8. Questions Submitted Under Council Procedure Rule 10 Notice has been received of the following questions to Members of the Executive	

By Councillor Piasecki to the Executive Member for Social and Health Care Services & Housing

“How many residents are currently on the housing waiting list?”

By Councillor Piasecki to the Executive Member for Education

“Does the Executive Member agree that the available evidence shows that money is not the answer to improving Education standards in the Borough?”

By Councillor Jones to Executive Member for Planning & Transportation

To lose the Director of Planning and Transportation was unfortunate; to lose the Borough Planning Officer was careless. We have now lost the Head of Planning Control. Is this not simple incompetence?

9. **Motions Submitted Under Council Procedure Rule 11**

Motion 2/2002 submitted by Councillors Adams and Jones

“Bracknell Forest Borough Council supports the campaign for doorstep recycling services to every home by 2010, with central government providing the resources for such schemes. Benefits would include jobs locally, reduced pressure for landfill sites and incinerators; benefits to the environment via further cuts in emissions of greenhouse gases and a reduction in the demand for raw materials, so encouraging sustainable and local waste management.”

Motion 3/2002 submitted by Councillors Beadsley and Piasecki

“Bracknell Forest Borough Council will conduct the 2003 local elections by postal ballot unless its application to do so is refused.”
