**Sources of Information:**

Local shopkeeper has reported URN 754 03/01/2018 which is report of street drinkers on the bench outside his premise. On attendance by PCSO C8688 Darby-Shearing and PC 429 May he has been very frustrated by the ongoing issue and lack of action to the point of being abusive to PC May. Another business owner from [REDACTED] has shown us photographs on her phone (these are attached to my email) showing the street drinkers there from 1100 till 1500 that day drinking from cans and with a bottle of vodka all purchased from Bracknell Wines. One of the males shown in the photos drinking alcohol there all afternoon has gone on to become verbally abusive and aggressive within the High street to a group of youths outside McDonalds. PC May and PCSO Darby-Shearing have attempted to control this situation but have had to withdraw due to potential violence displayed by the male to police and back up being a long way off. On arrival of other officers it has taken several to take control of the male and 2 have been assaulted in the process. Male has to be both captured and tasered. This situation escalated to this point due to the male having been able to sit outside Bracknell wines and drink alcohol to the level where he has lost control. URN 869 03/01/2018 refers.

Premise were asked for their CCTV at the time of our attendance and the shop keeper did not know how to use the system to allow us access to it, I believe this is a breach of the terms of their license.

PC 429 May has taken details from [REDACTED] ([REDACTED] business owner). the photos have been sent to PCSO C8688 Darby-shearing.
