## Agenda item 5 – Deputation

Bracknell Extinction Rebellion calls on the Council to:

- Declare a Climate and Ecological Emergency (CEE)
- Pledge to make Bracknell Forest carbon neutral by 2025, taking into account both production and consumption emissions
- Call on Westminster to provide the powers and resources to make the 2025 target possible
- Work with other governments (both within the UK and internationally) to determine and implement best practice methods to limit Global Warming to less than 1.5° C
- Make action on the CEE part of all of the Council's strategies and plans, working with partners across the town and region to deliver this new goal
- Report to Full Council within six months with the actions the Council will take to address this emergency

## Executive Report 15 January 2020

Councillor Paul Bettison  
Leader of the Council

## Financial Plans 2020/21

- Draft revenue and capital plans agreed for consultation
- Overview & Scrutiny discussion 9 January
- All other contributions welcome
- Full debate at February meeting

## Blue Mountain Community & Health Care Hub

- Community Centre agreed as part of planning obligations for Blue Mountain development
- £2.4m funding agreed
- Long term aspiration to enhance facilities with CCG to provide integrated health centre
- National Health England funding not agreed for the project
- Executive agree to forward fund the full facility subject to the CCG agreeing a long term lease to cover the overall capital cost

## Other Items

- Agreed to offer direct cremations at Easthampstead Park Cemetery & Crematorium
  - No service, no mourners facility for undertakers
- Corporate Performance Overview
  - Progress against key objectives:
    - 86% green
    - 14% amber

THANK YOU

*Paul*

**Agenda item 7 – Recommendation 2.1**

**That the Council agree the Pay  
Policy Statement for 2019/20**

**Council  
15 January 2020**

## **Agenda item 8 - Question**

The Market is now located in Braccan Walk and will remain there. This is also the location of the Bracknell War Memorial. This memorial- an angel- is made of limestone and is fragile. It cannot be frequently deep cleaned because of erosion. Every market day, it is now surrounded by food vans pouring out diesel and fat fumes. Can the Council, working with relevant partners, investigate the relocation of this monument, or if it is too fragile to move, the provision of an alternative in a more suitable location?

**Council**  
**15 January 2020**

## **Agenda item 9 – Motion 04/2019**

In support of this Council's commitment to eradicate our net contribution to climate change by 2050, I ask the Council to call upon the Executive to ensure that all future Council planning applications include an assessment of their impact on the Council's carbon footprint and include measures to mitigate any increase.

**Council  
15 January 2020**
