03. No work relating to the development hereby approved, including works of demolition or preparation prior to building operations, shall take place other than between the hours of 08:00 and 18:00 Monday to Friday and 08:00 to 13:00 Saturdays and at no time on Sundays or public holidays.

Reason: To protect the occupiers of neighbouring properties from noise and disturbance outside the permitted hours during the construction period

04. No development, including demolition and site clearance, shall take place until a Construction Environmental Management Plan (CEMP) to control the environmental effects of the demolition and construction work has been submitted to and approved in writing by the Local Planning Authority. The CEMP shall include measures for:-

- the control of dust, odour and other effluvia - the control of noise (including noise from any aspect of the construction and permitted working hours)
- the control of pests and other vermin (particularly during site clearance) - the control of surface water run-off
- the control of noise from delivery vehicles, and times when deliveries are accepted and when materials can be removed from the site

Construction activity shall be carried out in accordance with the approved CEMP.

REASON: In the interests of the amenities of the area.

05. No dwelling shall be occupied until space has been laid out within the site in accordance with the approved plan for at least 59 cars to be parked, and for vehicles to turn and leave the site in a forward gear. The spaces shall not thereafter be used for any purpose other than parking to serve the flats.

REASON: To ensure that the development is provided with adequate car parking to prevent the likelihood of on-street car parking which would be a danger to other road users.

[Relevant Policies: BFBLP M9, Core Strategy DPD CS23]

06. No dwelling shall be occupied until at least 61 secure and covered cycle parking spaces have been provided in the location identified for cycle parking on the approved plans within the development. The cycle parking spaces and facilities shall thereafter be retained.

REASON: In the interests of accessibility of the development to cyclists.

[Relevant Policies: BFBLP M9, Core Strategy DPD CS23]

7. No dwelling shall be occupied until a scheme of signage and markings for the visitor parking has been submitted to and approved in writing by the Local Planning Authority and the approved visitor parking and signage has been provided. The approved visitor parking and signage shall thereafter be retained and maintained in accordance with the approved details.

REASON In the interests of highway safety and personal safety within the car and cycle parking areas.

[Relevant Policies: BFBLP M9, Core Strategy DPD CS23]

8. Notwithstanding the provisions of Part 2 Class A of the Second Schedule to the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), no fences, gates, walls, or other means of enclosure, shall be erected.

REASON: To retain the open character of the setting of this locally listed building in the interests of its historic significance and the visual amenity of the area.

[Relevant Policies: BFBLP EN20, Core Strategy DPD CS7]

79. **PS 21/00141/FUL Land North Of Tilehurst Lane Binfield Bracknell Berkshire  
Erection of 9 no. dwellings, including 2no. affordable dwellings, with

REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

02. No development above slab level shall take place until samples of the materials to include bricks, tiles, balcony screening materials and surface materials, to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

REASON: In the interests of the visual amenities of the area.

[Relevant Policies: BFBLP EN20, Core Strategy DPD CS7]

03. No development above slab level shall take place until comprehensive details of both hard and soft landscaping works have been submitted to and approved in writing by the Local Planning Authority. These details shall include: -

- a) Comprehensive planting plans of an appropriate scale and level of detail that provides adequate clarity including details of ground preparation and all other operations associated with plant and grass establishment, full schedules of plants, noting species, and detailed plant sizes/root stock specifications, planting layout, proposed numbers/densities locations.
- b) Comprehensive 5 year post planting maintenance schedule.
- c) Underground service and external lighting layout (drainage, power, communications cables, pipelines etc. indicating lines, manholes etc.), both existing reused and proposed new routes.
- d) Means of enclosure (walls and fences etc)
- e) Paving including pedestrian open spaces, paths, patios, proposed materials and construction methods, cycle routes, parking courts
- f) Recycling/refuse or other storage units

REASON: In the interests of good landscape design and the visual amenity of the area.

[Relevant Policies: BFBLP EN2 and EN20, CSDPD CS7]

04. Full details of the play equipment for the LAP shall be submitted and approved in writing by the Local Planning Authority prior to its installation. Details shall include all equipment specification and method of fixing. The equipment shall be installed in accordance with the approved details and retained as such thereafter.

REASON: In the interests of the visual amenity and in the interests of the provision of recreational, leisure and educational play.

[Relevant Policies: BFBLP EN1 and EN20, CSDPD CS1, CS7 and CS8]

05. No dwelling shall be occupied until a plan showing visibility splays at each internal junction of 2.4m x 25m in each direction and forward visibility around

each bend of 22m has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details. The visibility splays shall thereafter be kept free of all obstructions to visibility over a height of 0.6 metres measured from the surface of the adjacent carriageway.

REASON: In the interests of highway safety.  
[Relevant Policies: Core Strategy DPD CS23]

06. All ecological measures and/or works shall be carried out in accordance with the details contained in Ecology Solutions Ecological Assessment January 2021 as already submitted with the planning application and agreed in principle with the Local Planning Authority prior to determination. An ecological site inspection report shall be submitted prior to practical completion of any dwelling hereby approved.

REASON: In the interests of nature conservation  
[Relevant Plans and Policies: CSDPD CS1]

07. No development shall take place (including ground works and vegetation clearance) until a construction environmental management plan (CEMP: Biodiversity) has been submitted to and approved in writing by the local planning authority. The CEMP (Biodiversity) shall include the following:
- a) risk assessment of potentially damaging development activities
  - b) identification of "biodiversity protection zones"
  - c) practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during development (may be provided as a set of method statements)
  - d) the location and timing of sensitive works to avoid harm to biodiversity features
  - e) the times during development when specialist ecologists need to be present on site to oversee works
  - f) responsible persons and lines of communication
  - g) the role and responsibilities on site of an ecological clerk of works or similarly competent person
  - h) the use of protective fences, exclusion barriers and warning signs.

The approved CEMP (Biodiversity) shall be adhered to and implemented throughout the development period strictly in accordance with the approved details, unless otherwise agreed in writing by the Local Planning Authority.

REASON: In the interests of nature conservation Informative: protective fencing will be required to prevent construction activities from encroaching on the retained heathland area.

08. No part of the development shall be occupied until a scheme for informing buyers and residents about reptiles in gardens and the surrounding area and their importance has been submitted to the Local Planning Authority and approved in writing. The development shall be implemented in accordance with the scheme.

REASON: In the interests of nature conservation  
[Relevant Plans and Policies: CSDPD CS1 CS7]

09. A landscape and ecological management plan (LEMP) shall be submitted to, and approved in writing by, the Local Planning Authority prior to the practical completion of the development. The content of the LEMP shall include the following:
- a) Description and evaluation of features to be managed
  - b) Ecological trends and constraints on site that might influence management
  - c) Aims and objectives of management
  - d) Appropriate management options for achieving aims and objectives
  - e) Prescriptions for management actions
  - f) Preparation of a work schedule (including an annual work plan capable of being rolled forward over a five-year period)
  - g) Details of the body or organization responsible for implementation of the plan
  - h) On-going monitoring and remedial measures.

The LEMP shall also include details of the legal and funding mechanism(s) by which the long-term implementation of the plan will be secured by the developer with the management bodies responsible for its delivery. The plan shall also set out (where the results from monitoring show that conservation aims and objectives of the LEMP are not being met) how contingencies and/or remedial action will be identified, agreed and implemented so that the development still delivers the fully functioning biodiversity objectives of the originally approved scheme. The approved plan will be implemented in accordance with the approved details.

REASON: In the interests of nature conservation
