prevention of under age sales.

The condition, "The management of the premises shall devise and implement a policy (which is approved by Trading Standards) in respect to all legal obligations regarding the sale of alcohol" would be required, backed up by a signed agreement between Martin McColl Limited and Bracknell Forest Borough Council’s Trading Standards Service which sets out the policy and meets specific requirements with potential regard to Challenge 21 policy, Staff Training, Record of refusals, Warning Notices, Till prompts, etc.

ii) History - Whilst this service can provide no evidence of Under Age Sales at the Birch Hill premise, Trading Standards can provide evidence that Under Age Sales have taken place in two of the companies stores within the Borough of Bracknell Forest and indeed in other areas.

Martin McColls, Harmans Water, Bracknell

23/08/2006 – Sale of cigarettes to a 13 year old child witnessed by Trading Standards as part of a test purchasing exercise.

19/02/2008 – Sale of cigarettes to a 15 year old child witnessed by Trading Standards as part of a test purchasing exercise.
Martin McColls, Great Hollands, Bracknell

10/11/2007 – Sale of cigarettes to a 14 year old child witnessed by Trading Standards as part of a test purchasing exercise

19/02/2008 – Sale of cigarettes to a 15 year old child witnessed by Trading Standards as part of a test purchasing exercise.

Martin McColls Limited

The company were prosecuted by Swindon Borough Council on the 4 June 2007 for an offence under the Children & Young Persons (Protection from Tobacco) Act 1991 for an offence on 26 October 2006.

A Formal Undertaking for the purpose of Part 8 of the Enterprise Act 2002 was sought by Swindon Borough Council on 29 January 2008 in relation to further offences committed under the Children & Young Persons Act 1933 (as amended) in October 2007. The formal undertaking was signed by the company on 12 February 2008.

The history of the company that both this service and colleagues in Swindon have obtained, indicates to Trading Standards that the company, at present, do not offer an adequate due diligence system in restricting the sale of Age Restricted Products. Specific concerns regarding training, the completion of training records and the checking of these records by Area Managers appear to be a common theme when sales have taken place.

This service can only make a representation based on the sale of tobacco to children, due to no Martin McColl’s premises ever selling alcohol previously in the Borough of Bracknell Forest. Tobacco and Alcohol are both age restricted products and the company will undoubtedly implement the same due diligence policy for both products.

Therefore, if the company cannot demonstrate to this service adequate enough systems in place, we will object to the granting of this licence.

Any further enquiries regarding this representation should be addressed to me by e-mail at paul.evans@bracknell-forest.gov.uk or (01344) 352585.

Regards

Paul Evans
Trading Standards Enforcement Officer
Hi Sue

Regarding the application for a premises licence for the above. The Police have not made a representation because there is no crime and disorder associated with the premises.

As a result, a survey of three similar location was conducted over a six month period and it was found that there is very little difference between the three locations in terms of anti social behaviour with Liscombe being the middle. Please find attached the AL3 advising of no Police objection to the application.

Dear Sue,

Further to my earlier call, I confirm that we are prepared to offer a terminal time for all trading activities, every day, of 21.00 hours.

To my reckoning this means that we have volunteered a total of 23 hours reduced trading time per week from our original application.

Regards

Richard
