INFORMATION AND THE PROCEDURE FOR HEARINGS OF THE LICENSING PANEL

The following document provides information and outlines the procedure taken for hearings by the Licensing Panel, when considering applications.

1. REQUIREMENTS FOR THE HEARING

1.1 The applicant will normally be required to attend the meeting in person. They will be entitled to be represented by a solicitor or counsel or by any other individual provided that the name of any such person is given to the Council’s Licensing Manager 48 hours in advance of the hearing.

1.2 Written notification of the intended proceedings will be given to the applicant not less than ten clear working days before the meeting. This notification will give details of the procedure to be followed at the hearing and shall advise applicants of their right to be represented.

1.3 Any documents to be produced at the hearing by the Director of Environment, Culture and Communities representative shall be sent so as to reach the applicant by no later than 48 hours before the hearing. A copy of these documents shall at the same time be given to Democratic Services to distribute to members of the Panel.

1.4 Any documents to be produced at the hearing by the applicant shall be sent to the Council’s Licensing Manager by no later than 48 hours before the hearing. A copy of these documents shall at the same time be sent to Democratic Services to distribute to members of the Panel.

1.5 At the discretion of the Panel any or all of the requirements set out in paragraphs 1.3 to 1.4 above may be waived, provided that the Panel is satisfied that the interests of the applicant or any objector have not been prejudiced.

1.6 Financial costs incurred by either party in the hearing must be met in full by those parties and no awards for costs will be made to either party regardless of the outcome of the hearing.

1.7 The public will be allowed access, except if “Confidential Information” as defined by Section 100A of the Local Government Act 1972 is likely to be disclosed (in which case the public must be excluded) or, if “Exempt Information” falling within Schedule 12A of the Local Government Act 1972 is likely to be disclosed in which case the Panel may decide to exclude the public.

2. ORDER OF THE HEARING

2.1 Hearings shall be conducted as follows:

(a) The Chairman will open the proceedings by stating the nature of the matter which is to be considered and will welcome the parties, introduce them and confirm the roles of those present.

(b) The Chairman will ask the officers to confirm whether or not the formal requirements in respect of the matter to be considered have been complied with.

(c) The applicant will be asked if there is any reason for the case to be adjourned. An adjournment will only normally be granted if unforeseeable circumstances can be demonstrated which would be prejudicial to a fair hearing if it was heard at that time.
(d) The Chairman shall first call upon the Director of Environment, Culture and Communities representative to put forward their case.

(e) If satisfied as to the formal requirements, the Panel will consider the merits of the application or proposed suspension/revocation and the report of the officer. The Panel may ask the Director of Environment, Culture and Communities representative for clarification of any points.

(f) The applicant shall have an opportunity to put questions to the Director of Environment, Culture and Communities representative.

(g) The Chairman will then invite (if any) interested parties who have made representations to speak. The Panel may ask interested parties questions and points of clarification.

(h) The Chairman will then invite the applicant or licence holder to make any representations.

(i) The Chairman, members of the Panel and the Director of Environment Culture and Communities representative may ask the applicant questions and points of clarification. Having heard the applicant’s statement, any Responsible Authorities in attendance will be given the opportunity to respond.

(j) An opportunity shall be given to the Director of Environment, Culture and Communities representative and the applicant, in that order, to sum up their case (but not to add any new facts).

(k) The Panel members, the representative from Legal Services and Clerk to the Panel shall withdraw. Officers present do not take part in the decision making but will provide legal and procedural advice and record the decision.

(l) The members of the Panel consider their decision. The applicant or his/her representative (if any) and any officer present is asked to remain in attendance and if any further clarification or information is required from the applicant or licence holder or any officer, this will be sought by the clerk.

2.2 The decision of the Panel shall be notified to the applicant and her/his representative (if any) within two working days following the meeting. In most cases, a verbal decision will be given on the day of the hearing.

3. **ROLES OF THOSE AT THE HEARING**

3.1 The Director of Environment Culture and Communities representative is present at the hearing to present the professional officer’s case for refusal, suspension or revocation of licences. They are also present to challenge points put forward by the applicant.

3.2 Members of the Panel are present to consider and determine an application or to consider if a licence should be suspended or revoked. In doing so they will follow the above procedure.

3.3 The representative from Legal Services is present to provide legal and procedural advice to the members of the Panel and to assist in the clarification of any issues which might arise.

3.4 The representative from Democratic Services is present to provide procedural advice to members of the Panel and to record the decision.
4. BACKGROUND

4.1 The Council’s Licensing Panel has been given delegated authority to deal with the following applications:

4.2 In carrying out its licensing function, the Licensing Authority will promote the four Licensing Objectives. These are the only matters to be taken into account when determining an application. The four Licensing Objectives are:

- Prevention of Crime and Disorder;
- Public Safety;
- Prevention of Public Nuisance; and
- Protection of Children from Harm.
4.3 The Licensing Policy is about the regulation of licensable activities and as such is focussed on the direct impact of activities taking place on or in the vicinity of those premises. It is not a mechanism for controlling general nuisance unconnected to the Licensing Objectives.

4.4 The Council has, apart from the above, delegated power to determine applications, renew, suspend or revoke existing licences and consents to the Director of Environment Culture and Communities. The Director has in turn delegated such authority to officers within the Department.

4.5 Whilst officers have delegated authority there will be occasions where it is considered appropriate to refer the matter to the Licensing Panel. Specifically the Licensing & Safety Committee at its meeting on 12 March 2003, resolved to receive representations from applicants for either a licence or a consent where under delegated powers the applicant has been advised that a refusal or revocation is likely.

4.6 Where the application is being considered for refusal, having exhausted all options for negotiating an acceptable solution, the applicant is invited should they wish to present their case to the Panel. This request must have been made in writing within 21 days following receipt of a letter from the Council offering the opportunity of a hearing. If the applicant or licence holder fails to comply with this requirement or declines the offer, the matter will be dealt with under delegated authority.

4.7 Where an application is refused or a licence/consent is suspended or revoked by the Panel the applicant may have a right of appeal to the courts under the relevant provisions of the legislation and the Panel will inform the applicant within their decision letter.
LICENSING ACT 2003
HEARINGS – Right of Attendance, Assistance and Representation

15. Subject to regulations 14(2) and 25 in relation to hearings taking place in public and the right for the Chairman to ask a person attending the hearing to leave the room, a party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified to do so.

LICENSING ACT 2003
HEARINGS – REPRESENTATIONS AND SUPPORTING INFORMATION

16. At the hearing, a party shall be entitled to:
   - In response to a point upon which the Panel has given notice to a party that it will want clarification under regulation 7(1)(d), give further information in support of their application, representations or notice (as applicable).
   - If given permission by the Panel, question any other party.
   - Address the Panel.

17. Members of the Panel may ask any question of any party or other person appearing at the hearing.

18. In considering any representations or notice made by a party, the Panel may take into account documentary or other information produced by a party in support of their application, representations or Notice, (as applicable), either before the hearing or, with the consent of all the other parties at the hearing.

19. The Panel shall disregard any information given by a party or any other person to whom permission to appear at the hearing is given by the Panel which is not relevant to:
   - their application, representations or notice, (as applicable); or in the case of another person, the application representations or notice of the party requesting their appearance, and
   - The promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the crime prevention objective.
LICENSING ACT 2003
HEARINGS – CONSEQUENCES WHERE A PARTY DOES NOT ATTEND, OR IS NOT
REPRESENTED AT A HEARING

20. (1) If a party has informed the Authority that he does not intend to attend, or be
represented at, a hearing, the hearing may proceed in his absence.

(2) If a party who has not so indicated fails to attend, or be represented, at a
hearing, the Authority may:

(a) where it considers it to be necessary in the public interest, adjourn the
hearing to a specified date, or

(b) hold the hearing in the party's absence.

(3) Where the Authority holds the hearing in the absence of a party, the Authority
shall consider at the hearing, the application, representations or Notice made
by that party.

(4) Where the Authority adjourns the hearing to a specified date, it must,
forthwith, notify the parties of the date, time and place to which the hearing
has been adjourned.
1 APPLICATION DETAILS

1.1 On 21 December 2016 an application was made by Greene King Retailing Ltd to vary the premises licence for the Rose and Crown, Woodside. The application is attached at Annex A and the proposed plan at Annex B. For reference, the existing licence and plan are attached at Annex C and Annex D.

1.2 The application is to change the layout of the premises in accordance with the proposed plan, with a summary of the changes as follows:
- Amendments to fixed seating
- Removals of internal structure to create a larger trading area
- New French doors to the rear of the pub to create a rear courtyard garden
- The licensable area has been extended to include the entire outdoor area

1.3 The following conditions have been proposed to be added to the licence:
- All outdoor areas will be monitored periodically when regulated entertainment is taking place
- Licensable activities will cease at 23:00 outdoors.

2 REPRESENTATIONS RECEIVED

2.1 During the period for making representations, from 21 December 2016 to 18 January 2017, five representations were received in respect of the application. These representations are attached at Annexes E to I.

2.2 In addition to the five representations received, concern was raised by the Thames Valley Police Licensing Officer regarding the wording of the proposed condition relating to monitoring of noise from the premises.

2.3 Following discussion with the applicant’s agent, the Thames Valley Police Licensing Officer confirmed they would be happy for the application to proceed based upon the following conditions being added to the licence:
- The external areas of the premises shall be monitored by the DPS or a nominated person every 30 minutes from the start of any regulated entertainment and for a further 30 minutes after the permitted closing time of the premises, to ensure there is no noise which is likely to cause a nuisance to local residents.
- All external monitoring and actions taken as a result of such monitoring shall be recorded and made available to authorised officers on request.

2.4 Although these conditions have been agreed by both Greene King’s agent and the Thames Valley Police Licensing Officer, they must be approved by the panel before they can be added to the licence.

3 SUPPORTING INFORMATION

3.1 A map showing the location of the premises is attached at Annex J. This map also shows the location of those who have made representations.
3.2 Mediation was offered to the applicant and the individuals who made representations. This is scheduled to take place on 02 February 2017, after the deadline for publication of this report. An update will be provided on the result of the mediation at the Panel hearing.

4 RELEVANT BRACKNELL FOREST BOROUGH COUNCIL POLICIES

4.1 In determining applications, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned (2.5).

4.2 The Council, as Licensing Authority, recognises that conditions attached to licences will be focused on matters which are within the control of individual licensees (2.7).

4.3 If it is reasonably considered that the licensing objectives cannot be met unless additional specific conditions are attached, then the Licensing Authority may consider attaching those which are appropriate for the promotion of the licensing objectives, proportionate to the individual style and characteristics of the event or premises concerned. (11.3)

5 RELEVANT NATIONAL GUIDANCE

5.1 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation. (9.36)

5.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
   a) the steps that are appropriate to promote the licensing objectives;
   b) the representations (including supporting information) presented by all the parties;
   c) the Guidance issued under section 182 of the Licensing Act 2003; and
   d) its own statement of licensing policy. (9.37)

5.3 The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. (10.8)

5.4 Licensing conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. They should be proportionate, justifiable and be capable of being met. (1.16)

6 RECOMMENDATION

6.1 The Licensing Authority must, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives, either:
   a) to grant the licence subject to the conditions as proposed, or
   b) to grant the licence subject to modified and/or additional conditions, or
   c) to grant the licence but exclude any of the licensable activities sought, or
   d) to reject the application.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.

Dear Charlie

Further to our recent correspondence regarding the above.

As an immediate neighbour of this pub I would like the following representations to be taken into account when looking to alter the license of this venue:

1. No outside music events or beer festivals, music festivals or sales. Any music events inside the pub to be regulated and local residents notified within 7 days.

2. Any reduction in the parking to make way for diners/drinkers to be put forward to planning as this is a green belt area and planning should be sought.

3. All outside activity to cease at 23:00 hrs. Eating, drinking and talking included in this.

4. The smoking area is currently at the front of the building and closest to private houses. If this is moved to another side or the back of the pub it will be quieter and more agreeable to us on Woodside Road.

I would like to request that the above be taken into account and put before a Licensing Panel; however, I am out of the country on that date and would need for this to be presented by Proxy and would hope that this can be put forward on my behalf by the Council.

As previously mentioned, our concerns for the pub are based on previous tenants ... ie. an illegal book being run at this pub; and more recently lock ins and loud unruly behaviour from the clientele. Again, I reiterate we wish to support a local business that is in keeping with this Hamlet and feel it is the responsibility of the council to see that this is met.

The residents would have been happy to meet with Greene King and their Client to discuss our concerns and listen to what they have planned however, Greene King have not invited this.

Thank you for your support.

Kind regards

I would like to object to the proposal detailed in your letter of the 22\textsuperscript{nd} December 2016 with respect to the extension /development of the Rose and Crown, Woodside Road, Winkfield, Windsor, SL4 2DP.

PUBLIC SAFETY
Woodside is a small area with narrow roads and with little parking facilities for the residents. A proposed ‘larger trading area’ and a new outdoor capacity to the rear will inevitably increase the volume of customers. Currently there are only 10 or so parking spaces at the Rose And Crown and the increase in popularity over the past few years has created parking problems due to the overspill of cars and small coaches on to the public highway and on to the verges which were grass and now mud pits with deep ruts especially during party events and Ascot race days. This is exacerbated by local horse boxes and delivery trucks passage being blocked and them having to find a way through with reversing being impractical/dangerous especially at weekends. This proposal will increase the current issue of SAFETY especially with the large children’s play area /park fronting directly to the road.
In addition the proposed rear ‘court yard’ would be small and narrow being trapped by backing on to the kitchens and between a fence and should there be a fire escape would be restricted.

ENVIRONMENTAL NOISE (OPERATIONAL/ENTERTAINMENT)
Being a small hamlet the issue of open air entertainment (parties and bands) would expand the opportunity to encourage more clientele and annoying activities spoiling the current tranquillity of the area.
The expansion would also mean more meals with more extractor fans. (The current quantity of extractor fans into the late evenings is annoying)

Please take my concerns in to consideration before making a decision. -

Dear Charlie,

I had a telephone conversation with you yesterday re the above and as you suggested I am writing to you with my concerns.

My major concern is the proposed change to the Licensable area to include the entire outdoor area. I find this proposal extraordinary, Woodside as you are aware is a small Hamlet with 2 Public Houses, adjacent both the Public Houses are peoples homes barely feet away and to suggest that it would be acceptable to have an external Bar available until 11pm where you have families living in such close proximity is unacceptable and falls into the category of a licensing objective for public nuisance.

As you are aware parking is very limited at The Rose and Crown and with Woodside Rd being a single track Rd should the Rose and Crown have regular events outside, for example Live music/Beer festivals which were widely publicised and attracted large numbers surely that is a licensing objective for public safety issue, please also note there is no Public Transport available in the area, and the nearest Taxi Rank is Ascot station.

Surely there should be some consideration given to the location where this type of license should be applied and I feel very strongly for the reasons above that a small village like Woodside is totally inappropriate.

Kind Regards,

Dear Charlie Fletcher

Re: Proposed License change to the Rose and Crown, Woodside

I have only just learned from neighbours about the proposed changes to one of my local pubs. I am surprised that I did not receive any formal notifications from Bracknell Forest BC about this matter, but I understand that I have until tonight to voice my concerns.

As you must know, Woodside is a very small area, made up entirely of houses except for two pubs in close proximity on a narrow part Woodside Road. We already have a bad car parking situation in that neither pub has a car park large enough to accommodate all the cars: at times I can hardly get past cars parked all along the verges of the road, and those houses and cottages immediately adjacent to the pubs have an even harder time. I have been told this is a "highways" matter, however I state it here as a preamble to my concerns about the licensing proposal.

The only reason I can see for the request to change the current licensing arrangements -ie to alter them in order to allow "outdoor bar facilities" , is to cater for outdoor parties and events, and this I object to on the grounds that it would be a public nuisance to the surrounding area. This pub is on a very small road closely surrounded by houses and cottages who already suffer from the noise of parties and music played inside the pub, and the noise of people leaving, and car doors slamming at closing time. Adding an outdoor bar and event license is unfair to the residents of Woodside: it will allow, and it would attract more noise in a very small village, more cars in an already overly-congested lane. The indoor space of The Rose and Crown is adequate for most events and parties: we do not want bars dispensing alcohol and music live or taped, to be outside the pub.

I object strongly that it would be a public nuisance and hope you will not allow the proposed license change.

Sincerely,

18\textsuperscript{th} January 2017

Dear Charlie

\textbf{Re: Licensing Act 2003}
\textbf{Application to Vary the Premises Licence for the Rose and Crown, Woodside Road, Winkfield, Windsor SL4 2DR}

I write with reference to the above application, your letter of 22\textsuperscript{nd} December 2016 and my subsequent telephone conversation with you in the New Year.

My concerns regarding the changes to the licensing are; increasing the licensed area and the allowance of outdoor activities which includes live music.

1. The increased licensed area I understand to be, that it would be possible for the pub to set up a bar outside the actual building for the service of drinks, this could include a beer festival. This would increase the level of outside activity and as a result the level of noise for local residents. In the past this has been so loud as to not to be able to sit in your own garden in good weather and hold a conversation. I find this unacceptable.

2. Live music has been a problem with the last licensees, causing considerable disturbance to nearby residents and in fact audible for the whole of the hamlet of Woodside. I note that the police have now stipulated that such an event should be monitored by a nominated person every thirty minutes from the start and following the permitted closing time. This will be rather subjective monitoring as to what would be considered an unacceptable level of noise that would affect local residents as I presume that this would be monitored by a member of staff.

3. Whilst the problems with noise and late night disturbance from the punters at the Rose and Crown in the past have caused great distress to the residents, it took the intervention of yourself and others to partly resolve the problem. Local residents are keen that we do not need to go down that route in the future and that the new licensees appreciate that Woodside is a quiet rural hamlet and not a city centre where such previous behaviour may be expected.
Whilst I appreciate that not all these aspects come under your jurisdiction they do overlap with other departments and an appreciation by the council of the affect that a pub’s disturbance can have on what is otherwise a peaceful and rural hamlet cannot be underestimated.

Woodside Road is very narrow and with several sharp bends where, in places, two cars cannot pass side by side. The traffic and associated parking from the two pubs has increased ten fold in the last few years causing great distress to myself when frequently I cannot even access my own drive. There has been no appreciation of this problem by the Rose and Crown. If there should be increased events and activities at the pub then it is inevitable that this will increase the need for parking. This should be a consideration for the new owners when planning the pub.

Whilst the renovation of the building will be good for the village the aspects of an increased licensed area and outdoor activities including live music would be adverse and to be a great concern to me. Whilst there are facilities for local residents to complain to the council about noise, unacceptable behaviour outside, including the road beside the pub from their punters, I feel that more should be done to prevent the need for us to have to complain and to have a good relationship with the new owners and licensees.

Yours sincerely
