**7. REASON FOR DECISION**

The proposals seek to update the current scheme to enable Bracknell Forest to implement fully the guidance of the Electoral Commission. In particular the proposals seek to meet the recommended number of electors allocated to polling stations across the Borough.

1. **TITLE:** Complaints against Bracknell Forest Council in 2013-14

2. **SERVICE AREA:** Chief Executive's Office

3. **PURPOSE OF DECISION**

To brief the Executive about complaints made against the Council in 2013-14.

4 **IS KEY DECISION** No

5. **DECISION MADE BY:** Executive

6. **DECISION:**

That:

- i. The approach taken to dealing with and learning from complaints to the Council be endorsed
- ii. The Annual Review letter of the Local Government Ombudsman to the Council for 2013/4 be noted
- iii. The information on other complaints against the Council in 2013/14 be noted
- iv. The developments in complaints handling be noted

7. **REASON FOR DECISION**

The Council's staff guidelines on complaints stipulate that, *'The Chief Executive's Office shall write an annual report about complaints, which shall include reference to the annual letter issued by the Local Government Ombudsman'*. This report gives the Executive information on an important aspect of the Council's services to residents, in keeping with the Council's Charter for Customers, which includes always putting the customer first, learning from feedback, and continually aiming to improve the Council's service and performance.

To support the implementation of the corporate Customer Contact Strategy, endorsed by the Council's Executive on 5 July 2011. This strategy's overarching aim is to improve the quality of customer service to residents and service users.

1. **TITLE:** The Blue Mountain Programme: Delivery Strategy for the Learning Village and Community Facilities

2. **SERVICE AREA:** Children, Young People and Learning

3. **PURPOSE OF DECISION**

That the Executive approve the delivery strategy for the Learning Village (A nursery, two form entry primary and seven form entry secondary all through school) and community facilities for the site at Blue Mountain

4 **IS KEY DECISION** Yes

5. **DECISION MADE BY:** Executive

6. **DECISION:**

That:

- i. the scope and programme for Blue Mountain Learning Village as per paragraphs 5.12 and 5.13 of the Chief Executive's report be approved.
- ii. the funding model as per Appendix 3 of the Chief Executive's Report for the delivery of the Learning Village after noting the dependencies and risks (paragraphs 5.14 to 5.39 of the Chief Executive's report) be agreed
- iii. the site acquisition in principle with the land owner of the Blue Mountain site as laid out in Appendix 4 of the Chief Executive's report subject to the due diligence to be completed by the Council's property and legal team be approved
- iv. the Leader be requested to arrange that the decision relating to the terms of acquisition (and disposal) of land at Blue Mountain be taken by the Executive Member for Transformation and Finance.
- v. the Procurement Plan in Appendix 2 of the Chief Executive's report for the use of the Improvement Efficiency South East (IESE) framework to procure the contractor for pre-construction services and main works for the Learning Village be approved

7. **REASON FOR DECISION**

The Blue Mountain Programme is a priority for Bracknell Forest Council. The programme will deliver statutory school places required in the Borough alongside meeting the need for new housing and the associated community facilities. The strategy for this programme requires Executive approval.

**8. ALTERNATIVE OPTIONS CONSIDERED**

Doing nothing is not an option because the Council has a statutory duty to provide sufficient pupil places. A viable alternative site for a secondary school is not available.

**Recommended Option**

On the assumption that a commercial deal between the land owner of the Blue Mountain site and the Bracknell Town Football Club will be made, a Learning Village co-located with the football club is the preferred option for the programme. However, the co-location is dependent upon several external factors including a commercial element between the football club and the land owner; the football club will need to provide funding for its re-location and the new facilities; shared provision will need to be operationally viable for both the school and the football club.

**Default Option**

In the event that the option for the Learning Village and Bracknell Town Football Club co-location is not achievable, the default option will be to deliver the Learning Village by September 2017 without co-location.
