Dear Charlie Fletcher

I am writing to you with regards to McDonald's application for new premises licence. My name is [REDACTED], I live at [REDACTED] Ferriby Court in town centre along with my partner, [REDACTED] who is registered disabled and whom I care for. As it is with the existing McDonald's, every Friday and Saturday night, and sometimes other nights, there are groups of youths hanging around outside being loud and abusive to people passing by including myself and occasionally my partner late at night. We have no choice but to go out as my partner has a dog who regularly needs walking. My partner occupies the front bedroom overlooking the new McDonalds site, (we do not share a bedroom) and has trouble sleeping as it is without groups of loud youths until early hours. We are totally against the new premises being open until midnight and ask that our objection is taken seriously. We look forward to hearing from you in the very near future.

Regards

[REDACTED] and [REDACTED]
