22 December 2011

Dear Mr Wheadon

### **LOCAL TRANSPORT SETTLEMENT 2012/13**

As trailed in my letter of 14 December I am writing to confirm that the capital block funding for highways maintenance and small transport improvement schemes for your authority for 2012/13 are as set out Nick Bisson's letter of 13 December 2010. If you wish to vire this funding between local authorities, the Department will need to be advised by the end of January of the financial year before you require these arrangements to take place.

This funding will be provided as capital grant (not supported borrowing) and is not ring-fenced. Both block allocations are calculated through a needs-based formula and the allocation for your area is given in the attached Annex A. Draft grant conditions are provided at Annex B for information and the Grant Determination and conditions will be sent in to you in March 2012 when any requested changes to the indicated allocations have been confirmed. The Department has published explanatory notes for the integrated transport and highway maintenance block formulae, as well as the individual local authority raw data used within both formulae, at:

Please contact the Local Transport Funding team at [LT.PLANS@DFT.GSI.GOV.UK](mailto:LT.PLANS@DFT.GSI.GOV.UK) or on 0207 944 2249 for queries relating to the capital block funding allocations outlined in this letter or any other matter.

Yours sincerely,

**Mostaque Ahmed**
