To consider the introduction and removal of disabled parking bays in various residential roads in Crown Wood, Great Hollands North & South, Little Sandhurst & Wellington, Old Bracknell, Priestwood & Garth and Wildridings & Central.

4 **IS KEY DECISION** Yes

5. **DECISION MADE BY:** Executive Member for Planning and Transport

6. **DECISION:**

- i. That the formal objections received during the statutory consultation process and the corresponding Officer comments are noted;
- ii. That the position with regard to local ward Members comments received during the informal consultation process is noted;
- iii. That the Borough Solicitor be authorised to bring the Disabled Parking Spaces Order into effect.

7. **REASON FOR DECISION**

To continue the Councils policy of marking out disabled parking bays in residential streets that are heavily parked and where disabled people may have trouble in finding a parking space close enough to where they live without experiencing real difficulty in getting from their car to their home.

8. **ALTERNATIVE OPTIONS CONSIDERED**

To not install the disabled bays would result in the applicants continuing to experience difficulty in getting to and from their vehicle. To not remove un-needed disabled parking bays would leave parking spaces unused that could relieve parking pressures in the area

9. **DOCUMENT CONSIDERED:** Report of the Executive Director: Place, Planning & Regeneration

10. **DECLARED CONFLICTS OF INTEREST:** None
