The proposal is considered to comply with BFBLP Policies EN20, CSDPD CS7, SEP CC6. The proposal will not adversely affect the character of the building, neighbouring property or area or significantly affect the amenities of neighbouring property. Summary Of Reason(s) For Decision:

(Please note that this is not intended to be an exhaustive list).

The following considerations have been taken into account:

The proposal will not adversely affect the character or visual amenity given the appearance of the existing dwelling and the surrounding area, the amenity of neighbouring residents or highway safety. The planning application is therefore approved.

87. **12/00036/FUL - 54 Napier Road, Crowthorne, Berkshire**

A site visit had been held on Saturday 14 April 2012 which had been attended by Councillors Mrs Angell, Blatchford, Davison, Dudley, Finnie, Mrs Pile and Thompson.

The Committee noted :

- The comments of Crowthorne Parish Council
- Two letters of objection

The Committee expressed concerns that the proposed development was unneighbourly and would obscure light into the neighbour's toilet window located in the side elevation at ground floor level. The close proximity of the extension to the neighbour's property at 56 Napier Road of 0.2m would preclude any enjoyment of that side of the neighbour's property, to the detriment of their living conditions.

Notwithstanding the recommendation of the Head of Development Management for approval, the Committee unanimously

RESOLVED that the application be **refused** for the following reasons:-

The proposed extension by reason of its design and close proximity to the neighbouring property at 56 Napier Road would result in an unneighbourly form of development detrimental to the amenities of the occupiers of that property. The

development is therefore contrary to Policy EN20 of the Bracknell Forest Borough Local Plan and Policy CS7 of the Core Strategy Development Plan Document.

88. **12/00080/FUL - 1 Patrick Gardens, Warfield, Bracknell**

The proposal is considered to comply with BFBLP Policies EN20, H12, CSDPD CS7, SEP CC6. The proposal will not adversely affect the character of the building, neighbouring property or area or significantly affect the amenities of neighbouring property. The retrospective enclosure of approximately 15 sq m of land into private garden is not considered to have an adverse impact upon the visual amenities of the surrounding area. The means of enclosure does not appear out of character within the surrounding area. The enclosure of land does not impact upon the residential amenities of neighbouring properties or highway matters. The planning application is therefore approved.

Summary Of Reason(s) For Decision:

The following development plan policies have been taken into account in determining this planning application:

Bracknell Forest Borough Local Plan:

91. **PS Confirmation of Tree Preservation Order (TPO) 1088, Land at 87 Moordale Avenue**

Having declared a prejudicial interest, Councillor Ms Brown withdrew from the meeting during consideration of this item.

A site visit had been held on Saturday 14 April 2012 which had been attended by Councillors Mrs Angell, Blatchford, Davison, Dudley, Finnie, Mrs Pile and Thompson.

The Council had made a TPO to retain and protect this Monterey Pine tree, that was assessed to be of public amenity value and was judged to be at expedient risk of removal. An objection had been raised and the matter was referred to the Planning Committee for a decision on whether to confirm the TPO.

This item had met the criteria for public speaking and the Committee was addressed by Mr. Gerry Haines, a local resident and son of the objector.

The Committee considered the reasons for making the TPO and the supporting information, including details of a resident's objection; a petition of 63 local residents' signatures supporting the objection; and an independent report commissioned by the objector. The Committee noted that the objector was not in fact the owner of the tree.

The Committee expressed concerns about

- the unsuitability of the tree in this location;
- the potential danger of falling branches and the quality of life for the residents with gardens over which the tree hung.

RESOLVED that TPO 1088 **not be confirmed**.
