Dear Liz

On page 30 on the pack ,I would like to see what part of the law states that "Any comparison could not be drawn to other street trader unit or premise license as each case was unique to the location and must be determined on its own facts and merit" I would like see whereabouts in the law states this or in Bracknell Forest council.Please send me the copy of this law or policy to me. I would be grateful.

The laws even takes similiar examples or case studies for making decision regarding similar issues.

I do not agree not to be able to make comparisions regarding different different street trading. I think this way my business treated inequally.

Thanks

Mrs. Bunker

Ps. Can you add this in the pack as well please
