This review is part of the Overview and Scrutiny work programme ([Overview and scrutiny work programme | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://www.bracknell-forest.gov.uk)) and will take place over a series of meetings. Some meetings will be open to the public and others will be closed. This will be determined by the nature of the session and the sensitivity of the information being shared. The priority will always be the effectiveness of the review. The Panel may produce interim reports as well as a final report capturing good practice, learning points and recommendations.
