	To provide an update on national and local communication and engagement strategies. <b>Reporting:</b> Alayna Razzell and Abby Thomas	
6.	<b>Public Participation</b>	
	To receive questions and provide answers to members of the public. The following questions had been submitted to the Committee drop box in advance of the publication of the agenda, which the Board will provide verbal responses to.  1. What are the plans for including / reviewing regular data as to how the COVID vaccinations programme is progressing in BF in future meetings of the Board? What plans does the Board have for informing residents as to how the vaccinations programme is progressing?  2. The presentation by Charlotte Pavitt at the meeting on 19 January 2021 about the plans for community testing included figures that showed that the latest average number of cases to the week ending 13 January 2021 for the <u>over 60s</u> in BF was 378 cases per 100,000 <b>representing nearly 79% of all cases in BF</b> . If that is so, why is the testing focussed on working people, the majority of whom would presumably be <u>under 60</u> , is the testing targeted at the right people?  3. Why does the Board not have evidence in front of it to show where and how transmission is occurring in BF in order to make more informed decisions about where testing should best be focussed? <b>Reporting:</b> Board Members	
7.	<b>Review Action Log</b>	1 - 10
	To review, by exception, the Local Outbreak Engagement Board (LOEB) Action Log. <b>Reporting:</b> Board Members
