63. **PS Application 14/00580/FUL 94 to 96 College Road, College Town, Sandhurst
Erection of four no. 3 bedroom semi detached houses and one no. 4 bedroom semi detached house with associated parking and access.**

A site visit was held on Saturday 8 November 2014 which was attended by Councillors Blatchford, Ms Brown, Brossard, Dudley, Gbadebo, Virgo and Mrs Phillips.

The Committee noted:

- The supplementary report of the Head of Development Management tabled at the meeting.
- The comments of Sandhurst Town Council
- 16 objections raising concerns around the proposed development impacting detrimentally on the character of the area and neighbour amenities, overdevelopment, increase in vehicle movements and lack of parking, impact on wildlife and the loss of trees. Further representations were received and included in the supplementary report.

The criteria for public speaking had been met in respect of this application and the Committee was addressed by the registered speakers Mr Weakley raising objections to the proposed development and Ms Jubb, the agent for the applicant.

Members expressed concern that the proposed two storey plots 1-3 by reason of their siting, massing and close proximity to the northern boundary would result in an unneighbourly form of development to the detriment of the amenities of the occupiers of 57-59 Academy Place.

A motion to **APPROVE** the recommendations of the Head of Development Management as set out in the report and on the supplementary report was moved and seconded. On being put to the vote the motion was **LOST**.

An alternative motion to **REFUSE** the application was moved and seconded. On being put to the vote the motion was **CARRIED**.

It was **RESOLVED** that the application be **REFUSED** for the following reasons:-

Reason 01:

The proposed two storey buildings on plots 1-3 by reason of their siting, massing and close proximity to the northern boundary would result in an unneighbourly form of development to the detriment of the amenities of the occupiers of 57-59 Academy Place. The development is therefore contrary to Policy CS7 of the Core Strategy Development Plan Document and 'Saved' Policy EN20 of the Bracknell Forest Borough Local Plan.

Reason 02:

The proposed development would unacceptably increase the pressure on public open space, recreational facilities, and educational facilities. In the absence of a planning obligation in terms that are satisfactory to the Local Planning Authority, and which secure contributions towards open space, recreation and educational facilities and libraries, the proposal is contrary to Policies CC7 and NRM6 of the South East Plan, Policies R5 and M4 of the Bracknell Forest Borough Local Plan and CS6, CS8, CS14 and CS24 of the Core Strategy Development Plan Document and to Supplementary Planning Document Limiting the Impact of Development (adopted July 2007) and Supplementary Planning Document Thames Basin Heaths Special Protection Area Avoidance and Mitigation (adopted March 2012).

Reason 03:

The occupants of the development would put extra pressure on the Thames Basin Heaths Special Protection Area and the proposal would not satisfactorily mitigate its impacts in this respect. In the absence of a planning obligation to secure suitable avoidance and mitigation measures and access management monitoring arrangements, in terms that are satisfactory to the Local Planning Authority, the proposal would be contrary to Policy NRM6 of the South East Plan, Policy EN3 of the Bracknell Forest Borough Local Plan, Policy CS14 of the Core Strategy Development Plan Document and the Thames Basin Heaths Special Protection Area Avoidance and Mitigation Supplementary Planning Document (2012).
