

# Climate Action Fund

JCAB Submission

# Project proposal

---

## **Objective:**

To engage, educate and empower the residents of Bracknell Forest to take climate action in their everyday lives

## **Aims:**

**Engagement** – expand participation and dialogue

**Education** – enhance understanding and inspire action

**Empowerment** – support and enable the community to take action

**Evaluation** – assess and promote a place-based approach

# Project details

---

A four-year project from Sept 2025 – Sept 2029

Over £1 million will be applied for to cover:

1. Staff and volunteer expenses
2. Projects and initiatives
3. Evaluation

Bracknell Forest Council will be the lead organisation

The JCAB and its Working Groups will be the formal partnership of organisations that will help to support and deliver the project

# We need your input...

---

A form will be circulated to Working Groups asking for:

1. Up to date membership numbers and information on represented organisations
2. Ideas for projects and initiatives that will achieve the objectives and aims
3. Partners to support the delivery of the programme (expertise specifically needed in engagement, communications and project evaluation)

**Deadline: 22<sup>nd</sup> November**
