This item was deferred by the Planning Committee, pending further information, and would be brought back to a future meeting of the Committee.

73. 22/00571/FUL - 6 Wilberforce Way, Bracknell, Berkshire RG12 9PN

Creation of a 1 bedroom annex ancillary to 6 Wilberforce Way.

The Committee noted:

- The supplementary report tabled at the meeting.
- The comments from Bracknell Town Council objecting to the proposal.
- The 4 objections received as summarised in the agenda.

RESOLVED that the application be **APPROVED** subject to the following conditions: -

01. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with Section 91 of the Town and Country Planning Act 1990.

02. The development hereby permitted shall be carried out only in accordance with the following approved plans:

Drawing Numbers:6901-22-1 and 6901-22-2

Received on the 5th of July 2022 by the Local Planning Authority.

REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

03. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those outlined on the approved plans, received 5th July 2022 by the Local Planning Authority.

REASON: In the interests of the visual amenities of the area.

[Relevant Policies: BFBLP EN20, CSDPD CS7]

04. The accommodation hereby permitted shall not be occupied at any time other than for purposes ancillary to the residential use of the dwellinghouse, known as 6 Wilberforce Way and shall at no time form a separate dwelling.

REASON: The creation of a separate unit would require mitigation measures.

[Relevant Policy: CSDPD CS6]

74. **22-00671-OUT - Qatamon Pollardrow Avenue, Bracknell, Berkshire RG42 1PS**

Outline application (with all matters reserved) for redevelopment of the site for up to three dwellings (Class C3) following demolition of existing dwelling and outbuildings.

The Committee noted:

- The comments from Bracknell Town Council objecting to the proposal.
- The 4 objections received as summarised in the agenda.

Following the completion of planning obligation(s) under Section 106 of the Town and Country Planning Act 1990 relating to the following measures;

- avoidance and mitigation of the impact of residential development upon the Thames Basin Heaths Special Protection Area (SPA);

RESOLVED that the Assistant Director: Planning be authorised to **APPROVE** the application 22/00671/OUT subject to the following conditions amended, added to or deleted as the Assistant Director: Planning considers necessary:

01. Application for approval of the details of the landscaping, layout, scale, access and appearance of the development (hereinafter called "the reserved matters")

shall be made to the Local Planning Authority before the expiration of three years from the date of this permission. The plans and particulars in relation to the Reserved Matters shall be submitted in writing to the Local Planning Authority and shall be carried out as approved. REASON: To comply with Section 92 of the Town and Country Planning Act 1990

02. The development hereby permitted shall be begun not later than the expiration of two years from the final approval of the reserved matters, or, in the case of approval on different dates, the final approval of the last such matter to be approved. REASON: To comply with Section 92 of the Town and Country Planning Act 1990.

03. The development hereby permitted shall be carried out only in accordance with the following approved plan received by the Local Planning Authority on 10th November 2022:

10 (Revision B)

REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

04. All ecological measures and/or works shall be carried out in accordance with the details contained in Preliminary Ecological Appraisal (Tim Moya Associates, August 2022) as already submitted with the planning application and agreed in principle with the Local Planning Authority prior to determination. An ecological site inspection report shall be submitted to the Local Planning Authority prior to practical completion of any dwelling hereby approved.

REASON: In the interests of nature conservation
[Relevant Plans and Policies: CSDPD CS1]

05. If more than 18 months elapse between the previous ecological assessment and the due commencement date of works, an updated ecological assessment shall be carried out by a suitably qualified ecologist. A report confirming the results and implications of the assessment, including any revised mitigation measures, shall be submitted to the Local Planning Authority before construction works commence on site.

REASON: To ensure the status of protected habitats or species on site has not changed since the last survey.

06. No development shall commence until a scheme for the provision of biodiversity enhancements (not mitigation), including a plan or drawing showing the location of these enhancements, has been submitted to and approved in writing by the Local Planning Authority.

The approved scheme shall be performed, observed and complied with.

REASON: In the interests of nature conservation
[Relevant Plans and Policies: CSDPD CS1, CS7]

07. No development shall commence until a detailed scheme for the protection of existing trees, hedgerows and groups of mature shrubs to be retained has been submitted to and approved in writing by the Local Planning Authority, in accordance with British Standard 5837:2012 'Trees in relation to design, demolition and construction - Recommendations'. Protection measures shall be phased as necessary to take into account and provide protection during demolition/site clearance works/building construction works/hard landscaping works. Details shall include an approved development layout plan at a minimum scale of 1:200 and show the following:

- a) Accurate trunk positions and canopy spreads of all existing trees within the site and on adjoining land adjacent to the development within influencing distance of the development.
- b) Positions and spreads of existing hedgerows and groups of mature shrubs.
- c) All proposed tree, hedge or shrub removal; shown clearly with a broken line.
- d) Proposed locations of protective barriers, that are a minimum height of 2.0 metres and supported by a metal scaffold framework, constructed in accordance with Section 6 (Figure 2) and which include appropriate weatherproof signage (such as "Keep Out - Construction Exclusion Zone") affixed at regular intervals to the outside of the protective fencing structure.
- e) Illustrations of the proposed protective barriers to be erected.
- f) Proposed location and illustration of ground protection measures within the root protection areas of retained trees, designed as necessary for pedestrian light traffic or heavy plant machinery, as necessary to prevent ground compaction and contamination.
- g) Annotations at regular intervals, of the minimum protective distances between barriers and trunks of retained trees.
- h) All fenced-off areas clearly annotated as Tree Protection Areas/Construction Exclusion Zones.
- i) Notes regarding restrictions which apply to Tree Protection Areas/Construction Exclusion Zones.

The development shall be carried out in full accordance with the approved scheme.

REASON: - In order to safeguard trees and other vegetation considered to be worthy of retention in the interests of the visual amenity of the area

08. The protective fencing and other protection measures specified by condition 7 shall be erected in the locations agreed in writing by the Local Planning Authority prior to the commencement of any development works, including any initial clearance, and shall be maintained fully intact and (in the case of the fencing) upright, in its approved locations at all times, until the completion of all building operations on the site. Where phased protection measures have been approved, no works shall commence on the next phase of the development until the protective fencing barriers and other protective measures have been repositioned for that phase in full accordance with the approved details. No activity of any description must occur at any time within these areas including but not restricted to the following: -

- a) No mixing of cement or any other materials;
- b) No storage or disposal of any soil, building materials, rubble, machinery, fuel, chemicals, liquids waste residues or materials/debris of any other description;
- c) No installation of any temporary structures of any description including site office/sales buildings, temporary car parking facilities, portable-toilets, storage compounds or hard standing areas of any other description;
- d) No soil/turf-stripping; raising or lowering of existing levels; excavation or alterations to the existing surfaces/ground conditions of any other description;
- e) No installation of any underground services, temporary or otherwise, including; drainage, water, gas, electricity, telephone, television, external lighting or any associated ducting;
- f) No parking or use of tracked or wheeled machinery or vehicles of any description;
- g) No fires shall be lit within 20 metres of the trunks of any trees or the centre line of any hedgerow shown to be retained;

h) No signs, cables, fixtures or fittings of any other description shall be attached to any part of any retained tree.

REASON: - In order to safeguard trees and other vegetation considered to be worthy of retention in the interests of the visual amenity of the area

09. No development shall take place until a scheme has been submitted to and approved in writing by the Local Planning Authority, to accommodate:

- (a) Parking of vehicles of site personnel, operatives and visitors
- (b) Loading and unloading of plant and vehicles
- (c) Storage of plant and materials used in constructing the development
- (d) Wheel cleaning facilities
- (e) Temporary portacabins and welfare for site operatives

and each facility shall be retained throughout the course of construction of the development, free from any impediment to its designated use. No other areas on the site, other than those in the approved scheme shall be used for the purposes listed (a) to (e) above.

REASON: In the interests of amenity and road safety.

[Relevant Policies: BFBLP EN20, Core Strategy DPD CS23]

10. No construction works shall take place until an Energy Demand Assessment demonstrating that at least 10% of the development's energy will be provided from on-site renewable energy production, has been submitted to and approved in writing by the Local Planning Authority. The dwelling as constructed shall be carried out in accordance with the approved assessment and retained as such thereafter. REASON: In the interests of sustainability and the efficient use of resources. [Relevant Policy: Core Strategy DPD CS12]

11. No development shall commence until a Sustainability Statement covering water efficiency aimed at achieving an average water use in new dwellings of 110 litres/person/day, has been submitted to, and agreed in writing by, the Local Planning Authority. The development shall be implemented in accordance with the Sustainability Statement, as approved, and retained as such thereafter.

REASON: In the interests of sustainability and the efficient use of resources.

[Relevant Policy: Core Strategy DPD CS10]

12. The development (including parking and driveways) shall incorporate surface water drainage that is SuDS compliant and in accordance with DEFRA "Sustainable Drainage Systems - Non-statutory technical standards for sustainable drainage systems" (March 2015). It shall be operated and maintained as such thereafter. REASON: To prevent increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage scheme. [Relevant Policies: CSDPD CS1, BFBLP EN25]

75. **23-00016-3 - SANG At Bucklers Park, Woodcote Green, Crowthorne, Berkshire Resurfacing of existing SANG car park with tarmac including installation of additional drainage to discharge surface water into existing SuDS.**

The Committee noted:

- The supplementary report tabled at the meeting.
- That Crowthorne Parish Council recommended approval.
- That no representations had been received.

RESOLVED that the application be **APPROVED** subject to the following conditions:

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

REASON: To comply with Section 91 of the Town and Country Planning Act 1990.

02. The development hereby permitted shall be carried out only in accordance with the following approved plans and other submitted details:

Site Plan dated 24.01.2023

PAV_XX_Ex_DR_D_500_S3 Rev P04 received 21.03.2023

Gully Guard Specification received 28.02.2023

Specification of Surfacing received 06.02.2023

Confirmation about line marking in email from C.Swatridge dated 06.02.2023

REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

03. The surface water drainage of the site shall be implemented and maintained in full accordance with details contained within Proposed Storm Drainage layout reference PAV_XX_Ex_DR_D_500_S3 Rev P04 received 21.03.2023.

REASON: To ensure that the site is properly drained and does not increase the risk of flooding in accordance with policy CS1 of the Core Strategy.

04. Prior to the re-surfaced car park being brought into use, it shall be marked out with line markings and the disabled bays identified by appropriate signage in accordance with the approved plans.

REASON: To ensure that the development is provided with adequate parking in the interests of highway safety.
