ENVIRONMENT, CULTURE AND COMMUNITIES

Description Impact	2016/17 £'000	2017/18 £'000	2018/19 £'000
Highway Maintenance – Since a significant reduction has already been made from the highway budget it is considered possible to defer for one year only an additional £110k of works and capitalise £90k of salaries on the LED lighting scheme. This will mean that bridge and structure repairs will be deferred unless they are a serious risk to health. Only safety critical road marking replacements will be undertaken leading to potential driver confusion. Damaged fences and barriers would only be repaired if a serious risk to health.	-200	110	90
Library Service – Reduce the stock fund by £100k, which provides a whole range of lending materials. There is a legal duty to provide a comprehensive library service, which would still be met, but reducing the stock fund by 40% would severely reduce the availability of books and other material for the public and therefore significantly reduce the service available.	-100		
South Hill Park – Reduce annual grant by 10%. SHP will have to review the programme on offer and potentially cancel events that require subsidy or have an element of financial risk and in so doing reduce participation levels.	-44		
ENVIRONMENT, CULTURE AND COMMUNITIES TOTAL	-344	110	90
