

**REPORT OF THE EXECUTIVE OF BRACKNELL FOREST BOROUGH COUNCIL
CONCERNING A REPORT FROM THE LOCAL GOVERNMENT OMBUDSMAN
CONTAINING A FINDING OF MALADMINISTRATION**

1. This report is made pursuant to Section 5A of the Local Government and Housing Act 1989 and is in response to a finding of maladministration contained in an Ombudsman decision concerning an assessment and consultancy service for a Code for Sustainable Homes Assessment.
2. The Ombudsman decision and the report of the Monitoring Officer was considered at a meeting of the Executive on 10 February 2015. We determined that:-
 - (a) no action has been taken by the Executive in response to the report of the Monitoring Officer, and
 - (b) that no action should be taken in response to the report.
3. Our reasons for making the determinations set out in paragraph 2 above are:-
 - (a) the Ombudsman noted that the Council has already offered a remedy to the complainants, and
 - (b) the Council has ceased to provide the service which was the subject of the complaint.
