

## **Quarterly Service Reports - Environment, Culture & Communities**

**Quarter Ending: Tuesday 30 June 2015** 

1. Quarterly Service Report - Environment, Culture & Communities: 1 - 46 Quarter 1, 2015-16

# QUARTERLY SERVICE REPORT

# ENVIRONMENT, CULTURE & COMMUNITIES

Q1 2015 - 16 April - June 2015

Portfolio holders: Councillor Mr Chris Turrell Councillor Mrs Dorothy Hayes Councillor Iain McCracken

Director:

Vincent Paliczka

## **Contents**

Section 1: Director's Commentary	3
Section 2: Department Indicator Performance	7
Section 3: Complaints and compliments	10
Section 4: People	10
Section 5: Progress against Medium Term Objectives and Key Actions	13
Section 6: Money	15
Section 7: Forward Look	16
Annex A: Progress on Key Actions	23
Annex B: Financial Information	35

## **Acronyms**

BFC	Bracknell Forest Council
CIL	Community Infrastructure Levy
LLCR	Local Land Charge Register
CON29	Condition 29
VE DAY	Victory in Europe Day
SPA	Special Protected Area
SANG	Suitable Accessible Natural Greenspace
Rbt	Roundabout
BRP	Bracknell Regeneration Programme
NSG	National Street Gazetteer
EPA	Environmental Protection Act
SALP	Site allocations local plan
TRL	Transport Research Laboratory
ProW	Public rights of Way
ROWIP	Rights of way improvement plan
WBC	Wokingham Borough Council
LEP	Local enterprise partnership
DFT	Department for transport

## **Section 1: Director's Commentary**

The department has made a robust start to the new fiscal year and core services continue to be delivered to a high standard.

There have been several high profile activities in the quarter emanating from right across the department. The efforts of the recycling team and the smartcard team to promote recycling through reward points were recognised by winning two different awards. The work of the Trading Standards team, usually working in the background to protect the public, was recognised through a successful public prosecution of a particularly nasty rogue trader, and the nature of the case demonstrated some of the very difficult situations regulatory services have to deal with.

Equally visible but in a different way is the ongoing work to signalise the Coral Reef junction and this, so far, has gone incredibly smoothly with only limited impacts on traffic movements. Work on the new bus station is progressing rapidly with about one third of the work completed and bus users are already enjoying the better facilities and being more fully informed about bus movements.

High public profile was again achieved through the successful running of the 31<sup>st</sup> half marathon, VE Day celebrations with South Hill Park, and the Young People in Sport scheme which generates about 50,000 sporting contacts.

Finally on the profile front, the council has retained the 'Best in South East Region' award for its' Street Gazetteer data. The National Street Gazetteer (NSG) is the definitive reference system used in the notification process and the co-ordination of street works.

Members will be aware of the recruitment difficulties within the planning team and it is pleasing to note that for the first time in a long time all posts have been recruited to although some are yet to start. Planning performance is beginning to improve and once all posts are operational it is anticipated this improvement will continue.

As required by the Scheme of Delegation Members are asked to note that I have introduced two new pricing options for season tickets relating to the town centre car parks with effect from 1<sup>st</sup> September 2015 and these are:-

7 day annual £950 5 day monthly at £80 per month

New charges are consistent with our current pricing structure.

In general, this has been an encouraging start to the new fiscal year.

#### **Risks**

The highest Departmental risks this quarter are -

1) Loss of grave space capacity at Cemetery and Crematorium

This will be mitigated through

Control - review policy and strategy for grave provision

Accept - subject to review, identify suitable land and/or other options

2) Failure to deliver Infrastructure Delivery Plan

This will be mitigated through

Control - adopt CIL charging schedule as soon as possible

Control - prioritise spend in accordance with BFC Reg 123 infrastructure list

Control - Develop CIL governance processes and procedures.

Seek to enable, support and fund upfront infrastructure delivery through bidding for Growth Fund money through, for example, the Thames Valley Berkshire LEP, or via HCA Infrastructure Finance programmes. Work closely with development promoters through the planning process to identify timely provision of infrastructure and secure this by legal agreement.

3) Deterioration /failure machinery, buildings and plant - Maintenance of leisure/libraries/ countryside which could damage income and lead to higher maintenance costs in the future This will be mitigated through

Control – regular repair and servicing.

Accept – rent using funds within / outside service area if necessary

Control - annual inspection and assessment of facilities

## Highlights of exceptional performance e.g. national awards, top quartile services

## Planning and Transport

 Following the decision by Full Council in February, BFC was able to commence CIL charging on 6th April 2015.

#### **Environment and Public Protection**

- The Council gained its second Award for its recycling scheme. There were 20 categories for the awards and BFC was selected from a short list of 8 as the outright winners for Local Authority Innovation.
- A case taken against a car trader, David Lilley, was completed at a Sentencing Hearing on the 3rd July. Local residents who bought faulty and mis-described cars were threatened and verbally abused when trying to complain. We tried to advise Mr Lilley and resolve the disputes however we were ignored and left with no option to prosecute when he continued the practice. He received a suspended sentence together with a tagging order. Unfortunately the Court did not feel able to award compensation to the consumers due to the apparent financial situation of Mr Lilley.
- A new Consumer Rights Act comes into force in October 2015 and with it new rights for consumers and responsibilities for businesses when dealing with faulty goods. Officers have visited all car dealers within the Borough to give them advice so that they may prepare for the changes.

## Remedial action against under performance

#### Planning and Transport

• In the previous quarters it was reported that performance had been impacted on in both the determination of planning applications and investigation of enforcement complaints as a result of staff losses, sickness, increased application numbers and recruitment difficulties. This position still remains, though a recent recruitment process has secured appointments to six posts including the appointment of the consultant who had been working on enforcement to a permanent position as a principal officer. While appointments have been made not all new staff are yet in post.

#### Environment and Public Protection

 Additional provision has been made to increase the capacity to manage the Grounds Maintenance & Street Cleansing contracts. An apprentice has been recruited to assist and support the client function helping with new adoptions and projects in partnership with the contractor CLL.

#### Leisure and Culture

- L002 number of sessions by customers in libraries although the customer facing IT is still well used, the provision of Wi-Fi in libraries now offers customers a wider choice of accessing the internet free of charge. The numbers therefore using the IT equipment may not be as high as previously. This indicator will also be affected by footfall to the libraries.
- L019 number of items borrowed from the library service although this figure is still

- high it has not achieved the target set. This indicator will also be affected by footfall to the libraries.
- L151 number of visits to libraries this indicator of footfall has not reached target. The usage of the main library has decreased significantly in this quarter compared to the previous year as there have been significant problems with access through the temporary walk way from the town centre.

## Significant changes in risk from departmental risk register

## Planning and Transport

- Planning: change to reflect risks associated with securing infrastructure funding through CIL.
- Land Charges reports that the passing of the Infrastructure Bill has given the Land Registry approval to take control of the Local Land Charge Register. Secondary legislation has yet to be written and following the general election it is their intention to commence a consultation as to how the Land Registry intends to administer the LLCR search service. At the moment, there is no intention to take over the CON29 element of the service. It is still unlikely that the takeover of the LLCR service will happen prior to 2017, more likely closer to 2020.

## Highlight of significant customer feedback and inspections

 The Seasonal Recycling Promotions Assistant has found that 37% of the blue bins sampled to date were contaminated. Further checks established that the majority of these are from households not participating in the recycling incentive scheme. Face to face contact with residents via door knocking and roadshows is proving helpful to residents who are unsure what can and cannot be recycled. This in turn helps reduce cost to the Council.

#### Significant changes in service use and associated financial impact

## Planning and Transport

- See comment from Land Charges to risk register above.
- As a result of across the board increases in workloads on planning applications additional staff have been recruited, it is anticipated much of the cost of this can be borne by an increased fee income.

## **Section 2: Department Indicator Performance**

Ind. Ref	Short Description	Previous Figure Q4 2014/15	Current Figure Q1 2015/16	Current Target	Current Status	Comparison with same period in previous year
Enviror	nment & Public Protection					
NI191	Residual household waste in kgs per household (Cumulative figure for 14/15 reported quarterly in arrears)	500 (Q3)	660 (Q4)	161	G	$\Rightarrow$
NI192	Percentage of household waste sent for reuse, recycling and composting (Cumulative figure for 14/15 reported quarterly in arrears)	40.2 (Q3)	39.3 (Q4)	42.0%	G	$\Rightarrow$
NI193	Percentage of municipal waste land filled (Cumulative figure for 14/15 reported quarterly in arrears)	22.00 (Q3)	22.9 (Q4)	25.00%	G	$\Rightarrow$

L241	Income from CIL (Quarterly)	New for 15/16	0	N/A	R	

Note: Key indicators are identified by shading

,		omparison with same period in evious year	
Compa	res current performance to target	Identifies direction of travel compared same point in previous quarter	
G	Achieved target or within 5% of target	Performance has improved	
Between 5% and 10% away from target		$\Rightarrow$	Performance sustained
R	More than 10% away from target	7	Performance has declined

The following are annual indicators that are not being reported this quarter:

Ind Ref	Short Description					
Environn	nvironment & Public Protection - Annual					
NI168	Principal roads where maintenance should be considered (Annually)					
NI169	Non-principal classified roads where maintenance should be considered (Annually)					
NI196	Improved street and environmental cleanliness fly tipping (Annually)					
L200	Percentage of the Borough's households participating in recycling (Annual)					
Leisure a	and Culture - Annual					
NI197	Improved local biodiversity proportion of local sites where positive conservation management has been or is being implemented (Annually)					
L227	Annual volunteer hours contributed to parks and open spaces (Annually)					
L228	Annual volunteer hours for the library service (Annually)					
L230	Number of occasions when users access Wi-Fi in libraries (Annually)					
Planning	and Transport - Annual					
NI154	Net additional homes provided (Annually)					
NI167	Congestion - average journey time per mile during the morning peak (Annually)					
L160	Supply of ready to develop housing sites (Annually)					
L175 a	People killed or seriously injured in road traffic accidents in the preceding 12 months (percentage change) (Annually)					
L181	Percentage of appeals dismissed (Annually)					

## **Section 3: Complaints and compliments**

## **Corporate Complaints received**

The following table excludes Stage 1 complaints and those complaints which are dealt with through separate appeals processes. It should also be noted that complaints which move through the different stages are recorded separately at each stage.

Stage	New complaints activity in quarter 1	Complaints activity year to date	Outcome of total complaints activity year to date
Stage 2	3	3	2 not upheld, 1 ongoing
Stage 3	1	1	1 ongoing
Local Government Ombudsman	2	2	2 not upheld
TOTAL	6	6	

## Nature of complaints/ Actions taken/ Lessons learnt:

- Tree removal
- Planning application approval
- Traffic regulation order
- Bins left out following collection

### **Compliments received**

In the guarter, the Department received 65 (82 last guarter) compliments as follows:

- Environment and Public Protection = 26
- Leisure and Culture = 16 (plus an additional 172 positive comments for The Look Out collected from customer feedback).
- Performance and Resources = 1
   Planning and Transport = 22

The nature of the compliments received in the quarter related to:

- The Look Out experience
- Excellent customer service
- High quality venues
- Quality of parks
- Quick turn-around of replacement bus pass
- Prompt attention on planning applications

## **Section 4: People**

## **Staffing Levels**

	Establish ment Posts	Staffing Full Time	Staffing Part Time	Total Posts FTE	Vacant Posts	Vacancy Rate
Directorate (DMT plus PA's)	8	8	0	8	0	0.00%
Environment & Public Protection	69	57	12	64.33	4	5.48%
Leisure & Culture	365	154	211	244.06	37	9.20%
Performance & Resources	30	25	5	28.42	2	6.25%
Planning & Transport	89	71	18	83.41	8	8.25%
Department Totals	561	315	246	428.22	51	8.33%

#### **Staff Turnover**

For the quarter ending	30 June 2015	3.34%
For the last four quarters	1 July 2014 - 30 June 2015	10.68%

Total voluntary turnover for BFC, 2013/14: 12.64% Average UK voluntary turnover 2013: 12.5% Average Local Government England voluntary turnover 2013: 12.0%

(Source: XPertHR Staff Turnover Rates and Cost Survey 2014 and LGA Workforce Survey 2012/13)

## **Comments:**

The vacancy rate has increased from 7.82% last quarter to 8.33% this quarter. This is due to there being 3 more vacancies compared to last quarter (48).

Quarterly staff turnover has increased this quarter as there are 8 more leavers this quarter compared to last quarter.

Annual staff turnover has increased this quarter as there were more leavers in the last four quarters (63) compared to the four quarters ending 31 March 2015 (60).

#### Staff Sickness

Section	Total staff	Number of days sickness	Quarter 1 average per employee	2015/16 annual average per employee
Directorate	8	0	0.00	0.00
Environment & Public Protection	69	45	0.65	2.61
Leisure & Culture	330	354	1.07	4.29
Performance & Resources	30	8.5	0.28	1.13
Planning & Transportation	89	171.5	1.93	7.71
Department Totals (Q1)	526	579	1.10	
Projected Totals (15/16)		579		4.40

Comparator data	All employees, average days sickness absence per employee
Bracknell Forest Council 13/14	5.50 days
All local government employers 2013	8.0 days
All South East Employers 2013	6.9 days

(Source: Chartered Institute of Personnel and Development Absence Management survey 2014)

## **Comments:**

Sickness this quarter has decreased compared to last quarter (737.5 days), which is mainly due to a decrease in short-term sick (325 days this quarter) compared to last quarter (498.5 days), although long-term sick has increased slightly (254 days this quarter) compared to last quarter (239 days). This quarter's split between short term and long term (56.13%/43.87%) does not conform to our 'typical' sickness levels (around 50:50 split). The annual average per employee is lower than last quarter (5.8%). It should be noted that 5 employees who were on long-term sick this quarter returned to work before the end of this quarter.

N.B. 20 working days or more is classed as Long Term Sick.

## **Section 5: Progress against Medium Term Objectives and Key Actions**

Progress has been monitored against the sub-actions, supporting the Key Actions contained in the Environment, Culture & Communities Service Plan for April - June 2015. This contains 62 actions to be completed in support of 9 Medium Term Objectives. Annex A provides detailed information on progress against each of these actions.

Overall 2 actions were completed at the end of the quarter (B), while 48 actions are on schedule (C) and 12 were causing concern (A).

The 12 actions that are causing concern are:

Ref	Action		Progress
_			
1.3.2	Work with BRP and other proponents to secure the necessary regulatory approvals to deliver town centre regeneration	A	Determination of applications continues, with conditions and obligations of previous approvals being monitored and signed off.
1.5.3	Design and implement further town centre related junction improvements	A	Progress on design and timetabling for the junction improvements is moving forward with the first scheme at Millennium Way due to start in Late July
1.8.1	Implement improvements to Town Centre car parks as part of an on- going programme	A	Painting of ceilings in Charles Square is now at phase 4 of a 6 phase programme. High Street rewire, LED scheme, Doors and ceiling works to be tendered.
1.8.4	Design and implement further town centre public realm improvements	A	Work continues on the approval of the Public Realm Design Strategy and the 278 works which cover the design of the key town centre spaces. The spaces will be implemented as the development of the scheme progresses
2.1.2	Secure the production of Master plans for the five major sites identified in the Site Allocations Local Plan (SALP) - South Warfield, Amen Corner North and South, TRL and Blue Mountain	A	Master plans have been secured for two sites in Warfield; all other sites either have secured outline planning permission or are in the process of seeking permission.
2.1.7	Agree an approach to minerals and waste planning with partner Councils through the production of a new strategy	A	A grouping of Wokingham, Reading and Windsor and Maidenhead Councils has been agreed to take forward a joint Minerals and Waste Plan. Work is underway to agree how the work will be taken forward.
2.3.4	Produce guidance in line with the introduction of the 5 year land supply	A	Housing completions are monitored on a quarterly basis with the Authority Monitoring Report (AMR) published annually. This contains details of the Council's 5 year land

2.5.1	Prepare and adopt a Local Enforcement Plan which continues to prioritise enforcement action applying available resources to 'most serious' cases	A	supply and housing trajectory contained within it. The AMR is published in quarter 3.  Local Enforcement Plan is being drafted with an approval sought for its use as a Council document later this year.
3.4.1	Work with partner agencies to improve energy efficiency in existing homes	<b>A</b>	Working with Green Deal Assessors/Installers/Providers to implement Green Deal Communities project (see sub-action 3.6.1) Working with Environmental Health to offer Flexible Home Improvement Loans to qualifying residents Health & Housing unable to support a bid to the Warm & Healthy Homes Fund to provide heating measures for vulnerable residents
6.7.5	Complete the volunteering pilot project at Great Hollands Library	A	We are experiencing challenges with maintaining the extended three hours of opening with volunteers and paid staff.
10.1.4	Undertake housing needs survey to ensure provision of a range of appropriate housing (including gypsy sites)	A	A Gypsy and Traveller needs assessment is currently being prepared to support a Comprehensive Local Plan. A housing needs assessment is being undertaken as part of the Berkshire wide Strategic Housing Market Assessment
10.1.5	Prepare a Strategic Housing Market Assessment in liaison with other Berkshire authorities	A	Work is continuing on a Strategic Housing Market Assessment, with a Final draft anticipated in Autumn 2015

## **Section 6: Money**

### **Revenue Budget**

The original cash budget for the department was £33.947. Net transfers of £0.439m have been made bringing the current approved cash budget to £34.386m. A detailed analysis of these budget changes this quarter is available in Annex B Table 1.

The forecast outturn for the department is £34.409m (£0.23m over the current approved cash budget). A detailed analysis of this variance for the quarter is available in Annex B Table 2.

The department has not identified any budgets that can pose a risk to the Council's overall financial position in this quarter.

## **Capital Budget**

The Committee's capital budget for the year was set at £13,978,000. This included £9,181,000 of externally funded schemes. A carry forward of £7,814,800 from 2014/15, a sum of £100,000 Section 106 monies for Highway Maintenance works is not required this year making an available spend of £21,692,800.

The department currently anticipates around 72.0% of the total approved budget to be spent by the end of the financial year, since there are a number of budgets, including the Town Centre highway works which are not planned to be spent in this financial year. A detailed list of schemes together with their approved budget and forecast spend is available in Annex B Table 3.

## **Section 7: Forward Look**

#### **ENVIRONMENT & PUBLIC PROTECTION**

### **Emergency Planning & Business Continuity**

- The Berkshire Business Continuity Forum (established to meet the duty to provide business continuity information/promotion to businesses under the Civil Contingencies Act) has been reformed. Their current focus is risk based and will look at 'Threats & Vulnerabilities' within the Thames Valley.
- The annual review of the Emergency Planning Framework is due to be completed July/August.
- Scenario training for education duty officers during August.

## **Environmental Services (Inc Waste, Street Cleansing and Landscape)**

 A member of this small team is due to take maternity leave. Cover will be provided from within the team where possible and by extending the contract of one of the temporary posts. The resident engagement activities aimed at increasing recycling will continue but there could be some drop in overall service as the capacity in the team is already limited.

## **Highways Asset Management**

- Major road re-surfacing programmes will take place during the summer and autumn.
- Worlds End Bridge re-painting project is to be coordinated with the Coral Reef junction improvement scheme.
- Winter Service Plan will be reviewed in preparation for the 2015/2016 winter season.

## Regulatory Services (Trading Standards, Licensing, Environmental Health)

- Food Hygiene rating scheme officers will be working with 20 food suppliers within the Borough over the next 6-9 months who want to improve the Food Hygiene practices and score. This collaborative work has been possible due to part funding from Public Health
- Consultations will be undertaken in respect of a new policy document which will guide our decision making when considering how criminal convictions may impact upon the holding of Taxi drivers and operators' licences), also revised Premises License and Gambling Policies.

## **Cemetery & Crematorium**

- The refurbishment of the men's toilet will commence in August 2015.
- The viewing area within the crematory is being refitted with lower ceiling, lighting and carpet to assist with sound and lighting issues.

## **LEISURE & CULTURE**

#### Leisure

- Facilities will be busy preparing and promoting their summer holiday programmes.
- Coral Reef will remain open whilst planning for the major refurbishment in 2016.

- Downshire Golf Complex will continue to build on the early success of the Golf Academy.
- New play equipment will be installed at The Look Out ready for the summer period.

#### Libraries

Summer Reading Challenge takes place in all libraries this quarter. This is a
successful national summer reading scheme with books to read and activities to take
part in for children and young people. The Library Service recruits more young
volunteers during this time to help us run the scheme.

## **Parks and Countryside**

## Community Involvement

- In excess of 950 hours were contributed by volunteers in the last quarter towards maintaining our parks and open spaces. Added to this Community Payback provided 420 hours of service. Examples of volunteering and public events in the next quarter include:
  - Inspection of Public Rights of Way by Volunteer Path Wardens.
  - Regular task days with Bracknell Conservation Volunteers (BCVs)
  - Litter picks at South Hill Park, Tinkers/Jocks Copse and Berrybank Copse part of 'Take Pride' in Bracknell Forest
  - Twice monthly Edwardian Garden Coffee Mornings (volunteer gardening) at Lily Hill Park and a popular (weekly) Wednesday morning gardening group at South Hill Park. These activities offer opportunities for the local community to learn new skills, meet new people and contribute to the garden maintenance of the park.
  - Working with local residents to remove Himalayan Balsam at The Cut riverbank and conserve the wildflower meadow at South Hill Park
  - Public events include ranger-led walks, bug hunting / butterfly counting, outdoor pursuits (e.g. orienteering), wildlife walks / talks and 'Paws in the Park' (see below).

## Heritage Parks - South Hill Park

- The Bracknell in Bloom judging is due to take place on Thursday 9<sup>th</sup> July, with the judge's tour due to finish at South Hill Park. This year the RHS have added a new 'In Bloom' Parks category, to which South Hill Park has been entered.
- Paws in the Park will take place on Saturday 8<sup>th</sup> August. This popular free public event helps to promote responsible dog ownership.

### Biodiversity

- Local biodiversity initiatives are being delivered in partnership with other organisations, voluntary groups and local communities on projects to improve and protect Bracknell's wildlife. This forms part of the delivery of the Bracknell Forest Biodiversity Action Plan and includes:
- Trained volunteers are helping to collect data for the Bracknell Forest Veteran Tree Survey.
- Local stakeholders are to be consulted on the Bracknell Forest Tree Woodland and Hedgerow Strategy.
- Wildlife monitoring will include checks of Barn Owl boxes and surveys for Great Crested Newts.

## Suitable Alternative Natural Green Spaces (SANGs)

- These are open spaces that are being enhanced to attract more visitors by providing an enjoyable natural environment for recreation as an alternative to the Thames Basin Heaths Special Protection Area (SPA). Accessibility improvement works in the next quarter include:
  - Path improvement works at Englemere Pond that will help make the site more accessible, particularly during the wetter winter months.
  - Two new combined site noticeboards / interpretation panels are due to be installed at Garth Meadows and path improvement works will help link the site to the newly linked open space at Manor Farm.
  - Riverbank restoration along the River Blackwater at Shepherd Meadows and also path improvement works.

## Local Plan Review and Quality Audits

 Working in liaison with Spatial Policy, quantity and quality audits are being carried out across the borough. These audits are being used to inform the Local Plan Review and to help priorities site improvement works.

#### Raising Quality Standards

- A key priority of the Parks and Open Spaces Strategy is to sustain and raise quality standards of the borough's parks and open spaces. This is being funded using S106 developer contributions.
- Completion of the Quality Improvements Programme Phase 1, with work including:
  - Installation of new interpretation and site entrance signs, fence/hedge creation and some tree / bulb planting at Warfield Chase and Goddard Way.
- Additional site quality improvements planned for commencement in the next quarter are:
  - Replacement of outdated play provision at Savernake Park
  - New on-site interpretation / signage, path improvements and woodland habitat improvements at Bill Hill, which is a Scheduled (Ancient) Monument.
  - Upgraded clubhouse facilities at Farley Wood tennis courts
- Project planning includes;
  - Potential new meadow creation / enhancement, new street furniture and improved skate park / ball game facilities at Beedon Drive
  - Tree safety work, new planting, seating and meadow establishment at World's End.

### **Quality Awards**

Green Flag Award judging has taken place at Lily Hill Park and South Hill Park.
 Snaprails Park has also been judged having been entered on a trial basis, as part of work to assess the Bracknell Forest greenspace quality audit methodology. Results will be announced in July / August). Subject to passing a mystery shop type

assessment, Pope's Meadow and Shepherd Meadows (jointly with Sandhurst Memorial Park), should receive Green Flag Awards, having scored highly in last year's formal judging.

## Public Rights of Way (ProW)

- Work will continue with the Ramblers Association and the South East Berkshire Ramblers to improve accessibility of Public Footpaths, which meets targets set out in the Bracknell Forest Rights of Way Improvement Plan (ROWIP). In the next quarter the older "step over" or "squeeze" stiles will be replaced with new metal or wooden kissing gates along Warfield FP6 and Winkfield FP10.
- A project is being drawn up, working with the landowner, to improve the drainage of the wet Easterly end of Warfield FP7 by installing ditches and drainage pipes.
- A Traffic Regulation Order (TRO) comes into force on 13th July which creates an enforceable width restriction of 1.6 metres in a central section of Hawthorne Lane and the whole of Berry Lane, both byways in Warfield. Bracknell Forest Council and the Royal Borough of Winsor and Maidenhead have worked together on this project which will see lockable dropping bollards used to prevent motorised vehicles wider than 1.6m from accessing the section controlled by the Order. The intention is to reduce wear and tear to the surface of these public rights of way caused by heavy vehicles; it will also create a safer environment for pedestrians, cyclists, and horse riders using the byways and will help to combat fly-tipping at these remote rural locations. Consultation took place with local residents, ward councillors, Local Access Forums and parish councils on both sides of the Borough boundary. The Order was confirmed without objections.

#### **Trees**

Routine tree inspections are being completed as part of the cyclical regimes. This
includes highway priority routes (annual cycle), amenity open spaces (five year
cycle), leisure sites (three year cycle) and schools participating in the Service Level
Agreement (annual cycle).

## New Sites:

- Jennett's Park The commuted sums towards annual maintenance have been received, however the associated lease agreement for the 34 hectare public open space known as Peacock Meadows has not yet been signed by the Consortium.
- The Parks The Community Centre and Pavilion at The Parks have been completed and the transfer to the Council has taken place. Taylor Wimpey are currently completing works to finalise provision of sports pitches, tennis courts and a flood lit multi use games area.

#### **PERFORMANCE & RESOURCES**

#### E+ Team

- The e+ Prepaid MasterCard system will be rolled out.
- Changes to create an online dynamic e+ Discount scheme will be progressed and tested.
- The e+ scheme and incentive rewards will be explained to managers and senior officers across the council
- Improvements to the public's e+ system web interface will continue.

#### **Finance**

• In addition to the core functions of accounting, budget monitoring, financial advice and debt control the main tasks in the quarter are to carry out the necessary work to close the 2014/15 accounts and to provide continued support and advice in preparation for the 2016/17 capital and revenue budgets.

#### **Human Resources**

- The new HR//Payroll system will go live in August work will continue by HR to learn the system
- Corporate Services/EC &C joint mentoring scheme will be reviewed
- Coral Reef Project Staff consultation will commence, work will continue to find opportunities for staff
- Work will start on responding to some parts of the staff survey

## **Business system forward look**

- Tenders have been received for a new leisure management system and work will continue on selecting a new supplier to meet the current and proposed demands of the four leisure centres, Bracknell, Sandhurst, Edgbarrow & Downshire Golf.
- Business support will be leading on a number of IT system upgrades including a
  major upgrade to Uniform used by development management and building control
  and Confirm used by highways asset management and the tree team. Work will
  continue on implementing mobile devices in building control and replacing existing
  mobile devices and associated software used by the highway inspectors and tree
  officers' onsite. The team will also start work on updating the software on the public
  pcs in libraries.
- The business support team continue to work with Corporate IT on moving off SQL 2005 and Windows 2003 including online licensing and the Cemetery and Crematorium IT system.
- The central scanning team have initiated a scanning process for the regulatory services team and will now look to work with each area within the teams to refine these practices to better suit their individual needs. The team will also be closely involved in creating a new SUDs category within Idox EDRMS and completing an electronic migration project as part of this.
- Progress continues on go live of highways adoptions into IDOX Uniform. Investigation and planning for the tree preservation orders module within Uniform will continue through Q2 with the hope that this will be implemented during Q3.
- The GIS & gazetteer team will submit a report detailing options for the future of GIS at Bracknell Forest to be considered by DMT early in the quarter. A variety of work such as a user requirements review, procedural review, and work on a new data structure will commence dependent upon the options supported by DMT. The GIS team will also be working on various aspects of the GIS database during the quarter including data acquisition, updating, and metadata review and data presentation in the GIS browsers. A variety of regular map and data requests to support the work of the department will also be completed. New software (FME) to improve data sharing will be installed and tested.
- The web team will continue to contribute to the corporate CRM project by creating new online processes for the transport development team, improve the accessibility and usability of the website including pdfs, maintain and improve the website and online transactions.

#### **PLANNING & TRANSPORT**

## **Building Control**

- We are providing a plan checking and approval service to the Building Control team at Reading Borough Council during a period of staffing problems. This has helped keep their team resourced and is generating additional income for the Council.
- We were unsuccessful in recruiting a further Principal Building Control Surveyor to the team so consideration will now be given to alternative options to cover workload in the team.
- Work continues to develop the mobile working solution.
- Details have been released of proposed changes to the Building Regulations due to come in October 2015. Issues concerning access to buildings and water consumption are closely linked to changes in planning policy guidance and the abolishment of documents such as the Code for Sustainable Homes. The Building Regulations will now provide baseline requirements for these. Also, additional responsibility is being built in to the Building Regulations through a new Part Q which will cover the issue of security in buildings.

## **Land Charges**

- Recruitment will be taking place to cover the upcoming retirement of the Building Control and Land Charges Support Manager.
- The passing of the Infrastructure Bill means the Land Registry have been given approval to take over the holding of the Local Land Charges Register. There is no intention at the moment to take over the CON29 service, and splitting the service in this manner will develop major issues for delivering an efficient service. It is the Land Registry's intention, to undertake a consultation to establish how they intend to interface with local authorities. It has recently been confirmed that any transition to a new service is unlikely to take place prior to 2017, more likely 2020 if they are successful.

#### **Planning**

- CIL charging commenced on 6 April 2015 and a number of Liability Notices have been issued. While little income is expected this year CIL will become a significant new source of funding for infrastructure to support growth in the Borough.
- An updated Local Development Scheme has been approved setting out a three year
  programme for the preparation of planning policy documents. The main change is
  that a 'Comprehensive Local Plan' is proposed which will encompass the previously
  separate Development Management and Gypsy and Traveller Local Plans as well as
  replacing Core Strategy and saved local plan policies.
- Evidence base work has continued for the new Local Plan. This includes further work on a new Gypsy and Traveller Accommodation Assessment, work on the Functional Economic Area and landscape assessment work.
- The Strategic Housing Market Area Assessment jointly commissioned by BFC, the other Berkshire Authorities and the Thames Valley Berkshire LEP has progressed with initial draft reports having been produced for review.
- Further work has been undertaken to produce a draft Parking Strategy consultation document which has been considered by the Local Plan Members Working Group on two occasions.
- 85% of all major applications, 70% of all minor application and 90% of other applications with an extension of time were determined within agreed timescales an increase on the last quarter.

- Following a period in which planning application performance this in the section suffered due to staff losses, sickness and recruitment difficulties, it is hoped that recent successful recruitment will help to improve performance (as has been shown in the last quarter). This has addressed the most significant area of weakness which was enforcement where a Principal and a senior officer have been appointed.
- The quarter also saw a public inquiry on land at The Limes, Warfield which was allowed and confirmed that the Council cannot demonstrate a five year supply of housing land. Defending appeals will continue to place pressure on the resources of the planning service.
- The quarter also saw the restructure of the section with the merging of the Development Management and Spatial Policy sections under a single service head. This change will afford greater opportunities to develop staff and use them more flexibly in all areas of planning.

## **Highway Network Management**

- Significant Utility and Highway Authority major projects are being planned which will involve detailed planning in order to minimise road congestion and resident disruption. These include;
  - Opladen Way new large diameter water main South East Water (SEW) programmed for May 2016 Jan 2017 Ringmead, Hanworth/Birch Hill new large diameter water main SEW programmed August 2015 April 2016;
  - Dukes Ride, Crowthorne replacement of gas mains Southern Gas Networks (SGN):
  - Upper Broadmoor Rd, Crowthorne replacement of gas mains SGN;
  - A321/A3095 Rackstraws Junction, Sandhurst replacement of aged signals equipment BFC programmed for 6-8 weeks commencing 31<sup>st</sup> August;
  - A322 Coral Reef roundabout conversion to signalised junction (in Progress);
  - A329 Jennetts Park roundabout signalisation:
  - Highway Maintenance Summer Resurfacing Program.

#### **Transport Development Section**

- Work will continue on the design and implementation of various Integrated Transport schemes contained in the 2015/16 Capital Programme. The first few Speed Management and Local Safety Schemes have been subject to Member consultation and are now approaching construction.
- Construction work will continue on the Coral Reef Junction improvement scheme currently works are progressing ahead of programme.
- Works will continue on the Bus Station refurbishment scheme until completion in summer/autumn 2015. The third and final new bus shelter has now been installed.
- Detailed design work and programming of the Jennett's Park roundabout traffic signal scheme will be finalised. The works are provisionally programmed for late September after completion of the WBC Coppid Beech Roundabout works.
- Further off-site highway works associated with the Town Centre Regeneration will start in summer/early autumn on Millennium Way to provide a new junction to serve the new multi-storey car park.
- Work will continue with developers of Warfield, TRL and Amen Corner sites to deliver their transport requirements under S106 agreements/conditions. Work has begun on the new Warfield Link Road that is being delivered in partnership with the Thames Valley LEP and developers Berkeley's
- The Road Safety Education Training and Publicity Team will continue with their programme of delivery to schools, colleges, businesses and the general public.
- The newly awarded supported bus contracts will begin on the 13th July.

## **Annex A: Progress on Key Actions**

MTO 1: Re-generate Bracknell Town Centre					
Sub-Action	Due Date	Owner	Status	Comments	
1.3 Deliver the framewor	k which enal	oles reg	enerat	ion of Bracknell Town Centre	
1.3.2 Work with BRP and other proponents to secure the necessary regulatory approvals to deliver town centre regeneration	31/03/2016	ECC	A	Determination of applications continues, with conditions and obligations of previous approvals being monitored and signed off.	
1.5 Undertake highway in	nprovement	works	to enh	ance accessibility to the town centre	
1.5.1 Implement modelling work to support the development of a transport network to accommodate planned growth	31/03/2016	ECC	<b>6</b>	Multi-modal model now validated with new base year. Modelling work continues to inform future transport requirements.	
1.5.2 Complete construction of improvements to Bracknell Bus Station	31/03/2016	ECC	0	The Scheme is now well underway and is on schedule for completion later in the Summer	
1.5.3 Design and implement further town centre related junction improvements	31/03/2016	ECC	A	Progress on design and timetabling for the junction improvements is moving forward with the first scheme at Millennium Way due to start in Late July	
1.5.4 Design and implement highway works off site to facilitate regeneration	31/03/2016	ECC	6	Highway works associated with town centre regeneration are now programmed and subject to detailed design and implementation.	
1.8 Deliver high quality p	ublic realm a	nd pub	lic spa	ces	
1.8.1 Implement improvements to Town Centre car parks as part of an on-going programme	31/03/2016	ECC	A	Painting of ceilings in Charles Square is now at phase 4 of a 6 phase programme. High Street rewire, LED scheme, Doors and ceiling works to be tendered.	

1.8.3 Work with BRP to deliver enhanced environmental improvements to the town centre	31/03/2016	ECC	<b>6</b>	Designs for the Ring (Greening Works) being finalised and costed. Scheduled for being undertaken Jan 2016 - Jan 2017
1.8.4 Design and implement further town centre public realm improvements	31/03/2016	ECC	(A)	Work continues on the approval of the Public Realm Design Strategy and the 278 works which cover the design of the key town centre spaces. The spaces will be implemented as the development of the scheme progresses
MTO 2: Protect communi	ties by stron	g plann	ing po	licies
Sub-Action	Due Date	Owner	Status	Comments
	-			ng agreeing the Site Allocations Local Plan of the Core Strategy (expected to run from
2.1.1 Develop proposals to review the Core Strategy/Local Plan Review as part of a revised Local Development Scheme in line with National Planning Policy Framework (NPPF)	31/03/2016	ECC	6	Local Development Scheme updated in June 2015, evidence base work for a new Comprehensive Local Plan is being prepared
2.1.2 Secure the production of Master plans for the five major sites identified in the Site Allocations Local Plan (SALP) - South Warfield, Amen Corner North and South, TRL and Blue Mountain	31/03/2016	ECC	A	Master plans have been secured for two sites in Warfield; all other sites either have secured outline planning permission or are in the process of seeking permission.
2.1.3 Develop a Gypsy and Traveller Local Plan	31/03/2016	ECC		Work on this plan has ceased and work will now be undertaken on this topic as part of the development of a Comprehensive Local Plan.
2.1.4 Develop a Development	31/03/2016	ECC		Work on this plan has ceased and work will now be undertaken on this topic as part of the

Management Local Plan				development of a Comprehensive Local Plan.
2.1.5 Support neighbourhood planning to enable grant funding to be secured	31/03/2016	ECC	G	Support is ongoing with three plans in production. Binfield is the most advanced with a current consultation on a draft plan taking place.
2.1.6 Complete parking standards survey and implement parking strategy	31/03/2016	ECC	G	A Draft Parking Strategy is in preparation and has been presented to the Local Plan Working Group on two occasions. A draft for consultation is now being prepared for consultation in early autumn.
2.1.7 Agree an approach to minerals and waste planning with partner Councils through the production of a new strategy	31/03/2016	ECC	A	A grouping of Wokingham, Reading and Windsor and Maidenhead Councils has been agreed to take forward a joint Minerals and Waste Plan. Work is underway to agree how the work will be taken forward.
2.1.8 Work with land owners and developers to bring forward the delivery of strategic housing sites across the borough	31/03/2016	ECC		
	ng Infrastruct	ture De		v development to the benefit of the whole Plans, which residents contribute to, in support
2.3.1 Review and implement the Infrastructure Delivery Plan developed as part of SALP	31/03/2016	ECC	6	Oct. 2012 SALP-related Infrastructure Development Plan was revisited for use as part of the evidence base for the 2014 Community Infrastructure Levy setting process.
2.3.2 Negotiate s106 agreements on appropriate sites	31/03/2016	ECC	G	S.106 agreements continue to be negotiated on appropriate sites.
2.3.3 Produce guidance in line with the introduction of Community Infrastructure Levy (CIL) and new S106		ECC	В	Guidance produced in the form of revised & new information on the Council's Planning Policy public web site with advice on CIL charging across the Borough & changes to S106 requirements on CIL coming into effect from

agreements				6th April 2015. Action completed
2.3.4 Produce guidance in line with the introduction of the 5 year land supply		ECC	A	Housing completions are monitored on a quarterly basis with the Authority Monitoring Report (AMR) published annually. This contains details of the Council's 5 year land supply and housing trajectory contained within it. The AMR is published in quarter 3.
2.3.5 Implement the Borough wide CIL (subject to approval)	31/03/2016	ECC	В	Resolved by Council on 25 February 2015. Borough-wide CIL charging has been implemented & on came into effect on 6th April 2015. Action completed.
_ ·	ır green belt	t and av	oid co	alescence of existing communities consistent
with the NPFF				
2.4.1 Implement policies to protect the green belt and monitor their effectiveness	31/03/2016	ECC	6	Ongoing application of the policies contained within the Council's Development Plan and the NPPF
2.5 Take strong enforcement	ent action a	gainst t	hose t	nat do not comply with planning law
2.5.1 Prepare and adopt a Local Enforcement Plan which continues to prioritise enforcement action applying available resources to 'most serious' cases	31/08/2015	ECC	A	Local Enforcement Plan is being drafted with an approval sought for its use as a Council document later this year.
MTO 3: Keep Bracknell Fo	rest clean ar	nd gree	n	
Sub-Action	Due Date	Owner	Status	Comments
3.1 Maintain our open spa	aces to a hig	h stand	ard	
3.1.1 Maintain our green flag status on the four existing sites	31/03/2016	ECC	G	Green Flag Award entries have been submitted for South Hill Park, Lily Hill Park, Popes Meadow and Shepherd Meadows. A fifth site (Snaprails Park) has also been entered on a trial basis to obtain external judge feedback on recent quality improvements. Results are due in July / Aug.

3.1.2 Take action against those that do not comply with environmental legislation, e.g. fly tipping, scrap metal dealers	31/03/2016	ECC	6	1 Notice was served (simple caution). There were a further 30 complaints received and investigated relating to rubbish dumped upon private land.
3.1.3 Maintain environmental amenity land across the whole of the borough according to contract specification	31/03/2016	ECC	G G	All public amenity land maintained to a very high standard of grounds maintenance and cleanliness according to contract specification as seen from random monitoring and quality work inspections
3.2 Implement Parks Qua	lity Improve	ment P	rogram	me
3.2.1 Raise quality standards at five sites (Westmorland Park, Snaprails Park, Bracknell Footpath 5, Blackmoor Pond, Edmonds Green and Lane)	31/03/2016	ECC	i G f	Works on the above referenced sites have been completed. The priority sites for quality improvements in 2015/16 are Bill Hill, Farley Wood, Beedon Drive and Worlds End. S106 funding has been approved for the schemes for Bill Hill and Farley Wood and work on these sites will progress over this next quarter.
3.2.2 Deliver the Parks and Open Spaces Strategy	31/03/2016	ECC	G a	The Action Plan within Parks and Open Spaces Strategy is being used to support management and development of recreational green space. Key priorities are being successfully implemented.
3.2.3 Implement improvement works to Suitable Alternative Natural Greenspaces (SANGS) in accordance with the agreed work programme	31/03/2016	ECC	<b>G</b>	Site works are being delivered in accordance with the approved SANG enhancement plans. Current priorities include access improvements at Englemere Pond.
3.3 Increase the amount of	of green spa	ce that	is acces	sible to residents
3.3.1 Transfer land into public ownership including Jennetts Hill and The Parks	31/03/2016	ECC	G t	Commuted sums have been received to fund the initial management and maintenance of Peacock Meadows at Jennett's Park and so transfer should soon be complete. An initial transfer plan has been drafted for Jennett's Hill and so work can commence in finalising transfer of this 'active' public open space. The combined

3.4 Reduce energy consur	nntion in the	e Boroi	ıgh	pavilion and community centre at The Parks has been transferred and the developer (Taylor Wimpey) has advised that work will soon be complete in providing and transferring the associated sports pitches and courts.
3.4 Neduce chergy consul	iiption in til	DOIOU	4511	
3.4.1 Work with partner agencies to improve energy efficiency in existing homes	31/03/2016	ECC	A	Working with Green Deal Assessors/Installers/Providers to implement Green Deal Communities project (see sub- action 3.6.1) Working with Environmental Health to offer Flexible Home Improvement Loans to qualifying residents Health & Housing unable to support a bid to the Warm & Healthy Homes Fund to provide heating measures for vulnerable residents
3.4.2 Implement a programme to install LED street lighting	31/03/2016	ECC	6	LED installation programmes in progress on site.
3.6 Help people improve	the energy e	fficienc	y of th	eir homes
3.6.1 Support the Green Deal and Energy Company Obligation through marketing and communication with local residents	31/03/2016	ECC	G	Promoting & implementing home energy efficiency measures through BFC's £1.8m Green Deal Communities project. 100 installations completed & 33 orders received for works valued at £784,342.76 by Q1 2015
3.7 Help people to get the	eir energy fro	om sust	ainabl	e sources
3.7.1 Promote renewable and low carbon energy systems to local residents through marketing and communication	31/03/2016	ECC	<u> </u>	30 domestic solar PV installations registered for feed-in tariffs with Ofgem in Q1 2015 (685 since April 2010)
3.8 Monitor and respond	to the impa	ct of se	vere w	eather conditions
3.8.1 Implement agreed plans to respond to severe weather conditions	31/03/2016	ECC	6	Response to Heatwave conditions end of June as per public health heatwave plan.
				•

3.9 Reduce waste to land	fill			
3.9.1 Expand and develop the recycling reward scheme	31/03/2016	ECC	6	Participation is now 25.1% of households - steady increase in residents joining the incentive scheme
3.9.2 Increase the local recycling rate and reduce landfill	31/03/2016	ECC	6	This information is only available annually in arrears so results for Q4 2014/15 were a slight reduction in waste to landfill from previous year at 22.9% and an increase in recycling from 36.3% 2013/14 to 39.3% 2014/15
MTO 5: Work with school adults as lifelong learners	•	ers to e	ducate	and develop our children, young people and
Sub-Action	Due Date	Owner	Status	Comments
5.11 Ensure systems in pla	ace for effec	tive pu	pil and	school place planning
5.11.5 Provide planning and transport advice & support towards new and improved educational facilities across the Borough	31/03/2016	ECC	<u>©</u>	Work continues with education to support the delivery of new and expanded schools. In particular support is being provided on an ongoing basis to the Binfield Learning Village Project.
MTO 6: Support Opportu	nities for Hea	alth and	d Well	peing
Sub-Action	Due Date	Owner	Status	Comments
6.6 Support sports activiti	ies and facili	ties wit	hin the	e borough
6.6.1 Complete the designs and award contract for the transformation of Coral Reef	31/03/2016	ECC	0	Ride Vendor appointed and has presented design options to project team. Replacement of five flumes included in project. PQQ process for main contract completed along with RIBA stage 3.
6.7 Recognise the value li	braries play	in our c	commu	inities
6.7.4 Facilitate the development and opening of a new Community Centre and Library at Harmans Water	31/03/2016	ECC	6	This is a corporate services led project which is at a very early inception phase.

6.7.5 Complete the volunteering pilot project at Great Hollands Library	31/03/2016	ECC	A	We are experiencing challenges with maintaining the extended three hours of opening with volunteers and paid staff.
6.8 Support health and w	ellbeing thro	ugh Pu	blic He	alth
6.8.5 Monitor and report air quality in the borough with particular reference to the implementation of the two current Air Quality Management Area action plans	31/03/2016	ECC	6	The most recent monitoring report has been compiled, sent to DEFRA and we await their comments on the findings and progress made.
6.8.6 Reduce the opportunity for the purchase of age restricted products by undertaking a programme of test purchasing and educational visits	31/03/2016	ECC	<u> </u>	Twelve premises were visited on the 19 May and four sales of alcohol were made to our underage volunteers. Actions have been taken in line with our Enforcement Policy including warnings and the voluntary addition of additional conditions upon premises licences. One premise is no longer trading as a pubic house.
6.8.8 Pilot a public health check scheme at Bracknell Leisure Centre	31/03/2016	ECC	G	Discussions held with Health Team, and quote received from specialist provider to cover 25 x 3hour health check sessions on site. Work now progressing to make practical arrangements for sessions to commence.
6.8.9 Continue to assist the Council in maintaining a reducing casualty record by delivering road safety education into local communities through innovative education initiatives	31/03/2016	ECC	G	Killed and seriously injured casualty rates continue to fall in Bracknell Forest. A programme of road safety education has been prepared for 2015/16.
MTO 8: Work with the po	lice and other	er partr	ners to	ensure Bracknell Forest remains a safe place
Sub-Action	Due Date	Owner	Status	Comments
8.5 Improve the safety of appropriate, by thorough				ts to the infrastructure and, where

the impact of road safety programmes and initiatives	31/03/2016	ECC	<b>6</b>	Partnership working continues.
8.5.2 Work with Thames Valley Police to manage effective speed enforcement	31/03/2016	ECC	G	Work continues on the identification of sites requiring police speed enforcement, alongside the introduction of targeted engineering schemes to manage speed.
MTO 9: Sustain the econo	mic prosper	ity of th	ne Boro	ough
Sub-Action	Due Date	Owner	Status	Comments
9.1 Contribute to the wor the promotion of inward			-	rkshire Local Enterprise Partnership, including or existing firms
9.1.2 Monitor the performance and effectiveness of street works permits	31/03/2016	ECC	(G)	The Bracknell Street Works Permit Scheme commenced in November 2014. Following some teething problems in the initial 3 months the scheme is generally working well. In the first qtr. 2015/16 there were 1677 permit applications and 2064 permits were granted (figure includes those applied for during the previous qtr.). In administering these permit applications 143 permit modification requests were issued requiring the applicant to reconsider its working methods, timings or adding conditions to the permit. There were 328 refused permits predominantly due to clashes with other works and there were 197 permit variations granted. All permits were successfully processed within the statutory timeframes. Permit fee income for quarter 1 = £44,278. There were a total of 34 offences committed during the quarter which were dealt with by Fixed Penalty Notice incurring revenue between £3960 & £6240 depending on speed of payment.
9.1.3 Implement the funded transport	31/03/2016	ECC	G	Construction work continues on the Coral Reef junction improvement scheme and the Warfield

schemes as set out in the LEP programme				link road.
1				rtnership to sustain the local economy, in the Bracknell Forest Local Economic
9.2.6 Continue to promote and support the Primary Authority Partnership and, by working with local businesses enable their compliance with legislative requirements	31/03/2016	ECC	<u> </u>	We continue to look for opportunities to enter into Primary Authority Partnerships but none are presently under discussion.
9.2.7 Deliver the Highways Capital Maintenance Programme to support the local economy	31/03/2016	ECC	<u> </u>	Capital Maintenance Programme planned for works on site in summer/autumn 2015.
9.2.8 Identify external funding opportunities to deliver major transport infrastructure	31/03/2016	ECC	<u>o</u>	The Division remains alert to bid opportunities through the DfT and LEP.
9.2.9 Develop and implement strategies that identify schemes which significantly contribute to the transport system, e.g. A329/A322 initiative	31/03/2016	ECC	<u>o</u>	The A322 corridor proposals continue to be implemented. Proposals for the A329 and A3095 are developing.
MTO 10: Encourage the p	rovision of a	range	of app	ropriate housing
Sub-Action	Due Date	Owner	Status	Comments
10.1 Ensure a supply of af	fordable ho	mes		
10.1.1 Review the provision of the Disabled Facilities Grants (DFG)	31/03/2016	ECC	<u> </u>	There continue to be a steady stream of applications for these grants 35 home adaptations were completed within the quarter and 45 applications received.
10.1.2 Promote and develop flexible Home	31/03/2016	ECC	G	4 flexible home improvement loans were

Improvement Loan Schemes				completed this quarter.
10.1.3 Ensure appropriate standards of accommodation in the private rented sector through appropriate enforcement and support to landlords.	31/03/2016	ECC	G	No notices were served this quarter
10.1.4 Undertake housing needs survey to ensure provision of a range of appropriate housing (including gypsy sites)	31/03/2016	ECC	A	A Gypsy and Traveller needs assessment is currently being prepared to support a Comprehensive Local Plan. A housing needs assessment is being undertaken as part of the Berkshire wide Strategic Housing Market Assessment
10.1.5 Prepare a Strategic Housing Market Assessment in liaison with other Berkshire authorities	31/03/2016	ECC	A	Work is continuing on a Strategic Housing Market Assessment, with a Final draft anticipated in Autumn 2015
				l .
MTO 11: Work with our or access and to deliver value			rtners	to be efficient, open, transparent and easy to
	e for money			to be efficient, open, transparent and easy to  Comments

This functionality is included within the specification, and will be assessed as appropriate within the successful bid. New LMS system likely to go live late

11.8.3 Expand the use of incentives for residents using the e+ scheme	31/03/2016	ECC	<b>©</b>	Following the council's success at IESE and The National Recycling Awards, managers and senior officers are being introduced to the e+ and incentive scheme. There is potential for expansion into new areas of the council where improvements, behaviour changes and savings could be made from implementing other incentive schemes based on the existing, tried and tested e+ card, the Smart Connect database and associated rewards portal.
11.8.4 Implement the Electronic Document Management Strategy to enhance and extend document scanning	31/03/2016	ECC	<u> </u>	A new sustainable drainage (SUD's) consultation process went live on 1st April. Phase 2 involving management of associated documents in Idox EDRMS has started. This will involve document migration to rationalise and relocate the 2GB of data currently held on the department's file server. Work continues on defining new business processes for management of paper and electronic documents in Transport Development team including migration and scanning of existing documents.

## Table 2

#### **Virements**

Note	Total	Explanation
	£'000	
		Virements Previously Reported
а	18	Parks, Open Spaces & Countryside - A sum of £18,100 is required to be vired from the Section 106 SPA Mitigation monies received to fund 0.5 FTE post to enable the production of, co-ordination and monitoring of the Suitable Alternative Non Green Spaces (SANGS) plans together with the co-ordination of access management measures.
b	43	Parks, Open Spaces & Countryside - A sum of £43,010 is required to be vired from the Section 106 SPA Mitigation monies received to fund an additional 1.5 Ranger posts to maintain and manage the areas that have been designated Suitable Alternative Non Green Spaces (SANGS), which are required to be maintained at a higher standard than general open areas.
С	4	Parks, Open Spaces & Countryside - A sum of £4,200 is required to be vired from the Section 106 SPA Mitigation monies received to fund the annual running costs of a new vehicle to enable maintenance of the enhanced SANG's area's to be carried out.
d	91	Street Lighting - The revenue budget for maintenance and replacement of street lighting columns was unable to be spent last year as a result of procurement limits. The new contract for street lighting came into force from 1st October 2014, the value of work the previous contractor could be given was restricted and therefore a backlog of work built up which was ordered from the new contractor, unfortunately due to the volume of work involved the contractor has been unable to complete the works by 31st March. A carry forward of £91,000 was approved to complete these works.
е	-20	Public Realm Contracts - Landscape - As a result of the landscape services being awarded to an external contractor the recharge for insurance and management costs to the in-house operator can no longer be made. This pressure of £21,620 was included in the net public realm economy in ECC for 2015/16 and therefore needs to be vired to Corporate Services. Landscape charges to other departments changed as a result of re-tendering exercise, these changes were again included in the ECC public realm economy and need to be vired to the relevant departments, ASC,H&H -£2,720, CYPL -£670 and CorpServ. £1,980.
f	38	<b>Transport Policy</b> - It was agreed that an additional Development Engineer would be funded from the Economic Development Reserve, the annual cost in 2015/16 will be £38,240, and therefore a virement of this sum is requested.
g	90	Bus Contracts - The Section 106 Agreement for Wykery Copse, agreement number YN364, allows for bus services to be provided between Jennetts Park and the Bracknell bus and rail stations. The contract has been re-let for this service with effect from August this year, resulting in an annual cost of £89,680. A virement is therefore required for this sum.
h	29	<b>Planning Policy</b> - A sum of £28,740 is required to be vired from the Section 106 SPA Mitigation monies received to fund a post to enable the production of, co-ordination and monitoring of the Suitable Alternative Non Green Spaces (SANGS) plans together with the co-ordination of access management measures.

j	86	Local Development Framework (LDF) - It was not possible to commence work on the New Local Plan in 2014/15 due to delays in the adoption of the Site Allocations Local Plan. The new programme has been formalised in the updated Local development Scheme approved by the Executive. A carry forward of £85,730 was approved to complete this work.
k	60	<b>Pension Payments -</b> As a result of changes to the calculation of past service deficit payments a virement in the sum of £60,340 is required for ECC.
