25TH MARCH 2020

INTERNAL AUDIT INTERIM REPORT
1ST April 2019 – 11TH March 2020

(Head of Audit and Risk Management)

1 PURPOSE OF REPORT

1.1 This report provides a summary of Internal Audit activity during the period April 2019 to 11th March 2020.

2 EXECUTIVE SUMMARY

2.1 The report summarises progress and outcome of work carried out by both internal audit contractors and the in-house team in accordance with the Annual Internal Audit Plan approved by the Governance and Audit Committee. Any significant developments since the time of writing will be reported verbally to the Committee and included in future assurance reports

3 RECOMMENDATION

3.1 The Governance and Audit Committee are asked to note the attached report.

4 REASONS FOR RECOMMENDATION

4.1 To ensure that the Governance and Audit Committee are aware of the internal audit work performed and conclusions reached.

5 ALTERNATIVE OPTIONS CONSIDERED

5.1 No alternative options available.

6 SUPPORTING INFORMATION

6.1 Under the Council's Constitution and Scheme of Delegation the Borough Treasurer is responsible for the administration of the financial affairs of the Council under Section 151 of the Local Government Act 1972. Professional guidance issued by the Chartered Institute of Public Finance and Accountancy (CIPFA) requires the provision of an effective Internal Audit function to partly fulfil his responsibilities under Section 151. Internal Audit are required to comply with the Public Sector Internal Audit Standards which set out the ethical and operational standards for internal audit.

6.2 The provision of Internal Audit services is largely outsourced to Mazars Public Sector Internal Audit. Mazars are responsible for delivering approximately two thirds of the audits set out in the Annual Internal Audit Plan approved by the Governance and Audit Committee in March 2019. IT audits are undertaken by TIAA Limited. The remaining audits are delivered by Wokingham internal audit team under an agreement under Section113 of the Local Government Act 1972 which provides for the sharing of staff resources or are undertaken in house. Reading Borough Council provide Counter Fraud support and training under this same agreement. The attached report summarises delivery

to date on the audits approved under the Plan and other assurance activities carried out in-house within Audit and Risk Management.

7   ADVICE RECEIVED FROM STATUTORY AND OTHER OFFICERS

Borough Solicitor

7.1   There are no specific legal implications arising from this report.

Borough Treasurer

7.2   There are no financial implications arising from this report. The work of internal audit is key to providing assurance about the effectiveness of the Council's internal control environment.

Equalities Impact Assessment

7.3   Not applicable.

Strategic Risk Management Issues

7.4   Internal Audit provides assurance on the Council's control environment based on the work undertaken and areas audited. Internal control is based upon an ongoing process designed to identify and prioritise risks and to evaluate the likelihood of those risks being realised and the impact should they arise. The system of internal control is designed to manage risk to a reasonable level rather than to eliminate risk of failure altogether. No system of control can provide absolute assurance against material misstatement or loss, nor can Internal Audit give that assurance

Other Officers

7.5   Not applicable.

8   CONSULTATION

8.1   Not applicable.

HEAD OF AUDIT AND RISK MANAGEMENT'S INTERIM REPORT

MARCH 2020

1.BACKGROUND

1.1 The Council is required under the Accounts and Audit (Amendment) (England) Regulations to "maintain an adequate and effective system of internal audit of its accounting records and of its systems of internal control in accordance with the proper practices in relation to internal control." This report summarises the activities of Internal Audit for the period April to December 2019 drawing together progress on the Annual Internal Audit Plan, risk management and other activities carried out by Internal Audit.

2. INTERNAL AUDIT

2.1 The basic approach adopted by Internal Audit falls broadly into four types of audit:

- System reviews provide assurance that the system of control in all activities undertaken by the Council is appropriate and adequately protects the Council's interests.

- Regularity (financial) checking helps ensure that the accounts maintained by the Council accurately reflect the business transacted during the year. It also contributes directly towards the external auditor's audit of the annual accounts.

- Computer/IT audits, carried out by specialist audit staff, provide assurance that an adequate level of control exists over the provision and use of computing facilities

- Certification as required by relevant Government departments that grant monies have been spent in accordance with grant terms and conditions.

2.2 Recommendations are made after individual audits, leading to an overall assurance opinion for the system or establishment under review and building into an overall annual assurance opinion on the Council's operations called the Head of Internal Audit Annual Opinion. The different categories of recommendation and assurance opinions are set out in the following tables.

2.3 Since 1st April 2019 we have been categorising our **audit opinions** according to our assessment of the controls in place and the level of compliance with these controls as follows::

Good	Good - There is a sound system of internal control designed to achieve the objectives of the system/process and manage the risks to the achievement of objectives and this is being complied with. Recommendations will only be of low priority.
Adequate	Adequate - there is basically a sound system of control but there are some areas of minor weakness and/or some areas of non- compliance which put the system/process objectives at risk. Recommendations will only be low or moderate in

	priority.
	Partial - there are areas of weakness and/or non- compliance with control which put the system/process objectives at risk and undermine the system's overall integrity. Recommendations may include major recommendations but could only include critical priority recommendations if mitigated by significant strengths elsewhere.
	Inadequate - controls are weak across a number areas of the control environment and/or not complied with putting the system/process objectives at significant risk. Recommendations will include major and/or critical recommendations
	None - There is no control framework in place and management is inadequate leaving the system open to risk of significant error or fraud.

2.4   We now categorise our recommendations according to their level of priority as set out below:

	Critical - Critical and urgent in that failure to address the risk could lead to factors such as significant financial loss, significant fraud, serious safeguarding breach, critical loss of service, critical information loss, failure of major projects, intense political or media scrutiny. Remedial action must be taken immediately.
	Major - failure to address issues identified by the audit could have significant impact such as high financial loss, safeguarding breach, significant disruption to services, major information loss, significant reputational damage or adverse scrutiny by external agencies. Remedial action to be taken urgently.
	Moderate - failure to address issues identified by the audit could lead to moderate risk factors materialising such as medium financial loss, fraud, short term disruption to non-core activities, scrutiny by internal committees, limited reputational damage from unfavourable media coverage. Prompt specific remedial should be taken.
	Low - failure to address issues identified by the audit could lead to low level risks materialising such as minor errors in system operations or processes, minor delays without impact on service or small financial loss. Remedial action is required.

2.3   We formerly categorised our **audit opinion** according to the following:::

	Significant - there is a sound system of internal controls to meet the system objectives and manage risks and testing performed indicates that controls tested are consistently complied with
	Satisfactory - there is basically a sound system of internal controls to manage risk although there are some minor weaknesses in controls and/or there is evidence that the level of non-compliance may put some minor systems objectives at risk
	Limited - there are some weaknesses in the adequacy of the internal control system and management of risks which put the systems objectives at risk and/or the level of compliance or non-compliance puts some of the systems objectives at risk.
	No assurance - control is weak and management of risks is inadequate leaving the system open to significant error or abuse and/or there is significant non-compliance with basic controls.

2.5   We previously categorised our **recommendations** according to their level of priority as per the following.

	Priority 1- Fundamental weakness in the design of controls or consistent non-compliance with controls that puts the achievement of systems objectives at risk.
	Priority 2 - Weakness in the design of controls or inconsistency in compliance with controls puts the achievement of systems objectives at risk.
	Priority 3- Recommended best practice to improve overall control.

3. SUMMARY OF INTERNAL AUDIT RESULTS TO DATE

3.1   The Annual Internal Audit Plan for 2019/20 was considered and approved by the Governance and Audit Committee on 27th March 2019. This will be updated for the new assurance and recommendation definitions once the operational effectiveness of these has been confirmed. The delivery of the individual audits is largely undertaken by our contractors Mazars Public Sector Internal Audit. In addition, IT audit is undertaken by TIAA Ltd and 9 reviews will be carried out under the Section 113 arrangement with Wokingham Borough Council's Internal Audit Team. In addition, all grants are scheduled to be audited in house.

3.2   During the period April to December 2019, 4 grants were certified, 10 memos without an opinion were finalised, 27 reports were finalised, 5 reports were received for client side review and in 12 cases audit work was in progress.

3.3   Delivery against the planned programme is behind original schedule due to the number of audits which have had to be deferred to later in the year to ensure there was time to address weaknesses previously identified. Whilst there are always deferrals in any audit year, there are sound reasons for these audits to be deferred and the percentage of audit deferrals in significantly higher than in previous years. Staff turnover at Mazars is also currently causing delays in timely delivery of reports.

3.4   Details on the status and outcome of all audits are attached at Appendix C. Audits which have been deferred form the original timetabling are clearly noted in the status column where they are marked with "D". A summary of the outcome of finalised and audits with reports issued in draft are set out below.

Identified High Priority Control Issues

3.6   Audits which have identified high priority recommendations will generally be revisited in 2020/21, to ensure successful implementation of agreed recommendations. No critical recommendations have been raised to date in 2019/20 however a number of recommendations falling under our major recommendation category have been raised resulting in inadequate or partial audit opinions most of which have already been reported in the interim reports in September 2019 and January 2020. No high priority weaknesses were identified in reports finalised since January 2020.

Update of 2018/19 Audits with Limited Assurance Opinions and/or Priority 1 Recommendations

3.7   Since April 2019, ten reports and memos have been issued following follow up or re-audit of audits previously issued with a limited opinion. As shown in Appendix B, in four cases priority 1 recommendations had not been addressed and further major recommendations were raised in accordance with our new definitions. In one case a priority 1 recommendations had only been partially addressed and in another case issues with annual reviews which were not directly relevant to the area audited were found again. These matters will be followed up at the social care pathway follow up in March 2020.

Quality Assurance and Improvement Programme

3.9   As shown below, 88% of the client questionnaires indicated the auditees were satisfied with the service. In two cases the auditee gave an unsatisfactory assessment due to delays during the audit and in 3 other cases whist auditees said they were satisfied , they also did draw attention to delays at their own audits.. In 42% of cases internal audit providers delivered the first draft report within 15 days of the exit meeting.

	Client Questionnaires		Draft Report /Memo Produced within 15 Days of Exit meeting
	Received	**Satisfactory**	
1st April to 31st December 2019	18	88%	42%
2018/19	20	100%	70%

4. PROGRESS ON INTERNAL CONTROL ENVIRONMENT 2019/20

4.1   The weakening in controls in 2018/19 is being monitored as audits are delivered to monitor improvement in the control environment. Under the new CMT approach there is now a specific slot for audit and governance every few weeks. A number of limited assurance audits reports from 2018/19 were deferred at officer request to quarter 4 and these are still ongoing hence it is too early to provide a reasonable prediction of the opinion for 2019/20.

5. RISK MANAGEMENT

5.1   Since the last Committee meeting, the memo on the independent review of risk management arrangements has been received and the outcome will be reported separately to the Committee.

6. FRAUD AND IRREGULARITY

National Fraud Initiative (NFI)

6.1   The NFI is a biennial data matching exercise first introduced in 1996 and conducted by the Audit Commission to assist in the prevention and detection of fraud and error in public bodies. Bracknell Forest Council is obliged to participate in this. The core mandatory data submitted in the autumn of 2018 was on:

- payroll

- pensions

- trade creditors

- housing waiting lists

- housing benefits (provided by the DWP)

- council tax reduction scheme

- council tax (required annually)

- electoral register (required annually)

- private supported care home residents

- transport passes and permits (including residents' parking, blue badges and concessionary travel)

- licences – market trader/operator, taxi driver and personal licences to supply alcohol

- personal budget (direct payments)

Matches for investigation came through in stages during 2019 and the outcome will be reported in due course.

Benefits Investigations

6.2   A detailed update was provided to the Committee in January 2020 . the next update will be included in the Head of Audit and Risk Management's annual report in June 2020.

Single Person Discount

6.3   During Quarter 3, the Revenues Team started to undertake a further proactive counter fraud exercise on Council Tax Single Person Discount (SPD). This exercise is ongoing and the results will be reported to the Governance and Audit Committee in due course.

Potential Irregularities

6.4   During quarter 4 a number of potential concerns have been raised which Reading Counter Fraud are assisting with. These all relate to external parties and to welfare services.

Fraud Awareness Training

6.5   During quarter 4 we are seeking to arrange a further training session for the People directorate to supplement the Council wide sessions already completed in June and September 2019 and the counter fraud training for bursars in September 2019.

DIRECTORATE	AUDITS WITH HIGH PRIORITY ISSUED REPORTED IN PREVIOUS INTERIM REPORTS
COUNCIL WIDE	Purchase Cards (Also limited in 2018/19) Four major recommendations were raised in respect of weaknesses in compliance with approval processes, inadequate processes to identify card holders in schools who have left school employment, lack of supporting information for transactions and splitting transactions to circumnavigate delegation limits. It is intended that moving forward Internal Audit will carry out regular sample spot checks and report non-compliance to senior managers. The findings of the audit should be considered in the context of the level of purchase card expenditure for the Council which was £224k for the 12 months to December 2019.
	Officers Expenses (Also limited in 2018/19, 2017/18 and 2016/17) Two major recommendations were raised in respect of lack of explanation and/or receipts to support expenditure and system weaknesses in the treatment of VAT for expense transactions. It is intended that moving forward Internal Audit will carry out regular sample spot checks and report non-compliance to senior managers.
DELIVERY	Car Parks (Follow Up Memo. Also limited in 2017/18) One priority one recommendation on income reconciliations had not been addressed and a further major recommendation was raised.
	Cyber Security (Follow Up Memo. Also limited in 2018/19) One major recommendation was raised on documenting the recovery processes for the VOIP telephone system.
	GDPR The audit of GDPR was requested by the Executive Director: Delivery to assess level of compliance with the new Regulations. Ten major recommendations were raised. Audit have been advised that significant work is ongoing to address the gaps in compliance. And that NHS accreditation has now been obtained. We have been asked to bring forward the follow up audit from 2020/21 to February 2020.
	Home to School Transport (Follow Up Memo. Also limited in 2018/19, 2017/18 and 2016/17) A major recommendation was raised again due to weaknesses where DBS checks have not yet been received. Audit have been advised that action will now be undertaken to further mitigate risks by undertaking checks to the manual barred list.
FINANCE	Agresso IT System Two major recommendations were raised relating to the absence of a Data Protection Impact Assessment (DPIA)

DIRECTORATE	AUDITS WITH HIGH PRIORITY ISSUED REPORTED IN PREVIOUS INTERIM REPORTS
	and overdue review of the support agreement. Audit have been advised that the support agreement has now been reviewed and is considered to be fit for purpose and a DPIA will now be produced. The opinion also reflects ongoing issues around the system covered by recommendations in previous creditors and officers expenses' audit reports.
PEOPLE	<u>Disabled Facilities Grants</u> One major recommendation was raised due to procurement weaknesses. Audit have been advised that action is being taken to raise awareness with staff and undertake random supervisory checks on procurements.
SCHOOL GOVERNING BODIES	<u>School C</u> To major recommendations were raised in relation DBS checks for governors and frequency of budget monitoring by governors.
