

POST EXAMINATION DECISION STATEMENT

This document is the 'Decision Statement', required to be prepared under Regulation 18(2) of the Neighbourhood Planning Regulations 2012 (as amended)¹. It sets out the Council's response to each of the recommendations contained in the Report to Bracknell Forest Council of the Independent Examination of the Bracknell Town Neighbourhood Development Plan ("the Plan") by Independent Examiner, John Slater, which was received by the Council on 23 April 2020.

1.0 INTRODUCTION

- 1.1 Under the Town and Country Planning Act 1990 (as amended), Bracknell Forest Council ("the Council") has a statutory duty to assist communities in the preparation of neighbourhood (development) plans and to take plans through a process of examination and referendum.
- 1.2 This statement confirms that the recommendations proposed in the Examiner's report have been considered and accepted, that the Plan has been altered as a result of it, and that it may now be submitted to local referendum.

2.0 BACKGROUND

- 2.1 The Plan relates to the area that was designated by the Council as a Neighbourhood Area on 11 February 2014. The area coincides with the area covered by Bracknell Town Parish and is entirely within Bracknell Forest.
- 2.2 Bracknell Town Council undertook pre-submission consultation on the draft Plan in accordance with Regulation 14 between 9 June and 20 August 2018.
- 2.3 Following the submission of the Bracknell Town Neighbourhood Plan, the Council publicised the submitted Plan for a six-week period and representations were invited in accordance with Regulation 16. The publicity period was undertaken between 7 January and 18 February 2019.

3.0 INDEPENDENT EXAMINATION

- 3.1 The Council appointed Mr John Slater, with the consent of Bracknell Town Council, to undertake the examination of the Bracknell Town Neighbourhood Plan and to prepare a report of the independent examination.
- 3.2 The independent examination of the Bracknell Town Neighbourhood Plan has comprised several stages:

¹ <http://www.legislation.gov.uk/ukxi/2012/637/data.pdf>
(June 2021)

- Following an initial assessment of the plan and accompanying documents, the Examiner held a public hearing on 14 May 2019.
- Following the hearing, the Examiner issued 'Interim Conclusions' (June 2019), and gave the Town Council three options. The Town Council decided to follow option 1. This was to reconfigure the submitted documents.
- In response to the Examiner's 'Interim Conclusions', Bracknell Town Council submitted an amended Plan, and Schedule of Changes. The Examiner then issued 'Further Comments' (November 2019).
- A focused consultation in response to the amended plan was held between 18 November and 16 December 2019.
- Following the focused consultation, the Examiner issued a 'Mapping and Document Issues' document (February 2020), which required the Town Council to address some specific requirements before the Examiner could issue their final report.

3.3 The Examiner's final report was received on 23 April 2020. The report concluded that subject to making the modifications recommended by the Examiner, the Plan meets the basic conditions set out in the legislation and should proceed to a Neighbourhood Planning referendum. The Examiner also recommended that the referendum area be based on the Neighbourhood Area that was designated by the Council on 11 February 2014.

4.0 DECISION AND REASONS

4.1 Regulation 18 of the Neighbourhood Planning (General) Regulations 2012 (as amended) requires a local planning authority to outline what actions it is intending to take in response to the recommendations in an Examiner's report.

4.2 Having considered each of the recommendations made in the Examiner's report and the reasons for them, the Council, with the consent of Bracknell Town Council, has decided to accept the modifications to the submitted Plan under paragraph 12(6) of Schedule 4B to the Town and Country Planning Act 1990. The Council is satisfied that, subject to those changes/modifications which it considers should be made to the Plan, as set out in tables below, that the Plan meets the basic conditions set out in paragraph 8(2) of Schedule 4B of the Town and Country Planning Act 1990 (as amended), is compatible with the Convention rights and complies with the provision made by or under 61E(2), 61J and 61L of the said Act.

4.3 Table 2 also includes some further modifications agreed by the Council, with the consent of Bracknell Town Council, in accordance with paragraphs 58 and 142 of the Examiner's report. These provide clarity, relate to consequential changes (as a result of other changes to the Plan), or factual corrections/updates, which are considered to be minor modifications, which do not change the nature of the plan which was subject to examination.

4.4 The Council is also required to consider whether to extend the area to which the referendum is to take place under Regulation 18(1e). The Examiner recommended that the Neighbourhood Plan should proceed to a referendum based on the area that was designated by Bracknell Forest Council as a Neighbourhood Area on 11 February 2014. The Council has considered this recommendation and the reasons for it and has decided to accept it. The referendum on the Bracknell Town Neighbourhood Plan will be based on the designated Bracknell Town Neighbourhood Area.

- 4.5 Regulation 18(2) the Neighbourhood Planning (General) Regulations 2012 (as amended) refers to the need to publish the 'Decision Statement' on a local planning authority's website and in such other manner as is considered likely to bring the 'Decision Statement' to the attention of people who live, work or carry out business in the Neighbourhood Area. Normally, in addition to placing documents on the Council's website, paper copies would be made available at the Council's offices in Bracknell, and at Bracknell Town's Council's offices. However, due to the current restrictions in relation to COVID-19, documents will only be available on Bracknell Forest Council's and Bracknell Town Council's websites. A copy of the Plan will be available in hard copy (viewable by appointment) at Bracknell Central Library (Town Square).
