BRACKNELL TOWN CENTRE REGENERATION COMMITTEE

10 FEBRUARY 2014

It is the Council's intention to consider a report and make the decision on the future of Bracknell Market and Winchester House following the public consultation in public. However, by law, the Council is required to give notice of any meeting at which business may be conducted in private. Given the nature of this matter which affects a number of businesses, there is a possibility that part of the discussion may have to be conducted in private. Accordingly, the following notice is given:

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice of Intention to Conduct Business in Private

Notice is hereby given in accordance with Regulation 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following item may be considered in private (or members may wish to move into private if in the course of the debate it becomes apparent that exempt information may be disclosed and it would not be in the public interest for that information to be made public).

6. The Future of Bracknell Market and Winchester House following the Public Consultation

The reason that the item may be considered in private is that it may involve the disclosure of exempt information under the following category of Schedule 12A of the Local Government Act 1972:

- (3) Information relating to the financial or business affairs of any particular person (including the authority holding the information)

Should you wish to make any representations in relation to the meeting being held in private for the consideration of the above item, you should contact:
