Item No: 6
22/00571/FUL
6 Wilberforce Way Bracknell Berkshire RG12 9PN

UPDATED CONSULTATION RESPONSE

The Highway Authority remains concerned that the proposed development could become an independent dwelling in its own right simply by closing-up a door to the utility room, which could be done without planning permission.

The Highway Authority remains of the view that the proposed development is likely to lead to the displacement of additional parked vehicles onto surrounding roads, increasing the risk of illegal, inconsiderate or obstructive parking, which would in turn have an adverse effect on the free flow of traffic and an unacceptable impact on highway safety contrary to BFBLP policy M9 and CSDPD policy CS23 supported by the NPPF at paragraph 111.

Officer comment: The proposal is for an annexe that is ancillary to the main dwelling and condition 4. states that the accommodation shall not be occupied other than for purposes ancillary to the residential use of the dwellinghouse, known as 6 Wilberforce Way. Should the applicant wish to use the annexe as a separate dwelling then planning permission would be required and any mitigation measures/additional parking requirements would be considered at that stage.
