Hi

The centre has many different users each week, and is fully booked at weekends. The building is used by schools youth groups and many other community groups aged from 1 to our OAP groups

Parking is limited, some times are very busy and at other times the car park is very quiet, there are about 24 spaces in total, however bookings are limited to only a few spaces, however parking is available in the town centre.

We do have mini busses that use our car park as part of our youth provision. I am unable to give you details on who uses the road for turning ETC, parking outside the building is limited to two hours.

I am happy along with Suzanne to discuss bookings and space for your group should you wish to continue.

Dear Darren

I got a general enquiry regarding your centre if you feel these information are confidential or somewhere else I can find out please direct me then I can find out about them. Sorry for the inconvenience I cause to you and Suzanne. But Suzanne who is gave me in words these information freely.

I need this writing then I can discuss this with my turkish community for the possible use of your centre for Eid celebrations.

Kind Regards

Hi Hatice

Suzanne has passed your email onto me to look at.

Could I ask why you are interested in this information?
Are you looking to book the centre?

Perhaps once we know why you need the information we may be able to answer some of your questions.
