5 SUPPORTING INFORMATION

- 5.1 Financial Regulations provide the framework for managing the authority's financial affairs. This framework requires all Officers to carry out their responsibilities in an open and consistent manner. They have been designed to promote and maintain the high standards expected of the public sector in dealing with the Council's finances.
- 5.2 To enable effective budget management, there are occasions during the year that changes to initially approved budgets are required. The scheme of virement contained within Financial Regulations is intended to enable the Executive, Directors and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the Full Council, and therefore to optimise the use of resources.

5.3 The maximum level of virement permitted under the scheme is set out in the table below:

Value	Authoriser
Up to and including £25,000	Director
Over £25,000 up to and including £50,000	Executive Member
Over £50,000 up to and including £100,000	Executive
