## APPENDIX A

### STANDARDS ANNUAL REPORT 2020/21

1. The Council's Standards Committee was dissolved in 2016 and its functions incorporated into the terms of reference of the Governance and Audit Committee.

#### Complaints

2. Under the current procedure for the handling of complaints alleging a breach of the Code of Conduct for Members, a complaint is first considered by the Monitoring Officer. The options available to the Monitoring Officer at that stage are:-
  - refer for investigation
  - refer for some other form of action ("other action")
  - determine that no further action is required. ("no action")
3. If a complaint is referred for investigation the ensuing report is considered by the statutory Independent Person and the Monitoring Officer. At that stage the options are:-
  - refer to a Code of Conduct Panel for consideration.
  - refer for resolution by some other form of action (e.g. if the investigation finds that there has been a breach and the Member agrees to apologise)
  - no further action required (investigation finds no breach which conclusion is agreed by the independent person and Monitoring Officer)
4. In the period between 1 April 2020 and 31 March 2021 the Monitoring Officer received **9** complaints alleging breaches of Codes of Conduct for Members. The grounds of each complaint and its outcome are set out in the table attached **(Appendix B)**
5. In each case where no action was taken this decision was preceded by consultation with the Independent Person (Dr Louis Lee) before being shared with the Complainant and subject member. In accordance with a protocol adopted in 2016, the Party whip was also notified. Whilst the table reflects the growing trend of relatively low level complaints it should be noted that unusually, three of the complaints were of sufficient seriousness to necessitate an investigation.
6. It should be further noted that one of the three complaints investigated, involving a Parish Councillor, resulted in a Code of Conduct Panel hearing following the outcome of an extensive investigation into alleged bullying behaviour towards an employee of the Parish Council. This is only the second occasion since the current Standards Framework was introduced in 2012 that a complaint has proceeded to a Panel Hearing. Moreover, it is the first that has resulted in an outcome of breach with the imposition of sanctions including censure as well as recommendation of code of conduct refresher training and removal from committee roles. The Councillor was subsequently the subject of a no confidence motion against him that was adopted by the Parish Council. He has subsequently been expelled from the Conservative Party and is serving as an Independent for the remainder of his term of office.

6. Whilst the adequacy of sanctions within the Standards regime continues to attract debate nationally there are currently no proposals flowing from the Ministry of Housing, Communities and Local Government to introduce further legislation.
7. It will be noted that one of the recommendations flowing from a report of the Committee for Standards in Public Life (CSPL) published in January 2019 was for the Local Government Association *“to create an updated model code of conduct, in consultation with representative bodies of councillors and officers of all tiers of local government.”*
8. The LGA’s Code drafting timetable envisaged a draft Code being released for a 6 week consultation from 16 March 2020 with a final version being published at the launch of the LGA annual Conference in Harrogate on 30 June. However, this work was delayed due to the impact of Covid 19 and the draft was in fact issued for consultation in June. A final model Code was subsequently published by the LGA in late December 2020. It is for individual Authorities to determine whether to adopt it. Whilst the Governance & Audit Committee considered the Council’s existing Code in June 2019 pursuant to the recommendations of the CSPL and determined that no changes were necessary this determination will need be reviewed in the light of the publication of the Model Code. A Code of Conduct Panel will be convened for this purpose with its recommendations being referred to the Governance and Audit Committee within the next 6 months.

**Councillors are reminded of their duties both in respect of the rules relating to the registration and disclosure of Interests set out in the Code of Conduct and their behavioural obligations under the Code.**
