- b) Awareness raising booklets including 'before and after' pictorial content be produced to alert parents to the signs and symptoms of substance misuse by their children, and to provide a step guide to recognising a substance misuse issue, acknowledging its potential impact on the family and seeking advice/assistance/treatment to overcome it to be produced.
- c) A substance misuse peer mentoring scheme be introduced in Bracknell Forest schools to support children and young people with related issues.
- d) Additional training for both newly qualified and established teachers be provided to enable them to detect early signs of substance misuse and then offer support and signposting to services.

- f) Opportunities are taken to pursue closer family-wide substance misuse working practices between Children's Social Care, Adult Social Care and Public Health.

1. **TITLE:** Changes to admission to schools as a basis for consultation

2. **SERVICE AREA:** Children, Young People and Learning

3. **PURPOSE OF DECISION**

To review school admissions criteria and designated areas in the light of the new, large housing developments that are likely to be built over the next 10 years.

4. **IS KEY DECISION** Yes

5. **DECISION MADE BY:** Executive

6. **DECISION:**

1 That to consult on the removal of feeder primary links for secondary school admission purposes be agreed.

2 That to consult on revisions to primary and secondary school designated areas be agreed.

3 That if requested by a Voluntary Controlled school, to change that school's admission criteria to omit the denominational criterion.

4 That to consult on including in criteria for Community and Voluntary Controlled schools protection for up to 6 years for younger siblings of children who were living in the designated area at the time of their admission be agreed.

5 That non-statutory and statutory consultation will take place between 1 September and 20 November be agreed.

7. **REASON FOR DECISION**

Over the past few years in excess of 5,000 school places have been created. There has been no significant review of designated areas for over 15 years. Projecting forward, up to 13 additional primary forms of entry (FE) and up to 9 secondary FE are required as a result of new housing developments. Significant changes are required to existing DA boundaries that will affect all schools in the Borough. It is necessary to start the process now for the required changes to admissions arrangements so that entry to schools in September 2017 is possible.

As a complex project the Council wishes to receive comments in order to inform the way forward.

The changes demonstrate that the Council is responding positively and transparently to new housing and the need for new schools.

Having set out the overall strategic objective it would be the Council's intention to seek

agreement to detailed changes through the annual admissions consultation process over forthcoming years by working towards the final outcome year by year, as required and when school providers are known.

8. ALTERNATIVE OPTIONS CONSIDERED

'No change' is not an option. Alternative options are set out in the body of the report.

9. PRINCIPAL GROUPS CONSULTED: To be confirmed.

10. DOCUMENT CONSIDERED: Report of the Director of Children, Young People & Learning.

11. DECLARED CONFLICTS OF INTEREST: Councillor Dr Barnard declared an interest in Item 6 as a governor at Garth Hill College.

Councillor Birch declared an interest in Item 6 as a governor at St Michael's, Sandhurst Primary School.

Councillor Turrell declared an interest in Item 6 as a governor at Harmans Water Primary School.

1. **TITLE:** Binfield Learning Village: Appointment of school sponsor

2. **SERVICE AREA:** Children, Young People and Learning

3. **PURPOSE OF DECISION**

To agree the process for appointing a sponsor for the proposed all-through Binfield Learning Village as an Academy school.

4. **IS KEY DECISION** Yes

5. **DECISION MADE BY:** Executive

6. **DECISION:**

1 That the School Sponsor Appointment Plan to identify a preferred sponsor for the Binfield Learning Village Academy School, as attached at Appendix 1 to the report be agreed.

2 That to notify the DfE of the Council's intention to seek an Academy sponsor be agreed.

3 That the appointment application evaluation criteria, as attached at Appendix 3 to the report be agreed.

7. **REASON FOR DECISION**

Local authorities (LA) have a duty to provide sufficient school places to meet needs in their area. The Council has identified significant areas of new housing that are scheduled to be built in the period to 2025. The provision of a new primary, secondary and special all-through school at Binfield Learning Village is an important part of the overall future provision in the Borough.

The Education Act 2011 changed the arrangements for establishing new schools and introduced Section 6A (the academy/free school presumption) to the Education and Inspections Act 2006. Where a LA thinks there is a need for a new school in its area it must seek proposals to establish an academy school.

Given the pressures on school places and the design and construction period, the timely appointment of a provider is necessary to start the process at the current time.

In June 2013, the Executive agreed:

- a) the methodology to be used to endorse potential providers, thereby ensuring that any providers will be equipped to deliver good and outstanding provision.
- b) that a standing Education Review Group be established with an independent Chair, the Executive Member for Children, Young People and Learning, the Chair of the Children, Young People & Learning Overview and Scrutiny Panel, one other Councillor representative from the opposition party, the Director of Children, Young People &

Learning or their representative, two school representatives (a headteacher and Chair of Governors) and a parent governor.

- c) the criteria which potential providers should meet if they wish to be commissioned to run a school in the borough.

The scope, timetable, funding model and the procurement plan for the Binfield Learning Village was approved by the Executive in October 2014. Mace has been appointed as the design and build contractor under the IESE framework.

8. ALTERNATIVE OPTIONS CONSIDERED

The option of expanding an existing school was considered but this is not viable as the resulting school would be too big to run effectively.

The Education and Inspections Act 2006 gives statutory force to the presumption that all new schools will be academies. The Council will follow the requirements of the Act and statutory guidance issued by the Secretary of State so that a suitable provider is appointed including so far as may be possible consideration of existing schools.

- 9. **PRINCIPAL GROUPS CONSULTED:** The views of the Community Reference Group will be incorporated into the published version.
- 10. **DOCUMENT CONSIDERED:** Report of the Director of Children, Young People & Learning.
- 11. **DECLARED CONFLICTS OF INTEREST:** None.

1. **TITLE:** Local Development Scheme
2. **SERVICE AREA:** Environment, Culture & Communities
3. **PURPOSE OF DECISION**

To approve an updated Local Development Scheme which will set out the Council's programme for the preparation of Planning Policy documents for the next three years.

4. **IS KEY DECISION** Yes
5. **DECISION MADE BY:** Executive

6. **DECISION:**

That the Local Development Scheme at Appendix A to the report shall come into effect on 30th June 2015.

7. **REASON FOR DECISION**

The Council is required to maintain an up to date LDS on its website. Preparation and adoption of an up to date LDS will give residents, businesses and potential investors a clear indication that the Council remains committed to having an effective planning policy framework in place. Existing policies in the 2002 Local Plan and the Core Strategy pre-date current planning legislation, policy and guidance and therefore need to be reviewed in the light of these in order to provide a robust planning policy framework.

As set out in paragraph 2.2, it is clear that the Council is vulnerable on appeal without more robust housing policies in place. This is, in part, due to the strategic sites taking longer to come on board than originally anticipated. The preparation of a Comprehensive Local Plan (CLP) will review the Borough's housing requirement and allocate necessary sites to meet development needs more quickly than set out in the current LDS.

8. **ALTERNATIVE OPTIONS CONSIDERED**

The option of not updating the LDS has been considered but as set out in this report the current proposals in the LDS which identify three Local Plans to be prepared is not considered to be the most effective way forward in order for the Council to influence the future level and location of new development. Not publishing an up to date LDS would mean a lack of clarity for local residents, developers and the business community about the Council's intended approach to producing planning policies to guide future development.

In addition, alternative timetables for the production of a CLP have been considered as discussed in Section 6 of this report.

9. **PRINCIPAL GROUPS CONSULTED:** Statutory consultees, "Duty to Co-Operate" bodies, developers, landowners, the public, amenity groups, and other stakeholders.
