Mayor's announcements

'For more than a year we have faced restrictions to the normal freedoms which we have previously enjoyed and perhaps taken for granted.

As we gradually get used to a 'new different' in some ways the treasures of darkness have helped us manage the challenges.

'Neighbourliness' and 'selflessness' have been a beacon of light to many individuals. Huge numbers of people have become volunteers using their time, expertise and indeed hearts to support others. From manning test and vaccine centres to collecting shopping and prescriptions so many have played a vital part. With all our hearts we thank you.

For those who have suffered the loss of a loved one or whose physical and mental wellbeing is still impacted by Covid our thoughts are with you.

Agenda item 10 – Motion 03/2021

The Council asks the Executive to keep under review the provision of a Community Home within Bracknell Forest, providing that any provision must not be to the detriment of our clear commitment to providing bespoke and personalised support for our children.

The timescale for reviewing and if appropriate delivering any agreed provision requires the Council to ask the Executive to reaffirm its commitment to putting the needs of every child and family requiring our support first.

To achieve this we will continue to work as a community to expand activity aimed at delivering high quality foster placements by recruiting more foster carers, with enhanced therapeutic support where needed for Bracknell Forest children of all ages. This avoids sending them to live outside the borough unless this is in their best interests. This approach provides a local home for a child, enables continuity of schooling, the retention of friendships and a better experience for children.
