INFORMATION AND THE PROCEDURE FOR HEARINGS OF THE LICENSING PANEL

The following document provides information and outlines the procedure taken for hearings by the Licensing Panel, when considering applications.

1. REQUIREMENTS FOR THE HEARING

- 1.1 The applicant will normally be required to attend the meeting in person. They will be entitled to be represented by a solicitor or counsel or by any other individual provided that the name of any such person is given to the Council's Licensing Manager 48 hours in advance of the hearing.
- 1.2 Written notification of the intended proceedings will be given to the applicant not less than ten clear working days before the meeting. This notification will give details of the procedure to be followed at the hearing and shall advise applicants of their right to be represented. Included with the written notification shall be the Agenda for the meeting.
- 1.3 Any documents to be produced at the hearing by the Director of Environment, Culture and Communities representative shall be sent so as to reach the applicant by no later than 48 hours before the hearing. A copy of these documents shall at the same time be given to Democratic Services to distribute to members of the Panel.
- 1.4 Any documents to be produced at the hearing by the applicant shall be sent to the Council's Licensing Manager by no later than 48 hours before the hearing. A copy of these documents shall at the same time be sent to Democratic Services to distribute to members of the Panel.
- 1.5 At the discretion of the Panel any or all of the requirements set out in paragraphs 1.3 to 1.4 above may be waived, provided that the Panel is satisfied that the interests of the applicant or any objector have not been prejudiced.
- 1.6 Financial costs incurred by either party in the hearing must be met in full by those parties and no awards for costs will be made to either party regardless of the outcome of the hearing.
- 1.7 The public will be allowed access, except if "Confidential Information" as defined by Section 100A of the Local Government Act 1972 is likely to be disclosed (in which case the public must be excluded) or, if "Exempt Information" falling within Schedule 12A of the Local Government Act 1972 is likely to be disclosed in which case the Panel may decide to exclude the public.

2. ORDER OF THE HEARING

- 2.1 Hearings shall be conducted as follows:
 - (a) The Chairman will open the proceedings by stating the nature of the matter which is to be considered and will welcome the parties, introduce them and confirm the roles of those present.
 - (b) The Chairman will ask the officers to confirm whether or not the formal requirements in respect of the matter to be considered have been complied with.
 - (c) The applicant will be asked if there is any reason for the case to be adjourned. An adjournment will only normally be granted if unforeseeable circumstances can be demonstrated which would be prejudicial to a fair hearing if it was heard at that time.

- (d) The Chairman shall first call upon the Director of Environment, Culture and Communities representative to put forward their case.
 - (e) If satisfied as to the formal requirements, the Panel will consider the merits of the application or proposed suspension/revocation and the report of the officer. The Panel may ask the Director of Environment, Culture and Communities representative for clarification of any points.
 - (f) The applicant shall have an opportunity to put questions to the Director of Environment, Culture and Communities representative.
 - (g) The Chairman will then invite (if any) interested parties who have made representations to speak. The Panel may ask interested parties questions and points of clarification.
 - (h) The Chairman will then invite the applicant or licence holder to make any representations.
 - (i) The Chairman, members of the Panel and the Director of Environment Culture and Communities representative may ask the applicant questions and points of clarification. Having heard the applicant's statement, any Responsible Authorities in attendance will be given the opportunity to respond.
 - (j) An opportunity shall be given to the Director of Environment, Culture and Communities representative and the applicant, in that order, to sum up their case (but not to add any new facts).
 - (k) The Panel members, the representative from Legal Services and Clerk to the Panel shall withdraw. Officers present do not take part in the decision making but will provide legal and procedural advice and record the decision.
 - (l) The members of the Panel consider their decision. The applicant or his/her representative (if any) and any officer present is asked to remain in attendance and if any further clarification or information is required from the applicant or licence holder or any officer, this will be sought by the clerk.
- 2.2 The decision of the Panel shall be notified to the applicant and her/his representative (if any) within two working days following the meeting. In most cases, a verbal decision will be given on the day of the hearing.

3. ROLES OF THOSE AT THE HEARING

- 3.1 The Director of Environment Culture and Communities representative is present at the hearing to present the professional officer's case for refusal, suspension or revocation of licences. They are also present to challenge points put forward by the applicant.
- 3.2 Members of the Panel are present to consider and determine an application or to consider if a licence should be suspended or revoked. In doing so they will follow the above procedure.
- 3.3 The representative from Legal Services is present to provide legal and procedural advice to the members of the Panel and to assist in the clarification of any issues which might arise.
- 3.4 The representative from Democratic Services is present to provide procedural advice to members of the Panel and to record the decision.

4. BACKGROUND

4.1 The Council's Licensing Panel has been given delegated authority to deal with the following applications:

Matter to be dealt with:	Licensing Panel
Application for personal licence	If a Police objection
Application for personal licence with unspent convictions	All cases
Application for premises licence/club premises certificate	If a relevant representation is made
Application for provisional statement	If a relevant representation is made
Application to vary designated premises supervisor	If a Police objection
Application for transfer of premises licence	If a Police objection
Applications for interim authorities	If a Police objection
Applications to review premises licence/club premises certificate	All cases
Decision to object when local authority is a consultee and not the relevant authority considering the application.	All cases
Determination of a police objection to a temporary event notice.	All cases

4.2 In carrying out its licensing function, the Licensing Authority will promote the four Licensing Objectives. These are the only matters to be taken into account when determining an application. The four Licensing Objectives are:

- Prevention of Crime and Disorder;
- Public Safety;
- Prevention of Public Nuisance; and
- Protection of Children from Harm.

- 4.3 The Licensing Policy is about the regulation of licensable activities and as such is focussed on the direct impact of activities taking place on or in the vicinity of those premises. It is not a mechanism for controlling general nuisance unconnected to the Licensing Objectives.
- 4.4 The Council has, apart from the above, delegated power to determine applications, renew, suspend or revoke existing licences and consents to the Director of Environment Culture and Communities. The Director has in turn delegated such authority to officers within the Department.
- 4.5 Whilst officers have delegated authority there will be occasions where it is considered appropriate to refer the matter to the Licensing Panel. Specifically the Licensing & Safety Committee at its meeting on 12 March 2003, resolved to receive representations from applicants for either a licence or a consent where under delegated powers the applicant has been advised that a refusal or revocation is likely.
- 4.6 Where the application is being considered for refusal, having exhausted all options for negotiating an acceptable solution, the applicant is invited should they wish to present their case to the Panel. This request must have been made in writing within 21 days following receipt of a letter from the Council offering the opportunity of a hearing. If the applicant or licence holder fails to comply with this requirement or declines the offer, the matter will be dealt with under delegated authority.
- 4.7 Where an application is refused or a licence/consent is suspended or revoked by the Panel the applicant may have a right of appeal to the courts under the relevant provisions of the legislation and the Panel will inform the applicant within their decision letter.

LICENSING PANEL 21 January 2018

LICENSING ACT 2003 A&A PLUS, BULL LANE, BRACKNELL APPLICATION FOR NEW PREMISES LICENCE (Chief Officer: Environment and Public Protection)

1 APPLICATION DETAILS

- 1.1 On 2 January 2018 an application was made by Hatice Anil Bunker for a new premises licence for a street trading vehicle at the above mentioned location. The application is attached at **Annex A** and the proposed plan at **Annex B**.
- 1.2 The application is for late night refreshment for the following days and hours:
- Sunday to Thursday 23:00-00:00
 - Friday to Saturday 23:00-01:00
- 1.3 Late night refreshment is defined under schedule 2 of the Licensing Act 2003, as follows:
- A person “provides late night refreshment” if—*
- (a) *at any time between the hours of 11.00 p.m. and 5.00 a.m., he supplies hot food or hot drink to members of the public, or a section of the public, on or from any premises, whether for consumption on or off the premises, or*
- (b) *at any time between those hours when members of the public, or a section of the public, are admitted to any premises, he supplies, or holds himself out as willing to supply, hot food or hot drink to any persons, or to persons of a particular description, on or from those premises, whether for consumption on or off the premises.*

2 SUPPORTING INFORMATION

- 2.1 A map showing the location of the trading pitch is attached at **Annex C**.
- 2.2 The proposed conditions are attached at **Annex D** of this report. Please note that there are no mandatory conditions specified in the Licensing Act 2003 for licences where the only activity authorised is late night refreshment.
- 2.3 For information, the conditions which are attached to the trader’s existing Street Trading Consent are attached as **Annex E**.

3 REPRESENTATIONS RECEIVED

- 3.1 During the period for making representations from 3 January 2018 to 30 January 2018, three representations were received in respect of the application. These representations are attached at **Annexes F to H**. All of the representations are from members of the public.
- 3.2 The representations raise concerns regarding the potential for an increase in crime and disorder and public nuisance as a result of the application.
- 3.3 The stated addresses of all of those who have submitted representations are within 150m of the trading location, and two are within 100m. These distances are marked on the location map attached at **Annex C**.

- 3.4 Some comments are included within the representations that cannot be considered relevant, and should therefore not be taken into consideration by the panel when making their decision. For example, the representation attached at **Annex G** mentions alcohol sales, which are not part of this application and **Annex H** mentions that there are enough alternative food outlets in the town which is not a valid reason to object to an application under the Licensing Act 2003.

4 RELEVANT BRACKNELL FOREST BOROUGH COUNCIL POLICIES

- 4.1 In determining applications, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned. (2.5)
- 4.2 The Council, as Licensing Authority, recognises that conditions attached to licences will be focused on matters which are within the control of individual licensees. (2.7)
- 4.3 If it is reasonably considered that the licensing objectives cannot be met unless additional specific conditions are attached, then the Licensing Authority may consider attaching those which are appropriate for the promotion of the licensing objectives, proportionate to the individual style and characteristics of the event or premises concerned. (11.3)

5 RELEVANT NATIONAL GUIDANCE

- 5.1 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation. (9.37)
- 5.2 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
- a) the steps that are appropriate to promote the licensing objectives;
 - b) the representations (including supporting information) presented by all the parties;
 - c) the Guidance issued under section 182 of the Licensing Act 2003;
 - d) its own statement of licensing policy. (9.38)
- 5.3 The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. (10.8)
- 5.4 Licensing conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. They should be proportionate, justifiable and be capable of being met. (1.16)

6 RECOMMENDATION

- 6.1 The Licensing Authority must, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives, either:
- a) to grant the licence subject to the conditions as proposed, or

- b) to grant the licence subject to modified and/or additional conditions, or
- c) to grant the licence but exclude any of the licensable activities sought, or
- d) to reject the application.

The following conditions apply in respect of all Street Trading Consents granted by the Council. The Council reserves the right to vary or modify these conditions or apply new conditions from time to time as it may in its absolute discretion think fit. The granting of a Consent does not imply approval under any other legislation or activity controlled by the Council.

- 1) These "Standard Conditions" may be supplemented or varied by any "Special Conditions" relating to a particular location as issued with the Consent.
- 2) At all times the Consent Holder and/or any Assistant shall comply with all statutes, statutory instruments and byelaws currently in force.
- 3) On land other than the highway, the permission of the landowner and any necessary Planning Permission shall have been obtained. Confirmation of such shall be provided to the Council prior to the commencement of trading.

- 5) The Consent Holder shall ensure that the stall/vehicle is positioned only on the Consent pitch of the Consent Street for which the Consent is held. The Consent pitch may only be changed mid-term of any Consent period with the agreement of the Council.
- 6) Whilst the granting of a Consent is specific to a particular location, the Council reserves the right to vary the same at any time.
- 7) If a Consent Holder or Assistant is requested to remove or reposition the stall/vehicle by a Council Officer or Police Officer he/she shall immediately comply with that request.
- 8) The hours of trading shall be only within the times specified on the Consent.
- 9) The Consent only specifies those hours during which trading may take place provided that all other legal requirements are satisfied. The Consent does not confer the right to station the stall/vehicle on the Consent pitch at any particular time(s).

No refunds are payable if a Consent is suspended or revoked.

- 15) The fee for a Consent shall be paid in advance. Failure to renew the consent prior to the expiry date may lead to a Consent for the pitch being issued to another applicant.
- 16) The Consent Holder and/or any Assistant shall not sell or offer or expose for sale any goods or articles other than those described within the terms of the Consent.
- 17) The Consent Holder shall not place any advertising signs, boards or notices within the area for which the Consent Holder holds a Consent.

>> Dear Mr. Fletcher, I write to formally make the two following complaints in accordance with the BFC policy. With respect to the food van on bull lane close to my house. Complaint no 1. The food van uses a petrol generator the sound made from the generator from 6pm to 11pm is so loud that effects the following.

A. My family and small kids cannot sleep!! This effect their school and our work schedule. Major disruption to our lives since it arrived. We have made complaints to the council . We cannot sleep until after the van leaves.B. The van currently, attracts all manner of people late into the night . This area is a high risk area for antisocial behavior. We have made complaints to the environment department whom are aware of this groups of youth patrols this area in particular and cause havoc smashing cars bins and harassing the residents . The police are fully aware of this and have had to patrol this street. The situation gets worse in the summer as the daylight hours don't change until 10pm at night the police have got this on file year after year. So the van is attracted the groups and the area is known for this and it will get worse in the summer as they will have a reason to gather around the food van!!! The council have also received complaints and those are logged on your system, the groups are noisy!!! And violent I propose on the grounds of extending the license this should not go ahead on the above grounds where it will exacerbate the numbers of antisocial incidents including attracting the groups into this area. On the grounds that the van is causing a problem with the noise from the generator I propose that three can be relocated on the premise that our family and that of the neighbors are being subjected to undue hardship and lack of sleep, we would like you to note we pay our council taxes!!!! Kind regards [REDACTED] ps please take the Matter seriously

Hello ref above application request regarding the kebab van on Bull Lane in Bracknell I would like to contest alcohol to be sold because I believe this will encourage drunk and disorderly behaviour and crime. My car was vandalised on new years eve because of drunk and disorderly behaviour. I am just a few houses away from where this kebab van is located and I believe this would cause extra noise disturbance on our road, litter in braybrook park, and crime and disorder. We are already experiencing the kebab cartons and paper being dumped (actually pushed) into my hedges and on the street.

There really is no need for alcohol to be served when there is a lovely new regenerated town centre where you can enjoy yourself without disturbing local residents.

Kind regards

Subject: FOR THE ATTENTION OF CHARLIE FLETCHER - RE. APPLICATION FOR NEW PREMISES LICENCE FOR: A&A PLUS, STREET TRADER, BULL LANE

Dear Mr Fletcher

Thank you for your letter concerning the above licence application. I assume this refers to the Kebab Van that has already been parked along Bull Lane for the past several weeks. We strongly oppose this licence for the following reasons:

1. Increase in antisocial behaviour in the area. In particular noisy groups of people walking along the streets late at night.
2. Litter in the form of polystyrene boxes and drinks cans being dumped over our fence and along the verges.
3. Increase in vermin.

Our new town has more than enough food outlets now and there is absolutely no need for this kind of trade on a housing estate and especially around schools. I may be wrong, but I understand this trader already has an outlet in Bracknell. I therefore see no need for street trading as well. If this is not the case then this trader should be found a more suitable site away from houses. In the past the Council has had to eradicate a problem with vermin in this area due to the amount of litter that is dropped by passing school children and this will only add to the problem. Bull Lane is not well maintained at the best of times so trading of this kind in this area is totally unacceptable.

Question: Would you like this kind of trading close to your home?

Yours sincerely
