1. Introduction and application of Standing Orders

These Contract Standing Orders set out the framework for the procurement of supplies, works and services. They are an essential set of rules and compliance with them will ensure that officers both seek and obtain good value for money and that public money is properly spent and accounted for. **These Standing Orders apply to all contracts for the procurement of supplies, the provision of services (including adults and children’s care services) or the execution of works by the Council or on its behalf.**

- 1.1 In any procurement where quotations or tenders are required no matter what the value may be, officers must always apply procedures that allow a fair and non-discriminatory competitive process, and equal treatment of all potential suppliers and contractors.
- 1.2 Contracts must not be artificially split to avoid the application of the key thresholds contained in these Standing Orders.
- 1.3 Officers dealing with the procurement of standard or repetitive supplies and services should always consider the use of Framework Agreements and

corporate contracts and should seek guidance from the Head of Procurement or from the Borough Solicitor.

1.4 These Contract Standing Orders do not apply to the following:

- A contract for service for the employment of staff by the Council
- The engagement of Counsel
- The acquisition disposal or transfer of land or an interest in land and property
- Hire of premises
- Grants made by the Council
- Direct payments to individuals for social care services or services brokered on behalf of individuals in receipt of an individual budget.

2. Roles and responsibilities

2.1 Directors are responsible for ensuring that chief officers and all staff with procurement responsibilities within their directorates fully understand and comply with these Standing Orders.

2.2 Directors are responsible for all purchase orders and contracts tendered and let by their directorates, are accountable to the Executive for the performance of their duties in relation to contract letting and management and must ensure that all council officers comply with these Standing Orders. The duties set out in paragraph 2.3 also apply to a Responsible Officer (except for paragraphs 2.3.5, and paragraphs 2.3.13 to .15 which are duties to be complied with by a Director personally)

2.3 Their duties are as follows:

2.3.1 To seek and obtain value for money and secure continuous improvement in all procurements.

- 2.3.2 To ensure no contract is entered into by their Directorate without there being adequate and agreed budget provision.
- 2.3.3 To ensure compliance with all applicable UK and EU legislation, seeking advice from the Borough Solicitor or the Head of Procurement at an early stage in the process whenever appropriate.
- 2.3.4 To ensure that Non Commercial Considerations do not influence any decision to seek quotations or tenders or to enter into any contract.
- 2.3.5 To ensure all staff (including any agents or consultants acting on their behalf) dealing with procurement for their directorate are fully aware of and comply with these Standing Orders and those parts of the Procurement Manual which are stated therein as compulsory in accordance with these Standing Orders and to arrange adequate training on their operation.
- 2.3.6 To declare to the council any pecuniary interest whether direct or indirect they personally have in any contract to be let, and to make that declaration in writing to the Borough Solicitor.

A grant is an arrangement where money is given for the benefit of all or for a section of the local community for a stated purpose other than for the procurement of services whether the services are to be given to the council or to third parties. An arrangement where payments are made to secure the

provision of services whether to the Council or to some third party is a contract for services to which these Contract Standing Orders apply.

3. Consultation and approvals prior to advertising a procurement

3.1 Officers must take advice from the Head of Procurement or the Borough Solicitor on the relevance of the Public Contract Regulations for any procurement where the Total Contract Value is estimated to be more than £100,000.

3.2 When it can reasonably be anticipated that the Total Contract Value might exceed £100,000 the Director must ensure that an estimate of the anticipated Total Contract Value is prepared and recorded in writing. The estimate should not be more than twelve months old when tenders or quotations are invited and is to be exclusive of Value Added Tax.

3.3 For all procurements of supplies and services with an estimated Total Contract Value in excess of £100,000, a Procurement Plan in the form set out in the Procurement Manual and incorporating comments from the Borough Treasurer, Borough Solicitor and Head of Procurement, must be prepared for the approval of the Director and, if appropriate the Executive Member (see Appendix 1). In all cases the Procurement Plan must be approved before the contract is advertised in accordance with paragraph 4.4 below.

Where the tender is above £100,000, a report should be submitted by officers to the Director, but if a Director has not delegated power to a Responsible Officer to accept a quotation the Director must prepare a report on the acceptance of the tender or quotation and keep it available for auditing.
- 6.5 The Director shall not accept tenders for supplies, services or works where the Total Contract Value is more than £400,000 and less than £1,000,000 without securing the written agreement of the Executive Member.

6.7 Where the Director wishes to accept a tender other than the lowest acceptable tender, full supporting documentation must be kept to evidence why the lowest acceptable tender was not accepted. If the tender is one to which paragraphs 6.5 or 6.6 applies, the Director shall report the values of all tenders received and the reasons for selecting the preferred tender.

7.2 The standard Waiver form is to be used and the approval must be retained by the Director.

7.3 The Director must ensure that a record of all cases where Contract Standing Orders have been waived is sent to the Head of Procurement, including those authorised under the Director's own delegated powers, recording the reasons for waiver and the approvals obtained.
