

Extracts from Bracknell Forest Council Ofsted Children's Services Report 2017

“Elected members have high aspirations for children looked after and care leavers. Aspirations are translated into concrete action to improve children and young people's lives, for example exempting care leavers living in Bracknell Forest from paying council tax.

Corporate parenting arrangements are very strong, and purposeful engagement with children ensures that their views are well understood. The work of the Children in Care Council, 'Say it loud, say it proud', is outstanding. It champions the views of all children looked after and care leavers, and has a real influence which results in positive change for children looked after. “
