The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice of Intention to Conduct Business in Private

Notice is hereby given in accordance with Regulation 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following item may be considered in private.

6. Neutral Agency Vendor Procurement

This has previously been agreed through Executive on 12 December 2023. This report recommends a change in the procurement method. We now propose for approval to utilise the Eastern Shires Purchasing Organisation (ESPO) framework for Managed Services for Temporary Agency Resources (MSTAR). The current contract expires on 31st March 2025 and the new contract will be effective from 1st April 2025. (A previous decision in December 2023 indicated that the intention was for Bracknell to conduct its own standalone process).

The reason that the item may be considered in private is that it may involve the disclosure of exempt information under the following category of Schedule 12A of the Local Government Act 1972:

- (3) Information relating to the financial or business affairs of any particular person (including the authority holding the information)

Should you wish to make any representations in relation to the meeting being held in private for the consideration of the above item, you should contact:
