

**TO: ADULT SOCIAL CARE, HEALTH AND HOUSING
OVERVIEW AND SCRUTINY PANEL
5 JUNE 2018**

**Development of Overview and Scrutiny Work Programme 2018-19
(Director of Resources – Democratic & Registration Services)**

1 PURPOSE OF REPORT

- 1.1 This report seeks agreement of the topics for inclusion in the Panel's work programme for 2018/19.

2 RECOMMENDATIONS

- 2.1 **That the pre-existing Task and Finish Groups be reviewed for inclusion in the 2018-19 work programme if relevant;**
- 2.2 **That topics be agreed from the proposed list of topics which have been prioritised by members of the Panel as set out in paragraph 5.4; and**
- 2.3 **That membership for proposed Task and Finish Groups is agreed.**

3 REASONS FOR RECOMMENDATIONS

- 3.1 The Commission and its Panels have previously developed a work programme to respond and support the Council's strategic plans in order to focus on what matters for Bracknell Forest and carry out its five broad functions:
- Holding the Council's Executive and its statutory partners to account in the public interest.
 - Supporting the development of effective policies and initiatives which have a beneficial impact on the community through policy review and development.
 - Contributing to continuous improvement in services through performance monitoring.
 - Having a positive impact on the work and outcomes of external agencies and providers of public services.
 - Aiding Councillors in engaging with their communities and playing their role of community representatives and leaders.

4 ALTERNATIVE OPTIONS CONSIDERED

- 4.1 The Commission and its Panels could decide not to develop a work programme which could lead to unfocused activity and make planning support for the Commission and its Panels challenging.

5 SUPPORTING INFORMATION

5.1 During 2017-18 the Overview and Scrutiny support team underwent a series of significant changes and a new Governance and Scrutiny team is now in place. The 2017-18 Overview and Scrutiny Chairmen and Vice-Chairmen met with the new team to discuss the focus for the final year of the current administration before the 2019 elections. They agreed the following parameters for the 2018-19 work programme:

- Budget scrutiny to be included in each Panel's programme
- All Task and Finish Groups to be concluded by the beginning of February 2019 to enable recommendations to be referred to the Executive as required before the run up to the election
- All Task and Finish Groups since 2015 to be reviewed to evaluate their impact, assess whether recommendations were implemented and follow up investigations as appropriate

5.2 As part of the discussions it was agreed that the Governance and Scrutiny team should review the scoping process for Task and Finish Groups and where appropriate trial alternative approaches to undertaking them. Single workshops, public consultation, collaborating with other local authorities or partners would be considered alongside the existing longer research based approach.

5.3 The Chairmen and Vice-Chairmen also agreed the process for finalising the Overview and Scrutiny work programme which would enable each Panel to develop its own programme following a consultation process. Members, substitutes, co-opted members, relevant Director and relevant Executive Members were asked to propose two topics for inclusion on the programme. These were collated and the 2018/19 Members, substitutes and co-opted members of each Panel were asked to prioritise the topics: within the parameters set out above whilst also considering which of the Council's strategic themes were supported.

The strategic themes are:

	Value for money		People live active and healthy lives		Strong, safe, supportive and self-reliant communities
	People have the life skills and education opportunities they need to thrive		A strong and resilient economy		A clean, green, growing and sustainable place

Unrestricted

5.4 The results of the consultation for the Panel are set out below:

Topic	Strategic theme	Consultation response (lowest score was prioritised highest)
Adult Social Care transformation as it relates to Integrated Care System	 	15
Effects of Social Media on Children and Young People's Health	 	26
How Doctors, Nurses and other Healthcare Professionals are recruited and trained	 	30
Integrated Care System and in particular how it inter-relates with the relevant Council services, and its governance	 	18
Mental Health including Child and Adolescent Mental Health Services (CAMHS) and as it relates to Integrated Care System	 	18
Reviewing performance in Clinical Commissioning Group on their assurance on local performance		24
Obesity		29
Work on the governance and decision making of the Integrated Care System to inform a fuller understanding		26
Workforce challenges in Health and Adult Social Care		22

5.5 In addition the Overview and Scrutiny Panel Merger Working Group considered that it would be important to undertake an induction process to support the new Adult Social Care, Health and Housing Overview and Scrutiny Panel members to become effective. The Overview and Scrutiny Commission agreed that the new panel's operation was reviewed after a year so it will be prudent to capture members' feedback throughout the year to support this future activity.

5.6 The work programme will continue to support the Transformation Programme and members of Overview and Scrutiny will be encouraged to participate in the Gateway Review process. There will continue to be scope to respond to emerging issues both locally and nationally as well as respond to consultations as appropriate.

- 5.7 At the start of this municipal year there were two Task and Finish Groups which had been initiated but remained incomplete. The new team has been working with lead members to understand the scope of work remaining and the panel should review the topic for inclusion in the work programme if still relevant.

Task and Finish Group	Lead Member	Current Status
Primary Care Patient Experience	Councillor G Birch	Following up the GP survey the Working Group have sent out questionnaires to nominated surgeries and are in the process of collating the qualitative responses to identify good practice.
Housing Strategy and Supply	Councillor Peacey	The Housing Strategy was approved by the Executive on 13 March 2018. The Working Group plans to visit other local authorities to feed into the next review of the strategy.
