

Welcome to Bracknell Forest Council's

Council Plan 2019 to 2023

The Borough of opportunity

Your Council's plan sets out our key objectives for the period 2019 – 2023. It is based upon the pledges made to residents in the 2019 local election.

The plan focuses on the things that matter most to our residents and is at the heart of everything the Council does.

In challenging times, residents can be assured the Council will provide the strong leadership, financial stability and strong corporate governance to ensure that core services are maintained.

A key objective is to ensure that Bracknell Forest stays prosperous and remains a good place to live, work and play.

We will work with other organisations to deliver good quality local services in a joined up and “person-centred” way.

Bracknell Forest is a place where diversity and cultural heritage are recognised as a strength. We will encourage vibrant local groups and work to ensure everyone feels connected and able to actively participate.

We recognise we spend your money. We will prioritise spending wisely based upon clearly identified needs targeting in particular:

- Reducing our impact on climate change.
- Ensuring early help is available for our most vulnerable residents to keep them safe and to help them remain independent whilst avoiding loneliness and isolation.
- Reducing homelessness.
- Developing all age learning and life skills.
- Maintaining value for money.

To deliver on all our objectives, we have focused our Council plan on six strategic themes.

The Council's annual delivery plans are derived from the Council plan and will be monitored openly against a number of key performance indicators.
