7. **REASON FOR DECISION**

- i. Ofsted and the Care Quality Commission (CQC) inspected the local area's effectiveness of the area in implementing the special educational needs and/or disabilities (SEND) reforms as set out in the Children and Families Act 2014. In summary, the inspection raised significant concerns about the effectiveness of the area. As a result, Bracknell Forest partners – the council and the then clinical commissioning group (CCPG) were required to produce and submit a written statement of action (WSOA) to Ofsted that explains how it will tackle nine areas of significant weakness.
- ii. When the WSOA was produced it was agreed that the Executive would be provided

with quarterly updates on progress made towards implementation of the plan, following each of the DfE and NHS England reviews.

- iii. Thrive in Learning, our existing Bracknell Forest SEND strategy, concluded in December 2022. Our WSOA included an action to develop a refreshed strategy for SEND in Bracknell Forest. The strategy has been co-produced with a wide range of stakeholders including early years, school, and college leaders; professionals from education, health, SEND and care; as well as parents, carers, young people, and children.
