

REPORT OF THE EXECUTIVE OF BRACKNELL FOREST COUNCIL CONCERNING A REPORT FROM THE LOCAL GOVERNMENT OMBUDSMAN CONTAINING A FINDING OF MALADMINISTRATION

1. This report is made pursuant to Section 5A of the Local Government and Housing Act 1989 and is a response to a finding of maladministration against the Council in relation to the accuracy of an officer report to Planning Committee
2. The Ombudsman's decision and the report of the Monitoring Officer were considered at a meeting of the Executive on 14 June 2016. We determined that no further action needs to be taken in relation to the matter set out in this report.
3. Our reason for making the determination set out in paragraph 2 is that the maladministration arose from a clerical error of which the officer is aware and that no injustice arose to the complainant.
