"The Council" means the Bracknell Forest Borough Council.

The following conditions apply in respect of all Street Trading Consents granted by the Council. The Council reserves the right to vary or modify these conditions or apply new conditions from time to time as it may in its absolute discretion think fit. The granting of a Consent does not imply approval under any other legislation or activity controlled by the Council.

- 1) These "Standard Conditions" may be supplemented or varied by any "Special Conditions" relating to a particular location as issued with the Consent.
- 2) At all times the Consent Holder and/or any Assistant shall comply with all statutes, statutory instruments and byelaws currently in force.
- 3) On land other than the highway, the permission of the landowner and any necessary Planning Permission shall have been obtained. Confirmation of such shall be provided to the Council prior to the commencement of trading.
- 4) The type, colour and dimensions of any vehicle, stall, trailer, cart or similar to be used under any Consent will be subject to approval by the Council. No change of any approved stall/vehicle or similar is permitted without prior agreement, in writing, from the Council.
- 5) The Consent Holder shall ensure that the stall/vehicle is positioned only on the Consent pitch of the Consent Street for which the Consent is held. The Consent pitch may only be changed mid-term of any Consent period with the agreement of the Council.
- 6) Whilst the granting of a Consent is specific to a particular location, the Council reserves the right to vary the same at any time.
- 7) If a Consent Holder or Assistant is requested to remove or reposition the stall/vehicle by a Council Officer or Police Officer he/she shall immediately comply with that request.
- 8) The hours of trading shall be only within the times specified on the Consent.
- 9) The Consent only specifies those hours during which trading may take place provided that all other legal requirements are satisfied. The Consent does not confer the right to station the stall/vehicle on the Consent pitch at any particular time(s).
- 10) A readily identifiable name shall be conspicuously displayed on the stall/vehicle.
- 11) A copy of the Consent shall be displayed conspicuously on the stall/vehicle and a copy of the "Standard Conditions" and any "Special Conditions" which apply to that Consent shall be carried by whoever is operating the stall/vehicle when trading and shall be produced when requested by any officer of the Council or a Police Officer.
- 12) The Consent Holder shall have and maintain a valid insurance policy against public liability and third party risks. The minimum insurance cover shall be £1,000,000 and shall include cover for any risks arising from the use of the Consent Holder's vehicle, or stall and any additional equipment under his/her control such as generators, etc.
- 13) The Consent Holder may terminate the Consent by written notice to the Council. A refund of the fee will be payable on pro-rata basis calculated to the nearest full week but the Council shall be entitled to retain the first £50 of any fee to be returned to cover administration costs. No refunds are payable if a Consent is suspended or revoked.

- 14) The Consent is personal to the Consent Holder and is not transferable except in the case of the death of the Consent Holder when the Consent may be transferred, by agreement with the Council, to a member of the Consent Holder's immediate family.
- 15) The fee for a Consent shall be paid in advance. Failure to renew the consent prior to the expiry date may lead to a Consent for the pitch being issued to another applicant.
- 16) The Consent Holder and/or any Assistant shall not sell or offer or expose for sale any goods or articles other than those described within the terms of the Consent.
- 17) The Consent Holder shall not place any advertising signs, boards or notices within the area for which the Consent Holder holds a Consent.

The compartment will be clearly labelled "Extremely Flammable LPG" and will provide a minimum of 30 minute fire resistance.'
