LICENSING PANEL 9 January 2019

LICENSING ACT 2003 MCDONALDS, HIGH STREET, BRACKNELL APPLICATION FOR NEW PREMISES LICENCE (Chief Officer: Environment and Public Protection)

1 APPLICATION DETAILS

- 1.1 On 13 November 2018 an application was made by McDonald's Restaurants Limited for a new premises licence for the above mentioned premises. The application is attached at **Annex A** and the proposed plan at **Annex B**.
- 1.2 The application is for the following licensable activities:
 - Late night refreshment (indoors and outdoors) 23:00 - 00:00 Monday to Sunday
- 1.3 It is proposed for the premises to be open to the public from 06:00 - 00:00 Monday to Sunday.

2 SUPPORTING INFORMATION

- 2.1 A map showing the location of the premises is attached at **Annex C**.
- 2.2 It is noted that there are no mandatory conditions for premises which are only licensed for late night refreshment. Therefore, should a licence be granted, the conditions attached would be consistent with those proposed within the operating schedule included within the application form.

3 REPRESENTATIONS RECEIVED

- 3.1 During the period for making representations from 14 November 2018 to 11 December 2018, two representations were received in respect of the application, both from local residents. These representations are attached at **Annex E** and **Annex F**. Concerns are raised regarding the potential for public nuisance as a result of the application.

4 MEDIATION

- 4.1 An offer of mediation has been made to the two parties who have made representations. Should the mediation process resolve the concerns that have been raised the parties can withdraw their representations at any time. An update on the mediation process will be provided to the panel at the hearing or a supplementary report may be circulated in advance.

5 RELEVANT BRACKNELL FOREST BOROUGH COUNCIL POLICIES

- 5.1 In determining applications, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned. (2.5)
- 5.2 The Council, as Licensing Authority, recognises that conditions attached to licences will be focused on matters which are within the control of individual licensees. (2.7)
- 5.3 If it is reasonably considered that the licensing objectives cannot be met unless additional specific conditions are attached, then the Licensing Authority may consider attaching those which are appropriate for the promotion of the licensing objectives, proportionate to the individual style and characteristics of the event or premises concerned. (11.3)

6 RELEVANT NATIONAL GUIDANCE

- 6.1 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation. (9.37)
- 6.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
- a) the steps that are appropriate to promote the licensing objectives;
 - b) the representations (including supporting information) presented by all the parties;
 - c) the Guidance issued under section 182 of the Licensing Act 2003;
 - d) its own statement of licensing policy. (9.38)
- 6.3 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations. (9.4)
- 6.4 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. While this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters. As with the consideration of licence variations, the licensing authority should consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination. (9.44)
- 6.5 The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. (10.8)
- 6.6 Licensing conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. They should be proportionate, justifiable and be capable of being met, and they should not replicate offences set out in the 2003 Act or other legislation. (1.16)
- 6.7 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter. (2.15)
- 6.8 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse

effects of artificial light, dust, odour and insects or where its effect is prejudicial to health. (2.16)

- 6.9 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate. (2.18)
- 6.10 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave. (2.19)

7 RECOMMENDATION

- 7.1 The Licensing Authority must, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.
- 7.2 As per section 18(4) of the Licensing Act 2003, the available steps are:
- a) to grant the licence subject to the conditions mentioned in the application operating schedule, modified (by adding, omitting, or amending any condition) to such extent as the authority considers appropriate for the promotion of the licensing objectives, and any applicable mandatory conditions;
 - b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
 - c) to reject the application.

Operating Schedule

General

This restaurant understands that in extending our opening hours we have a duty to the local community and that we continue to protect our staff and customers from danger and harm. We believe that the systems we have in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that no McDonald's restaurant within the United Kingdom serves alcohol and further none of our drinks or food are served to customers in glass receptacles.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours.

Prevention of Crime and Disorder

This restaurant is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

McDonald's operates a robust CCTV Policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

McDonald's operate digital motion activated CCTV systems where images are retained on a hard drive system. All CCTV equipment is of a standard suitable to record images of a proper quality, it meets the industry standard and has LGC Forensics or Kalagate Certification. As part of the digital system an alarm will sound if the equipment is faulty or not recording, thereby alerting management for the need to intervene. The CCTV system is regularly serviced by qualified maintenance technicians.

Access to the CCTV system will be provided to Police Officers at their request.

Staffsafe

A Staffsafe™ system with both audio and visual monitoring capability will be installed in the restaurant, this system, can be activated by either fixed or mobile panic buttons. Once activated the system links the restaurant to an external monitoring centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers.

At this restaurant all shift managers have safety and security training; including Maybo SIA accredited Conflict Management Training.

Public Safety

This restaurant is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.

This restaurant has safety systems in place to protect the safety of customers and staff at all times (such as Staffsafe). We work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation. This restaurant is also subject to inspections from our own safety and security teams to ensure our systems are being maintained.

All of our restaurant staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the restaurant's evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

Public Nuisance

Litter

McDonald's were the first company in our sector to introduce litter patrols in the early 1980's. McDonald's is committed to carry out litter patrols collecting both McDonald's packaging and any other litter that has been carelessly discarded. We are happy to act on recommendations from the Environmental Health Officer should they feel that we should extend our patrol to a nearby area, as far as this is reasonably practicable.

All of McDonald's packaging displays the "Bin It" symbol to encourage our customers to deal with their waste responsibly. Further details regarding McDonald's commitment to reducing waste and litter nuisance can be found at the "Our World" section of the McDonald's website:
<http://www.mcdonalds.co.uk/ourworld/environment/policy.shtml>

Noise

Where it is practical to do so we are content to put measures in place to limit noise. All McDonald's restaurant doors are self-closing and we try to encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

The Protection of Children from Harm

McDonald's do not anticipate that unaccompanied children will use the restaurant in the extended hour's period covered by this licensing application. We do however take their safety extremely seriously and will continue to employ the same practices to ensure that they are protected from harm at all times when visiting the restaurant.

Dear Charlie Fletcher

I am writing to you with regards to McDonald's application for new premises licence. My name is [REDACTED], I live at [REDACTED] Ferriby Court in town centre along with my partner, [REDACTED] who is registered disabled and whom I care for. As it is with the existing McDonald's, every Friday and Saturday night, and sometimes other nights, there are groups of youths hanging around outside being loud and abusive to people passing by including myself and occasionally my partner late at night. We have no choice but to go out as my partner has a dog who regularly needs walking. My partner occupies the front bedroom overlooking the new McDonalds site, (we do not share a bedroom) and has trouble sleeping as it is without groups of loud youths until early hours. We are totally against the new premises being open until midnight and ask that our objection is taken seriously. We look forward to hearing from you in the very near future.

Regards

[REDACTED] and [REDACTED]

Hi I am a resident at Ferriby court , myself and many other tenants are not happy about where the new McDonald's is situated, we have before had letters to advise of what's opening but not this time. We all object to the new restaurant and the late opening, it's bad enough where the old one is hearing gangs of kids shouting and gathering in gangs running riot in the high street and now we will have it all on our doorstep, it's bad enough with noise, we get no peace and can't relax in our own homes because of noise, now we feel this is going to increase , noise rubbish gangs of kids , as well with it having an upstairs residents facing it will now have no privacy with people being able to look straight in to our homes , if we had been consulted we would never of wanted this on our doorstep, it's stressful enough having to walk through past kids intimidating you to now have them hanging around right outside and they will be sitting on our stairs and coming up , we can see this all unfolding in to a living nightmare . We all have concerns and know that previous times police have been called and nothing has happened no one turns up, no lexicon staff past 6/7 pm stoping the bad behaviour and disturbing the peace by these kids or stopping cyclists skateboarders etc...seems we at Ferriby court have a constant battle to have a small bit of privacy now we have none and will have these gangs, more of the public outside our homes it's just not on and not acceptable to have it open so late with residents who live right opposite !!!

Regards
