

**Bracknell Forest Council
Record of Decision**

Work Programme Reference	I071747
---------------------------------	----------------

1. **TITLE:** Libraries: S106
2. **SERVICE AREA:** Environment, Culture & Communities
3. **PURPOSE OF DECISION**

To allocate s106 receipts to support the technology assisted opening and self serve project for the library service.

4. **IS KEY DECISION** Yes
5. **DECISION MADE BY:** Executive Member for Culture, Corporate Services and Public Protection

6. **DECISION:**

That £21,878 as detailed in Annexe 1 of the Director of Environment, Culture & Communities' report be approved to support the provision of enhanced technology within the borough's libraries.

7. **REASON FOR DECISION**

The library project to install self service and technology assisted opening is, based on estimates, predicted to overspend slightly and the use of s106 funds mitigates against this. It is also an opportunity to utilise S106B receipts which, in isolation, are difficult to spend as a capital sum given the generally small scale of receipt.

8. **ALTERNATIVE OPTIONS CONSIDERED**

There are no alternative projects for these funds.

9. **PRINCIPAL GROUPS CONSULTED:** Elected members via standard report process
10. **DOCUMENT CONSIDERED:** Report of the Director of Environment, Culture & Communities
11. **DECLARED CONFLICTS OF INTEREST:** None.
