

EXECUTIVE

21 OCTOBER 2014

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice of Intention to Conduct Business in Private

Notice is hereby given in accordance with Regulation 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following representations were received in response to the 28 day notice of the intention to consider the following item in private.

10. **THE BLUE MOUNTAIN PROGRAMME: DELIVERY STRATEGY FOR THE LEARNING VILLAGE AND COMMUNITY FACILITIES**

To seek approval of the delivery strategy for the Learning Village (a nursery, two form entry primary and seven form entry secondary with post-16 all through school) and community facilities at Blue Mountain, Binfield

Representations:

I would like to raise my lack of approval for the democratic process being adopted for the above meeting, in private, for issues of public interest that outweigh the issue of disclosure of confidential information.

The Council's Response:

The Council's view remains that any discussion of Appendices 3 and 4 of this item is likely to involve the disclosure of exempt information as defined in the following paragraph of Schedule 12A of the Local Government Act 1972:

- (3) Information relating to the financial or business affairs of any particular person (including the authority holding that information).

In the circumstances, and having regard to the public interest, it is considered that the Executive should have the opportunity to discuss these documents in private, if it so wishes. It will be for the Executive to determine whether or not to move into private during the meeting based on the course the discussion takes.
