Hello

As per my comments this is near residents and should not open late. We already have a restaurant nearby in Mill Pond limited to an 11pm closure as this is on a residential estate with houses nearby. I feel there should be a similar limit as this will then encourage a number of late night trading around the estate which I would object to. There is also an established kebab shop nearby in Wildridings that offers late night delivery service to around this time.

On this basis I support resident concerns about closing time being in line with restrictions already in place on other take away outlets nearby. I am unable to attend the meeting but am happy for these comments to be considered as an update,

Best Wishes

Cllr Dee Hamilton
