This document also sets out the Partnerships planned activities for the period 2020 to 2023. It provides an approved draft of the Partnership Business Plan which has been appended to the Members Agreement between Bracknell Forest Borough Council (the Council) and Countryside Properties (UK) Ltd (Countryside) in relation to the regeneration and development of multiple sites in Bracknell Forest.
- 1.2. This is the first review by the LLP of the JV Business Plan, the plan will continue to be monitored and updated annually, particularly where land assembly opportunities exist in relation to the sites in this plan.
- 1.3. The Partnership Business Plan remains live throughout the life of the Partnership and will be updated accordingly to reflect the aims of the Partnership Board, as it implements the overarching objectives agreed by the partners. The Partnership Business Plan will be subject to a review no less frequently than every 12 months by the Partnership board and partners.
- 1.4. This annual review (Dec 2021) is a requirement through the Members Agreement which was entered into between the partners upon incorporation of the JV In Dec 2020.

December 2021 Progress summary

The partnership has made significant progress since December 2020 in realising the objectives of the JV on two of the three Category 1 sites, these achievements include planning being granted, subject to S106 for Coopers Hill and a planning submission for Market Street in July 2021. Market Street viability works are continuing to be monitored ahead of settling the Settled Site Development Plan, this is following changes in the Market St design to incorporate electric panel heaters, additional on-site car parking and sewer diversion works.

The partnership has experienced some challenges in market conditions following the constraints brought about by Brexit and increases in build inflation across the sector. The JV has managed to overcome many of these challenges and is still working to deliver the JV objectives and aspirations to programme wherever possible.

On both Coopers Hill and Market Street, the partnership continues to carry out a number of due diligences and workstreams which will allow the delivery of both sites in 2022-2023.

Initial feasibility works and due diligence has also been carried out on a number of potential future opportunity sites for the JV to consider, these sites will hopefully come forward in the next financial period as Initial Development Plans.
