1. **TITLE:** Waste Disposal Contract - Tender List
2. **SERVICE AREA:** Environment
3. **PURPOSE OF DECISION**
To agree the process for finalising the shortlist of companies to be invited to bid for the Council's Waste Disposal Contract; initially for a three-year period but with an option to extend for a further two years.
4. **DECISION MADE BY:** Executive Committee
5. **DECISION**
Director of Environment authorised, in consultation with the Executive Member for Public & Environmental Services, to finalise the shortlist of companies to be invited to bid for the Council's Waste Disposal Contract.
6. **REASONS FOR DECISION**
The Council has been given notice that its existing waste disposal arrangements will terminate on 31 July 2002 as the site to which most of the Borough's waste is taken will close, its operator having not been granted further planning permission to continue operating there. New arrangements need to be in place by then and it is therefore imperative that every effort is made to minimise potential delay to the tendering, evaluation and award of the contract.
7. **ALTERNATIVE OPTIONS CONSIDERED**
A further meeting of the Executive Committee could have been convened to determine the matter.
8. **PRINCIPAL GROUPS CONSULTED:** None

1. **TITLE:** 50 & 50A Ripplesmere, Harmans Water - Disposal
2. **SERVICE AREA:** Environment
3. **PURPOSE OF DECISION**
To dispose of the freehold interest in both the house 50 Ripplesmere and the surgery 50A Ripplesmere to the tenant of 50A; the house, No. 50, being vacant and already declared surplus to requirements and the dental surgery being let on a standard commercial lease.
4. **DECISION MADE BY:** Executive Committee
5. **DECISION**
Freehold interest of 50 and 50A Ripplesmere to be sold to the current lessee of 50A Ripplesmere on the terms set out in the report.
6. **REASONS FOR DECISION**
The house, No. 50, has already been declared surplus to requirements. The dentist, tenant of No. 50A, has indicated that, subject to planning permission, he would wish to extend the dental practice from the combined unit. Hence proceeding with a joint sale provides the opportunity to improve dental provision within the area.
7. **ALTERNATIVE OPTIONS CONSIDERED**
When the house, No. 50, was declared surplus to requirements last year, it was based upon it first being offered for sale to a Registered Social Landlord. Offers of sale of the property were subsequently not accepted by the Council's RSL partners. The house, which requires some updating, could be sold on its own and the Council could continue leasing out the dental surgery. This option though would not provide the catalyst for an extended dental practice.

9. **DOCUMENTS CONSIDERED:** Report of the Director of Environment - Not for Publication: Exempt Information
10. **DECLARED CONFLICTS OF INTEREST:** None
11. **DISPENSATIONS GRANTED:** Not applicable.
