BUILDING REGULATIONS

Where FULL PLANS are submitted, the charges for Building Regulations are normally submitted in two stages; Stage One: (The Plan Charge) - on submission of the application; Stage Two: (The Inspection Charge) - Following the first site inspection, for which you will be invoiced. You must pay the first charge when depositing the application; the second charge is payable on demand from the Council after the first relevant site inspection has been carried out.

Where a BUILDING NOTICE is submitted instead of Full plans, the full charge is payable at the time of submission.

The charges for Building Regulation work are established at a level to cover the cost of the service so the applicant only pays for the service they need. Under the new Building (Local Authority Charges) Regulations 2010, there are two methods that Bracknell Building Control may use to establish the charge for building work. 1) Establishment of a standard charge or; 2) An individually determined charge.

Standard Charges:

The majority of domestic extensions and alteration work will generally attract a charge which falls within our 'Standard Charges' tables. Charges will not be payable for certain aspects of work, carried out for the benefit of disabled persons. The standard charges have been set on the basis that building work does not consist of, or include high risk or innovative construction which may require additional checking for compliance. Also, that the duration of the project from commencement to completion does not exceed 12 months. It is also assumed that the building work will be undertaken by a person or company who is competent to carry out the relevant design and building work. If not the work may incur supplementary charges.

If the charge for your building regulations work is not listed as a standard charge it will be individually determined.

Individually Determined Charges:

This method of determining the charge relates mainly to commercial projects or larger domestic schemes and includes all other work that is not listed in or 'Standard Charges' tables A to C. This includes:

- Building work in relation to more than one building.
- Building work consisting of a domestic extension where the floor area exceeds 60m².
- Applications subject to a reversion charge (work reverting form and approved inspector to the local authority).
- Building work consisting of alterations to a domestic property where the estimated cost of work exceeds £100,000.
- Building work consisting of a non-exempt domestic garage or carport with a floor area in excess of 60m².
- Non-domestic building work consisting of alterations, extension or new build where the cost of work exceeds £100,000.
- Work consisting of the erection or conversion of 5 or more dwellings or where the floor area of a dwelling exceeds 500m². For all new housing schemes please contact our office in the first instance for an individually determined quote.

If your building work is defined as requiring an individual determined charge, please contact us at 01344 354100 or email building.control@bracknell-forest.gov.uk with a description of the work and we will contact you to discuss a charge.

Commuted sums in respect of additional highway maintenance costs					
The Council will require a payment for the commuted annual maintenance costs of new work carried out under agreements made under S278 and S38 of the 1980 Highways Act where the costs of maintenance are estimated to be higher than those of the Highway Authority's standard requirements for infrastructure and street furniture or where non standard items are provided within the extent of the highway. Arrangements for such payments are set out in the council's Streetscene Supplementary Planning Document - Commuted Sums. This document is reviewed periodically and any revision will reflect any sums agreed now or in the future through the fees and charges process. Set out below are rates for infrastructure and street furniture.					
Commuted sums - Payable before the issue of the Provisional Completion Certificate or before the issue of the Final Completion Certificate, depending on the S278/S38 agreement in place.

The above is not a comprehensive list of all the items for Commuted Sums and other items will be considered as part of the initial design discussions. Non-standard materials that relate to items on this list will also need to be discussed early on in the process.					
In respect of all S278/38 schemes the developer must pay an initial fee of at least £2,550 before we can undertake any assessment. On larger schemes, that require a greater level of assessment, the initial fee will be decided on a scheme by scheme basis but it will be greater than the minimum amount stated above. Once agreed and paid we will then undertake the assessment. Any final fees due will reflect the level of initial fees secured prior to scheme assessment.					
Structures - costs to be agreed for individual structures at an early stage. Any structure that is to be adopted or maintained by the Highway Authority will require Commuted Sums and this will need to be assessed and agreed at an early Stage. Structural design assessment and approval (AIP etc.) will require additional fees and will be on a case by case basis.					
Any non standard drainage and SuDs systems that are to be either adopted/maintained by the Highway Authority will need to be reviewed separately and discussed at an early stage and will require Commuted Sums.					
Additional rates would relate to S38 agreements where non-standard highway detail has been applied. These rates will follow those S278 agreed rates.

Protected Prices

The Protected Prices can only vary if BFC agrees at its absolute discretion.

Club Prices

The supplier can increase these prices annually in line with inflation, subject to council approval.

The supplier can submit proposals together with supporting documentation and rationale to the Authority to change the Club Prices at the Facilities in excess of inflation but the Council is under no obligation to accept such proposals. The Council will consider the proposed changes to the Club Prices and shall either agree or reject the proposals. The Council's decision will be final.

Core Prices

The supplier can increase these prices annually in line with inflation, subject to council approval.

The supplier can submit proposals together with supporting documentation and rationale to the Authority to change the Core Prices at the Facilities in excess of inflation based on their assessment of market pricing. The Council will consider the proposed changes to the core prices and shall either agree or reject the proposals although changes to prices cannot unreasonably be withheld. The Council's decision will be final.

Non-Core Prices

The supplier can charge customers for activities not covered by the Protected Prices, the Club Prices and the Core Prices. These prices are not authorised by the Council but will be charged at market rates. Typically, these would include classes, new innovations and the like.

WEIGHTS AND MEASURES					
All tests to be charged at the prevailing hourly rate.					
All hourly charges are charged in quarter hour units per officer with a minimum charge of half an hour per officer.					
When calculating the charges they will be influenced by whether one of more officers are required to conduct the test, whether a certificate is required and whether office transportation is used. Please contact us for further information.					
The charge will apply in all instances where an officer's attendance is required unless specified otherwise in this document.					
The charge will apply in any circumstances when Trading Standards staff attend premises at an appointed time and a delay occurs, either before testing commences or during the test, and the delay is not in any way attributable to Trading Standards.					
The charge will also apply to travelling time beyond the Bracknell Forest border, when any work is undertaken in another local authority area. (Chargeable in addition to the normal fee for the task). Travelling time within the Bracknell Forest BC area is free of charge.					
Where specialist third party equipment is required to complete the test (and not provided by the submitter) the charges incurred for supply of that equipment will be additional to the testing fee.					
Where instruments incorporate remote display or printing facilities a second officer may be required to effectively conduct the test.					
All charges are subject to VAT unless otherwise specified.					
VAT must be charged on all verification work except where the equipment is submitted under the Measuring Instruments (EEC Requirements Regulations 1988					
Hourly rate of Charge					
The hourly rate of charge is based on the average cost of supplying an officer, including the provision of technical and administrative support staff and relevant overheads. The charge is based on the number of officers required and is based on the time involved and is not restricted to the time taken for the individual test.	76.80	64.00	76.80	64.00	0.0
Certificate of errors					
Fee for provision of certificate containing results of errors found on testing. NB This fee is to be levied after carrying out a Weights and Measures spot check when no other fee is payable.	N/A	N/A	N/A	N/A	
Out of hours working (subject to staff being available)					
A premium of 100% will be added to the fee as appropriate for all work carried out at the request of the submitter outside our normal working hours of 8.00am to 5.00pm Monday to Friday. This premium will also apply on bank holidays. I.e. £60 becomes £120 before VAT.	N/A	N/A	N/A	N/A
