Adult Social Care, Health & Housing Overview and Scrutiny Panel From Minutes of Meetings

Key: Grey = Action Complete

Action/Information Request	Response
<p>(From 5 June Meeting) Item 10. Development of Overview and Scrutiny Work programme. It was agreed that the current task and finish groups, The Primary Care Patient Experience Task and Finish Group and the Housing Strategy and Supply Task and Finish Group should be included in the next work programme.</p>	<ul style="list-style-type: none"> • The Housing strategy for Bracknell Forest was approved in March 2018. It remains unclear how the Housing Strategy and Supply Task and Finish group can contribute. The Chairman of the Adult Social Care, Health and Housing Overview and Scrutiny Panel has asked that this working group be closed. • On 17 January 2019, Kirstine Berry, Governance and Scrutiny Co-ordinator advised that the last meeting for Primary Care Patient Experience Task and Finish Group was an analysis meeting on 4 January 2019 between the Lead member and the Head of Business Intelligence. Analysis (qualitative and quantitative) of the GP Survey responses collected by the full working group is complete and the lead Member is working with the Head of Business Intelligence to decide and progress the next steps to produce 2 video shorts.
<p>(From 24 July Meeting) Item 20. Healthwatch Bracknell Forest Annual Report 2017-2018 Members to raise awareness amongst residents about the need to opt in to Healthwatch if they wished to continue receiving updates.</p>	<ul style="list-style-type: none"> • At the Adult Social Care, Health and Housing Overview and Scrutiny Panel meeting on 15 January 2019, Members confirmed that they had raised awareness amongst residents about the need to opt in to Healthwatch if they wished to continue receiving updates.

Action/Information Request	Response

<p>(From 15 January 2019 Meeting) Item 42. Quarter 2 Quarterly Service report (QSR)</p> <p>It was observed that there was an underspend on the Public Health Grant (Page 79) and that nationally there were on average 180 operations per day performed in hospital to extract teeth from young children and teenagers. (unreferenced) A question from a Member asked how many multiple</p>	

Action/Information Request	Response																								
<p>extractions were performed on children and teenagers within Bracknell Forest and whether Bracknell Forest had a prevention programme.</p> <p>ACTION: Nikki Edwards, Executive Director: People to reply to these two questions.</p>	<p>On 23 January 2019 Chris Stannard, Public Health Programme Manager advised:</p> <p>1. How many multiple extractions were performed on children and teenagers within Bracknell Forest</p> <p>Data is available for total number of extractions performed in hospitals only, not in dental practices, as follows:-</p> <table border="1" data-bbox="645 571 2063 756"> <thead> <tr> <th>Time period</th> <th>Age 0-4 years</th> <th>Age 5-9 years</th> <th>Age 10-14 years</th> <th>Age 15-19 years</th> <th>Total</th> </tr> </thead> <tbody> <tr> <td>2014/15</td> <td><6</td> <td>9</td> <td>28</td> <td>20</td> <td>Not disclosed</td> </tr> <tr> <td>2015/16</td> <td><6</td> <td><6</td> <td>16</td> <td>22</td> <td>45</td> </tr> <tr> <td>2016/17</td> <td><6</td> <td><6</td> <td>23</td> <td>20</td> <td>52</td> </tr> </tbody> </table> <p>Public Health England - Dental Public Health Intelligence Programme (2018); Hospital Episodes for extraction of one or more primary or permanent teeth for 0 to 19 year olds, 2011/12 to 2016/17</p> <p>There is no data available on the number of multiple extractions.</p> <p>2. Whether Bracknell Forest had a prevention programme</p> <p>The children's centres operate a toothbrush exchange scheme. Children are encouraged to bring their old toothbrushes in and receive a brand new one in return alongside some literature for promoting good oral health. We also run Fantastic Food Finders which is a healthy eating programme but covers sugar in drinks and oral health, this is targeted to parents. Vulnerable families are often given the toothbrushes as a gift on home visits so we catch those who do not regularly visit centres or who would forget to exchange their toothbrush.</p> <ul style="list-style-type: none"> The public health team raise awareness with parents/carers via social media in support of national campaigns, such as the recent PHE Sugar Swap campaign and the upcoming World Oral Health Day on 20 March.
